Spanning sixty five years and touching on topics from Baptist history theology ecclesiology church history and biography religious liberty Roman Catholicism and the Christian life *The Collected Writings of James Leo Garrett Jr* 1950 2015 will inform and inspire readers regardless of their religious or denominational affiliations Jungian and Psychoanalytic Perspectives on Christmas Kendrick Lyddon Norris, 2025-09-08 By examining its history traditions symbols and representation in the arts through the lens of three major schools of depth psychology Kendrick L Norris a Jungian Analyst and minister shows how better understanding of the promise of Christmas can allow us to discover what it is that we long for the most Why does the winter celebration of Christmas have such a deep rooted resonance individually and collectively This extensively researched book clearly and engagingly articulates the soul reasons why this holiday has such a significant impact on the human psyche The work begins with an explanation about how depth psychology can be used to understand the Christmas phenomenon followed by an investigation into the origins and symbols of Christmas The book closes by delving into the soul meaning of Christmas through the perspectives of Freud Kohut and Jung This thought provoking volume will appeal to Jungian Analysts psychoanalysts and psychotherapists as well as those interested in religion and its relation to depth psychology **Dialectical Democracy through Christian Thought** D. Brockman, 2016-04-29 *Dialectical Democracy through Christian Thought* offers an accessible yet theologically groundbreaking intervention into the battle over the role of government in the market This book shows that the fight over policy involves a fundamental disagreement about who we are as human beings independent individuals or essentially social creatures Systematic Theology, Volume 1, Fourth Edition James Leo Garrett, 2014-09-14 Rivals the major systematic theologies of this century Baptist History and Heritage Journal July 1996 One of the characteristics of Garrett's system that needs especially to be noted is its balanced judicious and nearly invariably objective presentation of materials While holding true to the teachings of his own Baptist faith Garrett so carefully and judiciously presents alternatives that teachers and students from other confessional and denominational positions will find his work instructive Consensus 1997 If one is searching for an extensive exposition of the biblical foundations and historical developments of the various loci of systematic theology there is no more complete presentation in a relatively short work than this Pastors will especially find this feature to be a real help in teaching theology It is an indispensable contribution to the task of systematic theology Journal of the Evangelical Theological Society September 1999 Many students and pastors will find all they need here and will in addition be helped to relate their knowledge to recent developments in the theological world The Churchman A Journal of Anglican Theology 1991 A gold mine of helpful material The Christian Century May 29 June 5 1991 No book that I know is more loaded with biblical and theological facts than this one The prodigious research that must have gone into the preparation of this volume is truly mind boggling Faith and Mission Fall 1991 Garrett has provided a massive and scholarly systematic theology from a thoroughly conservative and comprehensive viewpoint The work is well documented in both biblical and historical scholarship and will prove to be a classic William Hendrickson

Southern Baptist Theological Seminary One of the most comprehensive concise books of its type available it should receive wide use in the classroom and in the study Robert H Culpepper Southern Baptist Theological Seminary Christian Theology, Volume Two Thomas N. Finger, 2020-03-09 This is one of the first systematic theologies written from a believer's church chiefly an Anabaptist Mennonite perspective Dr Finger develops his themes throughout the volume in careful dialogue with Reformed Lutheran Roman Catholic and other historic approaches The eschatological approach taken by Finger does not represent a fixation on future events Rather it represents a method of inquiry based on the early Christian conviction that the last things had already occurred through Jesus even though their effects were not yet fully realized Chief among these were the resurrection of the dead the outpouring of the Spirit the coming of God's kingdom and the defeat of the powers of evil After outlining this vantage point Volume I considered eschatology revelation and the work of Christ in its light Volume II begins with anthropology Jesus human work provides the norm for authentic human being Justification comes next and is considered as the eschatological revelation and actualization of God's righteousness through the faithfulness of Jesus Christ After treating the dynamics of personal sanctification Dr Finger explores the context within which it is pursued the church His ecclesiology begins with mission including its approach to non-Christian religions and the sociopolitical realm Volume II ends where most systematic theologies begin with God including the humanity and deity of Jesus Christ Thomas N Finger has undertaken an important task that is rarely attempted the production of a constructive systematic theology informed by judicious dialogue with current biblical scholarship Finger's methodological decision to adopt an eschatological approach enables him to work formally as well as materially from within a perspective shaped by the NT writers his innovative organization of the loci of Christian doctrine with its emphasis on the church as a community of believers living out the tensions between Christ's resurrection and Parousia is a direct result of taking the NT seriously Particularly noteworthy is his exposition of the doctrine of justification in the light of recent paradigm shifts in Pauline studies Finger's book is a productive and edifying work for all who care about the ongoing conversation between Scripture and systematics Richard Hays Duke Divinity School Thomas N Finger has chosen an approach to the systematic presentation of Christian Theology which I also have taken since the publication of my Theology of Hope in 1964 He begins with the goal with eschatology With that goal in mind a new light is cast on every single doctrine of Christian theology the light of redemption and the work of the theologian becomes a labor of hope This is a theology of the way With the kingdom of God kept steadily in view it becomes an invitation to walk the way of Jesus Tom Finger's theological prospectus makes a brilliant contribution to ecumenical theological dialogue from the Anabaptist tradition He offers an eschatologically oriented theology for which I can only congratulate him Jurgen Moltmann Professor of Theology University of Tubingen This volume is not only a contribution to the contemporary discussions in systematic theology It is also an important ecumenical breakthrough The Anabaptist tradition stands as an important dialogue partner in the quest for a common ground in the Christian faith Finger

