Pokes Of Gold:

Fortnight ,1949 **The Sunset** ,1923 *A Cheechako in Alaska and Yukon* Charlotte Cameron,1920 **Boom and Bust in the Alaska Goldfields** Steven C. Levi,2007-11-30 In this lively narrative with its numerous illustrations and photographs Steven C Levi captures the color and the riches of the Alaska Gold Rush and tells the stories of the larger than life characters who lived the adventure The Alaska Gold Rush at the end of the 19th century was the last great fit of gold fever in North America Men and women including African Americans Portuguese Japanese Italians and Chinese all rushed north Many of these adventurers died in the harsh Arctic winters or drowned in the leaky rotting ships that ferried them to the gold fields The Gold Rush created the geography of modern Alaska and brought its rich natural resources and large Native population under the eye of the American government This book says Levi is not intended to be an overview of the Alaska Gold Rush Rather it is meant to provide a myriad of glimpses into the lives of people and events of the age This is a book of popular history If you find it interesting don t thank the writer credit the 100 000 men and women who rushed north in search of the precious yellow metal a century ago Far to the north of the 48 contiguous states writes Steven C Levi is a land shrouded with the miasma of adventure It is a land of glaciers the size of some states and fish the size of some cities Its history is steeped in intrigue scoundrels abound and things that could never occur anywhere else on earth happened here It has everything one has come to expect of an exotic port and more This land is Alaska The Alaska Gold Rush at the end of the 19th century was the last great fit of gold fever in North America It promised untold riches to anyone who could get there and created a last ditch wild west culture of greed and sin a perfect haven for dreamers and scoundrels alike Men and women including African Americans Portuguese Japanese Italians and Chinese all rushed north Many of these adventurers died in the harsh Arctic winters or drowned in the leaky rotting ships that ferried the dreamers to the gold fields The Gold Rush created the geography of modern Alaska Strikes in Nome where the gold lay on the beach and anyone could reach down and pick it up Juneau Fairbanks Valdez and Kotzebue helped put Alaska on the map and brought its rich natural resources and large Native population under the eye of the American government In this lively narrative with its numerous illustrations and photographs Steven C Levi captures the color and the riches of the Alaska Gold Rush and tells the stories of the larger than life characters who lived the adventure E T Barnette for example founded his own city Fairbanks established his own bank Washington Alaska and then absconded with every dime in the vault George Hinton Henry the father of Alaska journalism was run out of every town where he tried to establish a newspaper This book says Levi is not intended to be an overview of the Alaska Gold Rush Rather it is meant to provide a myriad of glimpses into the lives of people and events of the age This is a book of popular history If you find it interesting don t thank the writer credit the 100 000 men and women who rushed north in search of the precious yellow metal a century ago **Northwest Treasure Hunter's Gem and Mineral Guide (6th Edition)** Kathy J.  in All the Circuits from the Organization of the Courts** ,1912 Golden Streams, Dangerous Dreams Shawn
 Swanky,2003 The novel Golden Streams Dangerous Dreams is the same story Shawn Swanky and the Dragon Heart Pictures
 production team made into a feature length movie in the summer of 2002 After hearing about the GSDD project or after
 seeing the movie so many people found the underlying story so entertaining enoyable and interesting that they began asking
 for copies of the script to read Screenwriter director Shawn Swanky responded with this fascinating short novel Fast moving
 and easy to read it features all the personal conflicts the vivid sketching of competing visions and the escalating drama that
 left people enjoying and thinking about the movie for days after leaving the theatre Rarely ever has a young author packed so
 much story and wisdom into such a short space Will the Anderson brothers discover Jim Richmond s buried treasure and
 emerge from the gold rush rich as princes Will the innocent Thomas be pulled along as his older brother takes ever bigger
 and increasingly more questionable risks Will Paul realize his dream or will he go mad from hurried hope and hot desire Will
 the constable arrive in time to save Claire Jim s fianc eacute e from becoming another gold rush casualty at Paul s hand And
 then among all these characters competing for the gold there is also an ever deepening conflict between different visions of
 what makes a human being rich truly rich and about what it takes to become rich In the end it is this conflict that might see
 Thomas either dead or emerging from Devil s Canyon a rich man GSDD is about the hope of living one s life as one who is
 rich It is about trying too hard to realize a dream and it explores what it means to be a rich human being Although set in gold
 rush Barkerville it is a universal story one re enacted in many settings in many times and even in our own time The digital
 revolution and the advent of the Internet is only the most recent example of a major gold rush In such an event being first
 having dumb luck making a fortunate choice or any combination of these rather than hard work diligence discipline or
 knowledge are most important in determining who has the chance to become disproportionately rich These riches flow first
 to those there to seize them not to those who would earn them deserve them or know best how to use them And then it seems
 most of those who grabbed the gold begin to loose it Thus the legacy of a gold rush is equally as well measured in the
 grotesque distortion of lives endured by so many participants and their families as it is in terms of the wealth created A story
 teller s first job is to entertain Swanky says It has been gratifying to have so many people tell me Golden Streams Dangerous
 Dreams made them both laugh and cry in the two hours it takes to read the book or watch the movie **Boys' Life** ,1958-08
 Boys Life is the official youth magazine for the Boy Scouts of America Published since 1911 it contains a proven mix of news
 nature sports history fiction science comics and Scouting **Lives of the Queens of Scotland and English Princesses**
