Poles The We Came To North America:

Polish Immigrants, 1890-1920 Rosemary Wallner, 2003 Discusses the reasons Polish people left their homeland to come to America the experiences the immigrants had in the new country and the contributions this cultural group made to American society Includes sidebars and activities *A Voyage towards the South Pole and Round the World* James Cook, 2018-09-20 Reproduction of the original *A Voyage towards the South Pole and Round the World* by James Cook

Soviet Life, 1978 **My Attainment Of The Pole** Frederick Cook, 2024-01-19 My Attainment of the Pole is a controversial account written by Frederick A Cook claiming to be the first person to reach the North Pole Published in 1911 Cook details his alleged journey providing descriptions of the harsh Arctic conditions challenges faced and the ultimate triumph of reaching the pole However Cook s claim faced skepticism and scrutiny from other explorers and scholars of the time most notably Robert E Peary who also asserted to have reached the North Pole The conflicting narratives and lack of concrete evidence have led to a historical debate over the legitimacy of Cook s achievement Despite the controversy surrounding Cook s claim My Attainment of the Pole remains an intriguing document offering readers insight into the intense competition and disputes that characterized the race to the North Pole during the early 20th century **Popular**

eleven o clock a m we saw land bearing N W which upon a nearer approach we found to be a low reef island about four leagues in compass and of a circular form It is composed of several small patches connected together by breakers the largest lying on the N E part This is Howe Island discovered by Captain Wallis who I think sent his boat to examine it and if I have not been misinformed found a channel through within the reef near the N W part The inhabitants of Ulietea speak of an uninhabited island about this situation called by them Mopeha to which they go at certain seasons for turtle Perhaps this may be the same as we saw no signs of inhabitants upon it Its latitude is 16 46 S longitude 154 8 W *Mom Entitled* CCP Berry,2025-06-22 She began life in a Japanese prison camp in Indonesia a child shaped by hunger fear and silence After the war she was uprooted first to the Netherlands a country she had never seen but was told to call home and then again to Canada where survival meant starting over once more Each move left invisible scars building a woman who carried both beauty and unhealed wounds Mom Entitled is a memoir of that complicated woman adored impossible and emotionally unreachable Her best friend later revealed that she had once been given a diagnosis of borderline personality disorder but she never pursued it At the time I thought of her instead as an emotionally immature parent not narcissistic because she could be deeply caring but caught in painful cycles of love and withdrawal generosity and volatility She was the ugly duckling who grew into a beauty and bellydance became her passion and her revenge against sisters who once mocked her It was both her freedom and her armour a way of reclaiming herself in a world that had taken so much The book traces how war trauma does not stop with one generation It shows how the psychological weight of uprooting from Indonesia to the Netherlands to Canada seeped into family life shaping children as much as it had shaped her Silence sudden shifts and the need to survive became the language of our home And yet with distance what remains for me is not anger but empathy Four months after writing I see her less as the impossible figure of my childhood and more as a survivor of impossible circumstances Mom Entitled closes not in bitterness but in recognition of a woman who endured who danced and who carried silence and sadness she could never escape **Review of Popular Astronomy** ,1914 *The Monthly Evening Sky Map* ,1912 The Review of Popular Astronomy ,1913 **The Temple of Education** Thomas Elford POYNTING,1851 *Scribner's Magazine* Edward Livermore Burlingame,Robert Bridges,Alfred Sheppard Dashiell,Harlan Logan,1901 **Scribner's Magazine ...** ,1901 *Brief Course in Geography* David M.