approaches the biblical faith from an eschatological viewpoint that is faithful to the Anabaptist tradition but in dialogue with Roman Catholic classical Protestant and contemporary scholars in both of these traditions He has begun a substantive conversation that will be important into the twenty first century Jeffrey Gros Former Director of the Commission on Faith Order National Council of Christian Churches USA **Pastoral Counseling Across Cultures** David W.

Augsburger,1986-01-01 In this book David Augsburger discusses the dynamics of pastoral care and counseling across cultural lines Augsburger combines theology with global perspective and cultural sensitivity to posit an inclusive understanding of pastoral care This book will be of great interest to pastoral counselors in both academic and practical contexts *Spirit, Word, Community* Amos Yong,2006-01-31 The main thesis of Spirit Word Community is that Christian theological reflection in a postmodern world starts with the experience of the Holy Spirit but is at the same time post foundationalist in terms of being formed by the word and being adjudicated by various communities of interpretation Yet the book s hermeneutical and methodological proposals are not merely prolegomena to theology but already involve and assume theologically substantive claims derived from a pneumatological point of view Hence this is a pneumatological theology which illuminates the hermeneutical process precisely by showing how the Holy Spirit engages the human imagination to empower liberative practices in a world that remains graced by her presence and activity Spirit Word Community is meant in each of these senses to be a contribution to the formulation of a comprehensive theology of the Third Article for the twenty first century **The Renaissance New Testament** Yeager, Dr. Randolph,1998-12-31 The Renaissance New Testament is a monumental 18 volume work more than fifty years in the making Randolph O Yeager has realized here a lifelong dream and created one of the most important biblical works of the twentieth century It offers The King James Version verse by verse The Yeager translation Exhaustive Greek English concordance Lexicographical analysis Each Greek word in order of occurrence Grammatical identification The Greek text verse by verse The literal meaning A harmony of the Gospels Commentary Each volume contains approximately 600 pages with the complete set totaling more than 10 000 pages A true Renaissance man Dr Yeager holds a Ph D in American history took his seminary training at Northern Baptist Theological Seminary in Chicago and is a former university professor He has twelve years of experience as an evangelist and has spoken at Bible conferences in forty five states In 1988 the Laymen s National Bible Committee honored Yeager with a Citation of Appreciation for outstanding service to the Bible cause Publishers Weekly featured an article on Yeager and the completion of The Renaissance New Testament in its 1985 Spring Religious Books issue **Facing the Distracters of the Soul , The Calling from God** Dr. Lowell Hardy,2018-05-11 The Calling from God shares an in depth analysis of various callings to individuals to preach from a biblical standpoint It comes in unique ways for each individual So the exact nature of the calling from God is difficult at best to describe for it does not lend itself to any private interpretation especially to someone not privy to the calling Within the text the reader will learn about the struggles of various people with God and within themselves All

