Police And Citizen Perceptions Of Police Power

Lawrence F. Travis III

Police And Citizen Perceptions Of Police Power:

Police and Citizen Perceptions of Police Power Gina Robertiello, 2004 This book explores the perceptions of police power by citizens and by the police officers themselves Using a multi variant survey on police citizen interactions in the urban environment of New Jersey the author brings into focus the difficulties involved in police citizen encounters where the application of police discretion and power is often cognitively and behaviorally misunderstood within larger community understandings

Police and Citizen Perceptions of Police Power Gina Pisano-Robertiello, 2000 *Evidence-Based Practice Manual* Albert R. Roberts, Kenneth Yeager, 2004-01-15 This book provides an interdisciplinary approach summarising the key elements issues concepts and procedures in developing and applying evidence based practice Discussions include programme evaluation quality and operational improvement strategies research grant applications utilising statistical procedures and more

Measuring Police Subcultural Perceptions Zheng Chen, 2015-11-21 Using survey data collected from 382 Chinese police officers training in a Chinese police university this research is the first empirical study to describe Chinese police perceptions of subcultural topics including the role of crime fighting and community service cynicism isolation solidarity receptivity to change and traditionalism This book describes the research method adopted in this study and the findings together with comparisons with Western police cultural studies In addition it covers an extensive review of Chinese policing history and evolution of policing strategies and a review of police subcultural themes and their potential determinants on the basis of Western studies making it both beneficial and of interest for researchers and practitioners who would like to know more about contemporary policing in China This book provides readers with insights into a little investigated area of policing the perceptions of Chinese frontline police It also makes it easy to compare the similarities and differences between police perceptions in China and the West

Routledge Handbook of Evidence-Based Criminal Justice Practices Edelyn Verona, Bryanna Fox, 2023-10-31 Now more than ever the criminal justice system and the programs policies and practices within it are subject to increased public scrutiny due to well founded concerns over effectiveness fairness and potential unintended consequences One of the best means to address these concerns is to draw upon evidence based approaches demonstrated to be effective through empirical research rather than through anecdote standard practice or professional experience alone National Institute of Justice 2011 The goal of this book is to describe the most useful actionable and evidence based solutions to many of the most pressing questions in the criminal justice system today Specifically this edited volume contains brief and accessible summaries of the best available research alongside detailed descriptions of evidence based practices across different areas of the criminal justice system It is written so that practitioners and researchers alike can use the text as reference tool in their work and in training the new generation of individuals working to improve the system Researchers and practitioners in many areas of criminal justice crime prevention policing courts prosecution defendants judges corrections sanctions and sentencing can reference specific chapters in this book to guide

their policy and practice decisions Although theory is a guide for the practices described the chapters will address practical issues in implementation and action This book overcomes the limitations of previous criminal justice practice books in that it is written as a practice resource and reference guide and spans practices and policies across different sectors of the criminal justice system from prevention to policing to sanctions and corrections Each chapter contains a list of action items based upon the best available scientific research that can be implemented in practice to address key issues and long standing challenges in the criminal justice system

Police Corruption in Comparative Perspective George Chak Man

Lee,2019-08-08 How has rapid economic modernization in China and India impacted upon policing To what extent are the two police forces trusted by its citizens Do the police carry out their duties in a fair and unbiased fashion What does police corruption look like and why does it persist And what are the influencing factors in decision making at the moments of truth Filling the lacuna of research into the police in China and India this book offers a unique comparative study of the prevalence nature and organization of police corruption in these countries This book provides key insights into the relationships between rapid economic modernisation urbanisation and crime and its effects on police organisational culture and behaviour as well as on ethical decision making Moreover this book performs an audit on which country is better placed to tackle corruption and professionalise their police service It offers a major contribution to comparative research on criminal justice It is essential reading for all policing scholars and will be of interest to students of criminology social and political sciences development studies Asian studies and post colonial studies

Police-Citizen Relations Across the World Dietrich Oberwittler,Sebastian

Roché,2017-10-02 Police citizen relations are in the public spotlight following outbursts of anger and violence Such clashes often happen as a response to fatal police shootings racial or ethnic discrimination or the mishandling of mass protests But even in such cases citizens assessment of the police differs considerably across social groups This raises the question of the sources and impediments of citizens trust and support for police Why are police citizen relations much better in some countries than in others Are police minority relations doomed to be strained And which police practices and policing policies generate trust and legitimacy Research on police legitimacy has been centred on US experiences and relied on procedural justice as the main theoretical approach This book questions whether this approach is suitable and sufficient to understand public attitudes towards the police across different countries and regions of the world This volume shows that the impact of macro level conditions of societal cleavages and of state and political institutions on police citizen relations has too often been neglected in contemporary research Building on empirical studies from around the world as well as cross national comparisons this volume considerably expands current perspectives on the sources of police legitimacy and citizens trust in

the police Combining the analysis of micro level interactions with a perspective on the contextual framework and varying national conditions the contributions to this book illustrate the strength of a broadened perspective and lead us to ask how specific national frameworks shape the experiences of policing

