Policing Soviet Society:

Policing Soviet Society Louise Shelley, 2005-08-02 The first book to look in depth at the Soviet militia A crucial aid to understanding the authoritarianism of the communist system and its legacy for Russia and the successor states Policing Soviet Society Louise Shelley, 2005-08-02 Since its creation immediately after the Russian revolution the militia has had a broad range of social political and economic functions necessary to direct and control a highly centralized socialist state However as the communist party lost its legitimacy the militia was increasingly thrust into the front line of political conflict A task it was unsuited to perform Despite the efforts of perestroika to reform it the collapse of the Soviet state also led to the collapse of morale within the militia Louise Shelley provides a comprehensive view of the history development functions personnel and operations of the militia from its inception until after the demise of the Soviet state The militia combined elements of continental socialist and colonial policing Its functions and operations changed with the development of the state yet it always intervened significantly in citizens lives and citizens were very much involved in their own control Over time the militia became more removed from politics and more concerned with crime control but it always remained a tool of the party This is the first book to analyze the militia which was one of the most vital elements of control within the Soviet State It will be a crucial aid to understanding the authoritarianism of the communist system and its legacy for Russia and the successor states Louise I Shelley is Professor at the Department of Justice Law and Society and the School of International Service at the American University Washington D C **Policing Stalin's Socialism** David R. Shearer, 2014-05-14 Policing Stalin's Socialism is one of the first books to emphasize the importance of social order repression by Stalin's Soviet regime in contrast to the traditional emphasis of historians on political repression Based on extensive examination of new archival materials David Shearer finds that most repression during the Stalinist dictatorship of the 1930s was against marginal social groups such as petty criminals deviant youth sectarians and the unemployed and unproductive It was because Soviet leaders regarded social disorder as more of a danger to the state than political opposition that they instituted a new form of class war to defend themselves against this perceived threat Despite the combined work of the political and civil police the efforts to cleanse society failed this failure set the stage for the massive purges that decimated the country in the late 1930s World Criminal Justice Systems Richard J. Terrill, 2015-10-30 World Criminal Justice Systems Ninth Edition provides an understanding of major world criminal justice systems by discussing and comparing the systems of six of the world's countries each representative of a different type of legal system An additional chapter on Islamic law uses three examples to illustrate the range of practice within Sharia Political historical organizational procedural and critical issues confronting the justice systems are explained and analyzed Each chapter contains material on government police judiciary law corrections juvenile justice and other critical issues The ninth edition features an introduction directing students to the resources they need to understand comparative criminal justice theory and methodology The chapter on Russia includes consideration of the

turmoil in post Soviet successor states and the final chapter on Islamic law examines the current status of criminal justice systems in the Middle East *Migration and Identity in Central Asia* Rano Turaeva, 2015-11-19 This book is an ethnographic and sociolinguistic study of Uzbek migrants in the capital city of Uzbekistan The ethnographic details of the book represent post Soviet urban realities on the ground where various forms of belonging clash and kinship ties are reinforced within social safety networks Theoretically it challenges the existing theories of identity and identification which often considered the relations between We and Them taking the We for granted The book offers in depth insights into the communication strategies of migrants the formation of collective consciousness and the relations within the We domain Constructed around contradictions regarding Uzbek identity and how various groups relate to one another as different ethnic groups the theoretical argument of the book is built through such methods and analytical tools as strategic rhetoric and discourse analysis communication and identity theories and the analysis of power and dependence The book will be of interest to students and scholars of Central Asian Studies Migration Studies and Central Asian Culture and Society Civilizing Security Ian Loader, Neil Walker, 2007-04-19 Security has become a defining feature of contemporary public discourse permeating the so called war on terror problems of everyday crime and disorder the reconstruction of weak or failed states and the dramatic renaissance of the private security industry But what does it mean for individuals to be secure and what is the relationship between security and the practices of the modern state In this timely and important book Ian Loader and Neil Walker outline and defend the view that security remains a valuable public good They argue that the state is indispensable to the task of fostering and sustaining liveable political communities in the contemporary world and thus pivotal to the project of civilizing security This is a major contribution by two leading scholars in the field and will be of interest to anyone wishing to deepen their understanding of one the most significant and pressing issues of our times

