J. Saher,2020-01-01 The basis of this book is a manuscript in Sanskrit which he obtained from India and its value lies in the depth and detail with which this new material has been studied and presented The author is to be congratulated not for his skilful translation from Sanskrit but also for the clarity with which he has applied this to western needs and western minds Much has been written in the past regarding the psychosomatic effects of Pranayama and Asanas but in his text Dr Saher explains clearly the mechanism by which brain and mind operate in conjunction with bodily functions emotions and psychic experience and also how these may be controlled and applied for our betterment He also shows how specific areas of the brain control similar areas of mind how these can be applied to Selfanalysis and using exercises also given in the text so control both mind and body that Self Realisation is possible in the highest sense and that even before this stage is reached Health Harmony and Serenity will be attained surely to be prized for themselves alone This fascinating and profound book of ancient Eastern esoteric wisdom backed by the latest discoveries and experiments of modern science treats the health of the soul by showing the relationship between soul and brain Here is a practical guide to Zen Yoga which can help to master suffering and harness latent powers At a time when science is exploring outer space Zen Yoga helps us to explore the inner space of the human psyche to recognize within ourselves new freedom freedom to work out our destiny with integral consciousness or the divine supra Self as the light within This book is a cybernetic exploration of the mind s inner space leading to expanded cosmo electronic consciousness Having shown the differences between Eastern and Western thought processes Saher explains how the sages of the East have acquired that source of wisdom and bliss which our misguided youth seeks vainly in hallucinogenic drugs      Taoist Cosmic Healing Mantak Chia,2003-10-20 Includes practices for cleansing the blood of toxins relieving pain using sexual energy for healing and other tools for the treatment and prevention of disease Explains the unique healing potential of chi kung color therapy and how to harness universal and earthly elemental energies in healing By Mantak Chia coauthor of The Multi Orgasmic Man Taoists believe in an underlying unity that permeates the universe and intimately binds all things Taoist Cosmic Healing presents chi kung techniques that develop and strengthen awareness of the forces and energetic principles of the universe and the earthly six directions allowing the reader to draw upon these forces for healing themselves and others Taoist Cosmic Healing teaches the reader how to use the major acupuncture points in the hands to activate open and balance the chi meridians throughout the body This practice allows the student to detoxify and rejuvenate the major organ systems and when combined with specific body positions and the chi kung stance to heal others Through Mantak Chia s

profound understanding of the ancient esoteric science of guiding chi energy students can learn how to harness the astral energies of specific stars Master Chia also explains the important role that compassion and positive energy play in enhancing one's ability to heal He presents for the first time in the West the details of chi kung color therapy and how it can activate and strengthen the immune system

**Kundalini Unravelled** Manblunder Manblunder, 2009-09-20 The concept of kundalini is extremely complicated Understanding the concept itself needs a lot of patience and dedication A considerable time needs to be spent on practice No amount of explanation is good enough to understand the concept The experience of kundalini may not be the same between two persons This is basically because the level of energy is not the same in everybody The energy level of a person depends on various factors such as food exercise meditation thoughts habits etc One needs to have many positive qualities a flexible body and self control All these will produce positive energies in our body These are some of the minimum requirements even to have a look at the word kundalini Kundalini energy if properly aroused becomes kinetic and explodes like a thunder accompanied by lightning It is always advisable to practice it in the presence of a learned Guru Practicing on your own will lead to serious nervous and mental complications Therefore you are sincerely advised not to try on your own any of the procedures described herein We will discuss about kundalini in simplest and understandable terms
