**Polemics and Prophecies, 1967-1970** Isidor F. Stone,1972      Polemics and prophecies, 1967-1970 Isidor Feinstein Stone,1970      **Polemics and prophecies, 1967-70** Isidor Feinstein Stone,1970      Polemics and Prophecies: 1967 - 1970 I. F. Stone,1989-11-08 A collection of newspaper columns from the late 1960s in which Stone turns his attention to the most turbulent period of our recent past This period included the Vietnam War the Tet offensive and the US intervention in Cambodia      Polemics and Prophecies 1969-1970 Isidor Feinstein Stone,1970      **Hidden Polemics in Biblical Narrative** Amit,2022-07-04 In current usage polemics is broadly defined as the practice of rhetorical persuasion or as the rhetorical presentation of an argument in dispute The phenomenon of polemics is found throughout the whole corpus of biblical literature In most instances the polemics is direct but sometimes indirect and occasionally it appears to be deliberately covert This book is primarily concerned with exploring the phenomenon of covert polemics Dealing first with considerations of method definition and characterization the study moves on to the analysis of a number of narrative texts and the uncovering of their covert polemical content Polemics of this type is a feature of biblical writing on a range of central issues and can be instructively isolated in texts relating to cultic locations Beth El Jerusalem questions of leadership the houses of Saul and David community boundaries the Samaritans and other problems of legitimation      **The Polemics of Libertine Conversion in Pascal's Pensées** John F. Boitano,2002      **The Lions' Den** Susie Linfield,2019-03-26 A lively intellectual history that explores how prominent midcentury public intellectuals approached Zionism and then the State of Israel itself and its conflicts with the Arab world In this lively intellectual history of the political Left cultural critic Susie Linfield investigates how eight prominent twentieth century intellectuals struggled with the philosophy of Zionism and then with Israel and its conflicts with the Arab world Constructed as a series of interrelated portraits that combine the personal and the political the book includes philosophers historians journalists and activists such as Hannah Arendt Arthur Koestler I F Stone and Noam Chomsky In their engagement with Zionism these influential thinkers also wrestled with the twentieth century s most crucial political dilemmas socialism nationalism democracy colonialism terrorism and anti Semitism In other words in probing Zionism they confronted the very nature of modernity and the often catastrophic histories of our time By examining these leftist intellectuals Linfield also seeks to understand how the contemporary Left has become focused on anti Zionism and how Israel itself has moved rightward      *Prophetic Rivalry, Gender, and Economics* Olivia Stewart Lester,2018-07-16 Olivia Stewart Lester examines true and false prophecy at the intersections of interpretation gender and economics in Revelation Sibylline Oracles 4 5 and contemporary ancient Mediterranean texts With respect to gender these texts construct a discourse of divine violence against prophets in which masculine divine domination of both male and female prophets reinforces the authenticity of the prophetic message Regarding economics John and the Jewish sibyllists resist the economic actions of political groups around them especially Rome by imagining an alternate universe with a new prophetic economy In

this economy God requires restitution from human beings whose evil behavior incurs debt The ongoing appeal of prophecy as a rhetorical strategy in Revelation and Sibylline Oracles 4 5 and the ongoing rivalries in which these texts engage argue for prophecy's continuing significance in a larger ancient Mediterranean religious context

Forgery and Counterforgery Bart D. Ehrman,2012-12-07 Arguably the most distinctive feature of the early Christian literature writes Bart Ehrman is the degree to which it was forged The Homilies and Recognitions of Clement Paul s letters to and from Seneca Gospels by Peter Thomas and Philip Jesus correspondence with Abgar letters by Peter and Paul in the New Testament all forgeries To cite just a few examples Forgery and Counterforgery is the first comprehensive study of early Christian pseudepigrapha ever produced in English In it Ehrman argues that ancient critics pagan Jewish and Christian understood false authorial claims to be a form of literary deceit and thus forgeries Ehrman considers the extent of

the phenomenon the intention and motivations of ancient Greek Roman and Jewish forgers and reactions to their work once detected He also assesses the criteria ancient critics applied to expose forgeries and the techniques forgers used to avoid detection With the wider practices of the ancient world as backdrop Ehrman then focuses on early Christian polemics as various Christian authors forged documents in order to lend their ideas a veneer of authority in literary battles waged with pagans Jews and most importantly with one another in internecine disputes over doctrine and practice In some instances a forger directed his work against views found in another forgery creating thereby a counter forgery Ehrman s evaluation of polemical forgeries starts with those of the New Testament nearly half of whose books make a false authorial claim up through the Pseudo Ignatian epistles and the Apostolic Constitutions at the end of the fourth century Shining light on an important but overlooked feature of the early Christian world Forgery and Counterforgery explores the possible motivations of the deceivers who produced these writings situating their practice within ancient Christian discourses on lying and deceit