Comparative, International, and Global Justice Cyndi Banks, James Baker, 2015-09-23 *Comparative International and Global Justice Perspectives from Criminology and Criminal Justice* presents and critically assesses a wide range of topics relevant to criminology criminal justice and global justice The text is divided into three parts comparative criminal justice international criminology and transnational and global criminology Within each field are located specific topics which the authors regard as contemporary and highly relevant and that will assist students in gaining a fuller appreciation of global justice issues Authors Cyndi Banks and James Baker address these complex global issues using a scholarly but accessible approach often using detailed case studies The discussion of each topic is a comprehensive contextualized account that explains the social context in which law and crime exist and engages with questions of explanation or interpretation The authors challenge students to gain knowledge of international and comparative criminal justice issues and think about them in a critical manner It has become difficult to ignore the global and international dimensions of criminal justice and criminology and this text aims to enhance criminal justice education by focusing on some of the issues engaging criminology

worldwide and to prepare students for a future where fields of study like transnational crime are unexceptional 1996

Massimo Mastrogregori,2014-02-21 Annually published since 1930 the International bibliography of Historical Sciences IBOHS is an international bibliography of the most important historical monographs and periodical articles published throughout the world which deal with history from the earliest to the most recent times The works are arranged systematically according to period region or historical discipline and within this classification alphabetically The bibliography contains a geographical index and indexes of persons and authors

Crime and Crime Control Gregg Barak,2000-06-30 Are crime rates rising or falling around the world Are specific types of crime more prevalent in some cultures than others Do different cultures vary greatly in their attitudes toward crime prevention Students will find answers to these and similar questions in this unique resource of 15 case studies exploring the problems of crime and crime control in different countries ranging from Germany to Ghana to around the world Cross cultural comparisons examine the history the public perceptions contemporary problems and the future of crime and crime control in each country The comparisons also provide readers with the opportunity to discover both the many differences and the many similarities that exist among the different cultures in their rates of crime forms of prevention and attitudes toward it Each of the 15 chapters opens with a brief overview which includes the type of government and the living environment of the country to introduce readers to the population The countries were chosen to represent every region of the world and to provide as broad a picture as possible when exploring the issues presented by the problem of crime and different cultures efforts to control it The user friendly format of the volume with each chapter following the same outline makes it easy for readers to compare specific aspects among the 15 cultures These different views of the crime problem around the world and what it means to different people will help students to understand it in a broad sense as a social issue that affects all of humanity

Patrolling the Revolution Elizabeth J. Perry,2007-08-24 This pioneering study explores the role of working class militias as vanguard and guardian of the Chinese Revolution The book begins with the origins of urban militias in the late nineteenth century and follows their development to the present day Elizabeth J Perry focuses on the institution of worker militias as a vehicle for analyzing the changing yet enduring impact of China s revolutionary heritage on subsequent state society relations She also incorporates a strong comparative perspective examining the influence of revolutionary militias on the political trajectories of the United States France the Soviet Union and Iran Based on exhaustive archival research the work raises fascinating questions about the construction of revolutionary citizenship the distinctions among class community and creed the open ended character of revolutionary movements and the path dependency of institutional change All readers interested in deepening their understanding of the Chinese Revolution and in the nature of revolutionary change more generally will find this an invaluable contribution

Soviet Postcolonial Studies Epp Annus,2017-09-05 Postcolonial studies is a well established academic field rich in theory but it is based mostly on postcolonial experiences in former West European colonial empires This book takes a

different approach considering postcolonial theory in relation to the former Soviet bloc It both applies existing postcolonial theory to this different setting and also uses the experiences of former Soviet bloc countries to refine and advance theory Drawing on a wide range of sources and presenting insights and material of relevance to scholars in a wide range of subjects the book explores topics such as Soviet coloniality as co constituted with Soviet modernity the affective structure of identity creation in national and imperial subjects and the way in which cultural imaginaries and everyday materialities were formative of Soviet everyday experience

