

POL Freewrite: Examine one marker of identity - Gender.

- How has your gender influenced who you are? How you think about yourself? How others see you?
- Give a specific example of how you understand your marker of identity, gender. (For example, have you ever been told to "act like a lady" or to "man up?" By whom? Why?)
- How does your gender intersect with one other aspect of your identity? (race, class, sexuality, size, ability etc.)
- What have these examples led you to conclude about gender as a system of privilege and oppression?
- Make a statement or conclusion about how you came to understand your gender.
