Antiracism Inc Felice Blake,2019 Antiracism Inc considers new ways of struggling toward racial justice in a world that constantly steals and misuses radical ideas and practices The critical essays interviews and poetry collected here focus on people and methods that do not seek inclusion in the hierarchical order of gendered racial capitalism Rather they focus on aggrieved peoples who have always had to negotiate state violence and cultural erasure but who also work to build the worlds they envision These collectivities seek to transform social structures and establish a new social warrant guided by what W E B Du Bois called

abolition democracy a way of being and thinking that privileges people mutual interdependence and ecological harmony over individualist self aggrandizement and profits Further these aggrieved collectivities reshape social relations away from the violence and alienation inherent to gendered racial capitalism and towards the well being of the commons Provided by publisher **Billboard** ,1982-02-27 In its 114th year Billboard remains the world s premier weekly music publication and a diverse digital events brand content and data licensing platform Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music video gaming media digital and mobile entertainment issues and trends