Policing Criminality and Insurgency in Africa Dawud Muhammad Dawud,Usman A. Tar,2022-11-14

Policing Criminality and Insurgency in Africa Perspectives on the Changing Wave of Law Enforcement provides critical insights into the trends and patterns of crime and insurgency in contemporary African society In Africa criminals and insurgents are becoming more resourceful smart and connected as criminal syndicates are increasingly deploying modern technologies to commit crimes in ways and manners that are profoundly daring and on a transnational and global scale Meanwhile the capacity of local state and security forces to stem the tide of crimes and insurgencies is decimated by dwindling resources on the part of the state due to official corruption down sizing of public institutions and a fierce competition for resources between security and other developmental agencies In this volume the contributors who are expert academics in policing and security in Africa as well as security practitioners provide detailed explanations of the new wave of crime characterized by cyber insecurity terror financing the proliferation of small arms and light weapons and transnational networking among criminal syndicates The volume forensically explores how these complex waves and emerging trends of criminality and insurgency impact on the socio economic and political development of Africa Editors Usman A Tar and Dawud Muhammad Dawud highlight how these factors affect and shape policing and law enforcement in an era of smart crimes and insurgency within the continent

Race, Ethnicity, and Policing Stephen K Rice,Michael D White,2010-03-01

From Rodney King and driving while black to claims of targeting of undocumented Latino immigrants relationships surrounding race ethnicity and the police have faced great challenge *Race Ethnicity and Policing* includes both classic pieces and original essays that provide the reader with a comprehensive even handed sense of the theoretical underpinnings methodological challenges and existing research necessary to understand the problems associated with racial and ethnic profiling and police bias This path breaking volume affords a holistic approach to the topic guiding readers through the complexity of these issues making clear the ecological and political contexts that surround them and laying the groundwork for future discussions The seminal and forward thinking twenty two essays clearly illustrate that equitable treatment of citizens across racial and ethnic groups by police is one of the most critical components of a successful democracy and that it is only when agents of social control are viewed as efficient effective and legitimate that citizens will comply with the laws that govern their society The book includes an introduction by Robin S Engel and contributions from leading scholars including Jeffrey A Fagan James J Fyfe Bernard E Harcourt Delores Jones Brown Ramiro Mart nez Jr Karen F Parker Alex R Piquero Tom R Tyler Jerome H Skolnick Ronald Weitzer and many others

Handbook of Scales for Research in Crime and Delinquency Stanley L. Brodsky,H. O'Neal Smitherman,2013-06-29

In contrast to the great

diversity of other crime and delinquency research measures those drawn from the CPI and the MMPI have much in common. They are taken from standardized instruments administered under controlled conditions with known stimulus properties and validity indicators. The CPI and MMPI measures will frequently be instruments of choice in research on personality and psychodynamics of offenders.

CHAPTER 6 Law Enforcement and Police This chapter encompasses a variety of scales that refer to law enforcement or police agencies. Unfortunately in the case of many scales these terms are used simply with the assumption that the respondents understand the concepts and use them in the same way as researchers. In other cases however specific policing functions are identified and described. As noted in Chapter 3 a standard order of scale presentation is followed. First the attitudes scales are presented followed by the behavior ratings, personality measures, milieu ratings, prediction measures and finally the very broad category of description. After the reviews are completed within each subcategory other scales in that category are listed. See Chapter 2 for a description of the criteria that were used in deciding upon whether a scale would be reviewed or simply listed. Listed scales are presented by title and bibliographic reference followed by a very brief description.

Police in America Steven G. Brandl, 2020-01-07 Grounded in evidence based research *Police in America* provides a comprehensive and realistic introduction to modern day policing in the United States. This reader friendly text helps students understand best practices in everyday policing and think critically about the many misconceptions of police work. Author Steven G. Brandl draws from his experience with law enforcement to emphasize the positive aspects of policing without ignoring its controversies. Brandl tackles important topics that center on one question: What is good policing? Included are discussions of discretion, police use of force and tough ethical and moral dilemmas giving students a deeper look into the complex issues of policing to help them think more broadly about its impact on society. This title is accompanied by a complete teaching and learning package.

Fundamentals of Research in Criminology and Criminal Justice Ronet D. Bachman, Russell K. Schutt, Peggy S. Plass, 2015-12-19 *Fundamentals of Research in Criminology and Criminal Justice* With Selected Readings by well known researchers Ronet D. Bachman, Russell K. Schutt and Peggy S.
