McCamey,2010-12-09 Focusing on the thought provoking contemporary issues that underscore the challenging world of policing this easy to understand text balances theory research and practice to give students a comprehensive overview of both the foundations of policing and the expanded role of today s police officers The engaging writing style and stories from the field coupled with unique coverage of the issues of policing in multicultural communities the impact of globalization on policing make this book a must have for policing courses

Introduction to Policing Maria R. Habermfeld,Charles Lieberman,Amber Horning,2014 Introduction to Policing The Pillar of Democracy is an introductory textbook focused on the underlying reasons why policing is conducted the way it is why police officers police the society in the manner they do and finally why law enforcement is perceived and criticized by the public the way it is As indicated in the title the book weaves the themes of democratic principles into the chapters Through addressing the basic blocks of fair and professional policing the understanding of democracy from the prism of certain police actions or inactions becomes comprehensible from a very pragmatic perspective Other introductory policing textbooks simply concentrate on the functions of policing or on the processes that cause officers to feel the way they

do but without explanations of police functions in democratic societies Whether democracies are developed or are developing they consistently provide more freedoms for their citizens than others The basic principle of the majority rule which is based on elections that are procedurally and substantively fair is the rule of thumb around which certain themes of this text will be addressed Civil rights civil liberties and due process embed many of the operational realities of policing Whether one addresses notions such as use of force search and seizure discretion sub culture or intelligence gathering it is always done from the perspective of the need to preserve precisely these themes which are part of the human rights and civil rights concepts which underlie any type of a democratic society The following Teaching Materials are available electronically Multiple choice True False Short Answer test banks in Word txt or pdf format Blackboard and Moodle formats also available Other LMS formats may be available specify test bank type in your request Test Bank also available through Respondus Two sets of PowerPoints are available to adopters Set one contains material from the book ideal for online instructors View sample slides here Set two is more supplemental less repetition of book material View sample slides here Email bhall cap press com for more information

Policing John S. Dempsey,1994 [Introduction to Policing](#) Chernoh Wurie,2021-03-24 Introduction to Policing Perceptions Versus Reality provides students with a comprehensive and insightful overview of the policing profession The text combines scholarly research and accounts from the author s personal experience as a police officer to provide a balanced and authentic look into the everyday realities of the law enforcement profession The opening chapter explores the history and evolution of policing detailing key players and significant eras that have advanced the profession Later chapters outline historical and contemporary perceptions of policing including common viewpoints from specific populations and the efforts many organizations have undertaken to rebuild trust and positive perception in the police Students learn about the requirements and process for becoming a police officer the basics of law enforcement administration and how police organizations interact with homeland security The text closes with chapters that discuss legal procedures professionalism and future initiatives The revised first edition includes a new chapter titled Policing in the 21st Century which discusses citizens review boards choke holds no knock warrants the Community Policing Act calls to disband the police and other contemporary developments within the discipline Equal parts academic and engaging Introduction to Policing is an ideal resource for foundational courses in criminal justice law enforcement and policing

The Police in America Samuel Walker,Charles M. Katz,2008 The Police in America provides a comprehensive introduction to the foundations of policing in the United States today Descriptive and analytical the text is designed to offer undergraduate students a balanced and up to date overview of who the police are and what they do the problems they face and the many reforms and innovations that have taken place in policing Using timely articles and excerpts the authors take readers beyond the headlines and statistics to present a comprehensive and contemporary overview of what it means to be a police officer

Policing America Ken J. Peak,2014-01-14 This instructor and student friendly engaging text covers the most current
