Hotle, 1999-02-01 **A New Believer's Bible Commentary: Genesis - Deuteronomy** Dr. Judy Barrett, 2012-10-01 The New Believer's Bible commentary is an easy to read study guide designed for people who did not grow up in the church and the people who minister to them It provides the background information needed to fully understand scripture and emphasizes what this means in a person's life In Genesis Deuteronomy the sacrifices feasts and laws are explained in a way that makes them easy to understand Older Christians may enjoy this too as it is a comfortable reminder of why you believe and a chance to revisit old friends The book shows people in a very human light that one can relate to and identify with helping us to understand how we should and should not behave and what faith truly is The Open Bible Daniel Rendelman, 2010-11-02 The Open Bible is your guide to the weekly Torah portion from a perspective focused on better understanding and applying the Word to every day life This Messianic book is massive in scope but easy to understand thanks to the writing by Daniel Rendelman With the Open Bible you know the Written Torah and the Living Torah Use the Open Bible for personal study group discussions or as an instructional guide for your class or congregation Each week you will read about the Messiah in the Torah learn how to apply the Torah to your life and find many discussion questions to aide your study Learn more at www.emetministries.org **Alive 1** S. PINK, Rev Terry Kulakowski, Editor, 2015-11-29 In several noticeable respects Hebrews differs from all the other Epistles of the New Testament The name of the writer is omitted there is no opening salutation the ones to whom it was first specifically and locally sent are not mentioned On the positive side we may note that the typical teachings of the Old Testament are expounded here at greater length than elsewhere the priesthood of Christ is opened up fully only in this Epistle the warnings against apostasy are more frequent and more solemn and the calls to steadfastness and perseverance are more emphatic and numerous than in any

other New Testament book All of these things are accounted for by the fleshly nationality of those addressed and the circumstances they were then in Unless we keep these features steadily in mind not a little in this Epistle will necessarily remain obscure and dark A Hebrew and English Lexicon Without Points John Parkhurst,1829 **The Letter to the Hebrews** Jon C. Laansma,2017-07-10 The New Testament book of Hebrews offers some of the most memorable passages of Scripture on perseverance faith rest the word of God angels divine discipline salvation the city of God and Christ Son and High Priest Much of its text has spoken with remarkable directness to peoples of all nations down through the centuries At other points it has remained a difficult argument even so it is said a riddle This is a commentary for those who want to follow what this book says follow it both in terms of understanding it and living it The book is divided into thirty seven units and each unit is discussed in terms of literary context background wording themes and possible lines for teaching the text The commentary is written for any adult reader whether they already align with Hebrews faith or are merely curious It is a serious discussion but also direct to the point and uncluttered by qualifications and technicalities Whether you are self studying or preparing to teach or lead discussion this book is prepared for you **Configurations of Rape in the Hebrew Bible** Frank M. Yamada,2008 In Configurations of Rape in the Hebrew Bible Frank M Yamada explores the compelling similarity among three rape narratives found in the Hebrew Scriptures These three stories the rape of Dinah Genesis 34 the rape of an unnamed concubine Judges 19 and the rape of Tamar daughter of David 2 Samuel 13 move through the same plot progression an initial sexual violation of a woman leads to escalating violence among men resulting in some form of social fragmentation In this intriguing study Yamada draws from the disciplines of literary and narrative criticism feminist biblical interpretation and cultural anthropology to argue for a family resemblance among these three stories about rape The Englishman's Hebrew and Chaldee concordance of the Old Testament[based on the unpubl. work of W. De Burgh, ed. by G.V. Wigram.]. George Vicesimus Wigram,1860 **The Hebrew Bible** Frederick E. Greenspahn,2008 In April of 2001 the headline in the Los Angeles Times read Doubting the Story of the Exodus It covered a sermon that had been delivered by the rabbi of a prominent local congregation over the holiday of Passover In it he said The truth is that virtually every modern archeologist who has investigated the story of the exodus with very few exceptions agrees that the way the Bible describes the exodus is not the way it happened if it happened at all This seeming challenge to the biblical story captivated the local public Yet as the rabbi himself acknowledged his sermon contained nothing new The theories that he described had been common knowledge among biblical scholars for over thirty years though few people outside of the profession know their relevance New understandings concerning the Bible have not filtered down beyond specialists in university settings There is a need to communicate this research to a wider public of students and educated readers outside of the academy This volume seeks to meet this need with accessible and engaging chapters describing how archeology theology ancient studies literary studies feminist studies and other disciplines now understand the Bible **The Englishman's Hebrew Concordance of**

the Old Testament George V. Wigram, 1996 This new edition of the standard work The Englishman's Hebrew Concordance of the Old Testament is an improved and corrected edition that features a new larger format Now coded to Strong's it is invaluable in Bible study for those who do not know Hebrew A new index of out of sequence Strong's numbers allows the reader to quickly and easily locate any word by its Strong's number The Hebrew and English indexes have been retained

Critica Hebraea, Or, A Hebrew-English Dictionary, Without Points Julius Bate, 1767 A Key to the Hebrew Scriptures James Prosser, 1854 **Thoughts on the Hebrew titles of the Psalms, and on some of those in the Septuagint, endeavouring to discover the meaning, and point out the use of them** George FENWICK (B.D.), 1749