Crime and Punishment in Russia Jonathan Daly,2018-02-22 Crime and Punishment in Russia surveys the evolution of criminal justice in Russia during a span of more than 300 years from the early modern era to the present day Maps organizational charts a list of important dates and a glossary help the reader to navigate key institutional legal political and cultural developments in this evolution The book approaches Russia both on its own terms and in light of changes in Europe and the wider West to which Russia s rulers and educated elites continuously looked for legal models and inspiration It examines the weak advancement of the rule of the law over the period and analyzes the contrasts and seeming contradictions of a society in which capital punishment was sharply restricted in the mid 1700s while penal and administrative exile remained heavily applied until 1917 and even beyond Daly also provides concise political social and economic contextual detail showing how the story of crime and punishment fits into the broader narrative of modern Russian history This is an important and useful book for all students of modern Russian history as well as of the history of crime and punishment in modern Europe

The Encyclopedia of Police Science Jack R. Greene,2007 First published in 1996 this work covers all the major sectors of policing in the United States Political events such as the terrorist attacks of September 11 2001 have created new policing needs while affecting public opinion about law enforcement This third edition of the Encyclopedia examines the theoretical and practical aspects of law enforcement discussing past and present practices

Persistent State Weakness in the Global Age Vesna Bojicic-Dzelilovic,2016-05-13 Persistent State Weakness in the Global Age addresses the question of why state weakness in the global era persists It debunks a common assumption that state weakness is a stop gap on the path to state failure and state collapse Informed by a globalization perspective the book shows how state weakness is frequently self reproducing and functional The interplay of global actors policies and norms is analyzed from the standpoint of their internalization in a weak state through transnational networks Contributors examine the reproduction of partial and discriminatory rule at the heart of persistent state weakness drawing on a wide geographical range of case studies including the Middle East the Balkans the post Soviet states and sub Saharan Africa The study of state weakening dynamics related to institutional incapacity colonial and war legacies legitimacy gaps economic informality democratization and state building provides an insight into durability and resilience of weak states in the global age

Organised Crime and the Challenge to Democracy Felia Allum,Renate Siebert,2004-06-01 This innovative book investigates the paradoxical situation whereby organized crime groups authoritarian in nature and anti

democratic in practice perform at their best in democratic countries It uses examples from the United States Japan Russia South America France Italy and the European Union

Children of Communism Sándor Horváth, 2022-03 As the sun set on June 8 1969 a group of teenagers gathered near a massive tree in a main square of Budapest to mourn the untimely death of Rolling Stones guitarist Brian Jones By the end of the evening sirens blared teens were interrogated and the myth of the most notorious juvenile gang in Budapest was born The origin of the Great Tree Gang became an elaborately cultivated morality tale of the dangers posed by allegedly rebellious youths to the conformity of communist communities In time governments across Cold War Europe manufactured similar stories about the threats posed by groups of unruly adolescents In *Children of Communism* Sándor Horváth explores this youth counterculture in the Eastern Bloc how young people there imagined the West and why this generation proved so crucial to communist identity politics He not only reveals how communism shaped youth culture but also how young people shaped official policy A fascinating read on the power of youth protest *Children of Communism* shows what life was like for the first generation to have been born under communism and how one evening spent grieving rock and roll under a tree forever changed lives