experiences are coercing demanding and cajoling for sure However the one called has to determine within oneself what Gods will is for him herself The Calling from God will serve as a guide to those seeking answers about their possible destiny The book takes the approach that many are called but only a few answer because of uncertainty The book will help one decide what to do based on their life changing experiences with the power of the Lord Jesus Christ The ones called must make sure of their calling for there is much to do since the harvest is great This book shows in detail some of the preparation needed as one grows in service to the calling from God All Christians are called by God the Father to be witnesses of his resurrection power by grace through faith in the Lord Jesus Christ For sure a call in any form lays a heavenly claim upon the one called This book helps one understand the calling from God and will help one reach a sound decision based on their life and experiences in comparison to selected biblical callings The Calling from God will serve as a reference manual and a valuable source of information for anyone thinking about answering or has answered the call from God The decision to serve is very personal as you will learn from the book The Calling from God and many biblical examples If you are struggling with the decision to serve or not to serve this book is for you You will know after reading The Calling from God if you are one of the few chosen to serve and trust Gods wisdom in leading you to point others to the uplifted Christ Will you answer the call from God The alternative is to wrestle with the Spirit as conviction works slowly and agonizingly in the soul This book is a must read

A Rebirth for Christianity Alvin Boyd Kuhn, 2014-05-27 The search to uncover the hidden origins of Christianity and discover its true message has become a current topic of fascination for many readers People are eager to know the truths behind the biblical legends and the mysteries that created Christian rites ceremonies and codes of behavior Kuhn argues that the sacred scriptures of Judaism and Christianity do not portray historical truths but symbolic and mystical metaphors The spiritual truth encoded in scripture says Kuhn is far more important than its literal narrative Kuhn s research provides a clear understanding of the allegorical interpretations of the scriptures and their significance to a deeper more profound Christianity He traces the historical and philosophical origins of Christian thought to illustrate that Jesus was one of many incarnations of an enduring archetype that has surfaced in many religions In fact those who wrote the scriptures may have never even intended the focus to be on Jesus the man Moreover Kuhn investigates the problems psychological spiritual and otherwise that result from a purely historical interpretation of Jesus In doing so Kuhn reclaims the mystical power at the core of Christianity s message which has to do with the birth of the inner Christ and the emergence of divine consciousness in humanity

Politics, Polarity, and Peace , 2023-05-08 The arguments within the contemporary literature paint a clear picture popular discourse is marked with extreme partisanship and polarization threatening democracy tolerance diversity pluralism and cooperation Polarization simplifies and deforms language ideas and people Polarization reduces the complexities of social life into an oppositional binary based on crude distinctions revolving around partial and harmful reified conceptions of self and other Since the egocentric us versus them narratives catalyze conflicts which tend to violence

polarization is itself a cause of violence The project of peace then is aided by the project of depolarization But what can we do to bring about a transformation away from polarity to peace What are the real polarities obscuring the path to peace Is it a question of freedom versus control Is it one of absolutism versus open mindedness Is it good versus evil In a time of increasingly poisonous national politics widening tribal polarity and fragmented and fragmenting communities what sense does it even make to appeal to reason discourse and compromise The authors in this volume attempt to answer these and other questions relating to polarity and politics in the pursuit of peace and justice the guiding ideals of the Concerned Philosophers for Peace and Brill s Philosophy of Peace series History and Belief Robert Eric Frykenberg,1996 In this study of the relationship between history and belief the author shows how our underlying commitments whether religious or ideological determine which events we find significant enough to remember as history yet how those same beliefs distort our understandings of events leaving them incomplete and contingent Proclaim Liberty! C. Welton Gaddy,1975 **The New Freedom of Forgiveness** David Augsburger,2000-03-13 Seventy times seven how many times shall I forgive Our Lord answers us clearly that our forgiveness of those who hurt us shall have no end This is one of the most difficult things any person has to face David Augsburger understands this He knows the outrageous cost and incomparable value of forgiving He also knows this is a believer s only option Any other course of action will not only be destructive it will violate the will of God In The New Freedom of Forgiveness Dr Augsburger expands upon his classic writing to provide a more comprehensive expanded and stronger message Combining personal testimonies with Scripture Dr Augsburger provides readers with practical guidance on applying forgiveness in our everyday lives With an excellent new study guide readers will be challenged on an even deeper level We are commanded to forgive everything Not just the little stuff the minor irritations and thoughtless behavior of others but everything When we forgive we are set free from bondage The New Freedom of Forgiveness is an essential resource not only for understanding what God requires but also learning how to apply it every day Read this life changing book and discover the freedom of forgiveness