The Politics of Police Reform Erica Marat, 2018-03-01 There is a Russian saying that police mirror society The gist of this is that every society is policed to the extent that it allows itself to be policed Centralized in control but decentralized in their reach the police are remarkably similar in structure chain of command and their relationships with the political elite across post Soviet nations they also remain one of the least reformed post communist institutions As a powerful state organ the Soviet style militarized police have resisted change despite democratic transformations in the overall political context including rounds of competitive elections and growing civil society While consensus between citizens and the state about reform may be possible in democratic nations it is considerably more difficult to achieve in authoritarian states Across post Soviet countries such discussions most often occur between political elites and powerful non state actors such as criminal syndicates and nationalistic ethnic groups rather than the wider citizenry Even in countries where one or more rounds of democratic elections have taken place since 1991 empowered citizens and politicians have not renegotiated the way states police and coerce society On the contrary in many post Soviet countries police functions have expanded to serve the interests of the ruling political elites What does it take to reform a post Soviet police force This book explores the conditions in which a meaningful transformation of the police is likely to succeed and when it will fail Departing from the conventional interpretation of the police as merely an institution of coercion this book defines it as a medium for state society consensus on the limits of the state's legitimate use of violence It thus considers policing not as a way to measure the state's capacity to coerce society but rather as a reflection of a complex society bound together by a web of casual interactions and political structures The book compares reform efforts in Ukraine Georgia Kyrgyzstan Kazakhstan and Tajikistan finding that bottom up public mobilization is likely to emerge in the aftermath of transformative violence an incident when the usual patterns of

policing are interrupted with unprecedented brutality against vulnerable individuals Ultimately The Politics of Police Reform examines the various pathways to transforming how the state relates to society through policing **The Encyclopedia of Crime and Punishment** Wesley G. Jennings, George E. Higgins, Mildred M. Maldonado-Molina, David N. Khey, 2016-01-19 The Encyclopedia of Crime and Punishment provides the most comprehensive reference for a vast number of topics relevant to crime and punishment with a unique focus on the multi interdisciplinary and international aspects of these topics and historical perspectives on crime and punishment around the world Named as one of Choice's Outstanding Academic Titles of 2016 Comprising nearly 300 entries this invaluable reference resource serves as the most up to date and wide ranging resource on crime and punishment Offers a global perspective from an international team of leading scholars including coverage of the strong and rapidly growing body of work on criminology in Europe Asia and other areas Acknowledges the overlap of criminology and criminal justice with a number of disciplines such as sociology psychology epidemiology history economics and public health and law Entry topics are organized around 12 core substantive areas international aspects multi interdisciplinary aspects crime types corrections policing law and justice research methods criminological theory correlates of crime organizations and institutions U S victimology and special populations Organized authored and Edited by leading scholars all of whom come to the project with exemplary track records and international standing 3 Volumes www.crimeandpunishmentencyclopedia.com *Return to Putin's Russia* Stephen K. Wegren, 2013 Now in a thoroughly revised expanded and updated edition this classic text provides the most authoritative and current analysis available of the challenges facing Putin as he resumes the presidency Leading scholars explore the daunting domestic and international problems confronting Russia today Evaluating the regime's continued efforts to rebuild a country once on the verge of collapse the contributors consider a comprehensive array of economic political foreign policy and social issues Clearly written and organized this text is an indispensable guide for anyone wanting to understand Russia today [Encyclopedia of Intelligence and Counterintelligence](#) Rodney Carlisle, 2015-03-26 From references to secret agents in The Art of War in 400 B C E to the Bush administration's ongoing War on Terrorism espionage has always been an essential part of state security policies This illustrated encyclopedia traces the fascinating stories of spies intelligence and counterintelligence throughout history both internationally and in the United States Written specifically for students and general readers by scholars former intelligence officers and other experts Encyclopedia of Intelligence and Counterintelligence provides a unique background perspective for viewing history and current events In easy to understand non technical language it explains how espionage works as a function of national policy traces the roots of national security profiles key intelligence leaders agents and double agents discusses intelligence concepts and techniques and profiles the security organizations and intelligence history and policies of nations around the world As a special feature the set also includes forewords by former CIA Director Robert M Gates and former KGB Major General Oleg Kalugin that help clarify the evolution of intelligence and counterintelligence and

their crucial roles in world affairs today

Policing Soviet Society Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Policing Soviet Society PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they

need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Policing Soviet Society PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Policing Soviet Society free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Policing Soviet Society Books

What is a Policing Soviet Society PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Policing Soviet Society PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Policing Soviet Society PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Policing Soviet Society PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Policing Soviet Society PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" ->

"Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
