Policy Transfer And British Social Policy Learning From The Usa:

Policy Transfer and British Social Policy David P. Dolowitz, 2000 The British State has undergone fundamental transformations in most areas of public policy particularly those associated with social policy welfare health education and law and order This book illustrates how changes in policy can be traced directly to the process of policy transfer **Social Policy in Britain** Pete Alcock, Lee Gregory, 2022-03-24 In this fifth edition of the best selling core introductory textbook Pete Alcock and Lee Gregory provide a comprehensive and engaging introduction to social policy Continuing with the unbeaten narrative style and accessible approach of the previous editions the authors explore the major topics of social policy in a clear and digestible way By breaking down the complexities behind policy developments and their outcomes the book demonstrates the relationship between core areas of policy and the society we live in This new edition has been thoroughly revised and updated to cover the impact of Brexit and contains reflections on the implications of the Covid 19 pandemic for social policy Each chapter contains comprehension activities to aid understanding as well as helpful summary points and suggestions for further reading Understanding the Policy Process Hudson, John, Lowe, Stuart, 2009-03-26 This book draws on the latest and best social science to explain how and why social policy change occurs Focusing on the policy making process as the key to change it uses core concepts of policy analysis one in each chapter to build up a fully worked explanation of social policy change and to equip readers with knowledge that can be applied to any aspect of welfare policy and public and social policy more generally This second edition of the book updates the bestselling first edition for the post Blair era with international case studies from numerous countries Understanding the policy process vbTab introduces the main themes of the policy analysis literature vbTab demonstrates the centrality of the policy making process to an understanding of the operational possibilities and limits of social policy vbTab takes account of macro meso and micro level approaches to social policy analysis vbTab uses clear explanations of key concepts up to date illustrative case studies and examples to increase students understanding of the theory and practice of policy analysis vbTab uses a comparative approach The Student's Companion to Social Policy Pete Alcock, Tina Haux, Margaret May, Sharon Wright, 2016-08-29 This fully updated and expanded edition of the bestselling Student s Companion to Social Policy charts the latest developments research challenges and controversies in the field in a concise authoritative format Provides students with the analytical base from which to investigate and evaluate key concepts perspectives policies and outcomes at national and international levels Features a new section on devolution and social policy in the UK enhanced discussion of international and comparative issues and new coverage of nudge based policies austerity politics sustainable welfare working age conditionality social movements policy learning and transfer and social policy in the BRIC countries Offers essential information for anyone studying social policy from undergraduates on introductory courses to those pursuing postgraduate or professional programmes Accompanied by updated online resources to support independent learning and skill development with chapter overviews

study questions guides to key sources and career opportunities a key term glossary and more Written by a team of experts working at the forefront of social policy *Teaching Social Policy* Zoë Irving, 2023-11-03 Drawing together international perspectives and disciplinary sub fields of comparative and global social policy this book provides an insightful guide for educators and academics embarking on or revisiting the design and teaching of classes courses and programmes in and around social and public policy

Margaret Thatcher and Ronald Reagan J. Cooper, 2012-10-10 A new exploration of the relationship between the Margaret Thatcher and Ronald Reagan administrations in domestic policy Using recently released documentary material and extensive research interviews James Cooper demonstrates how specific policy transfer between these political soul mates was more limited than is typically assumed

Telecommunications Policy-making in the European Union Joseph W. Goodman, 2006-01-01 This book offers a good study of the development of telecommunications policy by the EU Great value to those interested in understanding both European telecommunications policy and more generally in how policy making operates in the EU Mark Thatcher West European Politics the book provides an interesting perspective on the evolution of nature of telecommunications policy making within the EU As a consequence the book should be of interest to telecommunications and politics government researchers alike Jason Whalley Communications Booknotes Quarterly This well written book deals with the emergence and shaping of telecommunications policy in Europe with a particular focus on the time period of 1987 1998 This book fills an important gap reviewing the initial formative years of European telecommunications policy development and liberalization in detail The book captures the complicated and interdependent policy formation process in Europe in a credible and thoughtful way without falling into the trap of admiring critical personalities and key actors The author has written an important and useful book which invites the research community to further explore the evolution of European telecommunications policy Erik Bohlin Communications Strategies Examining the emergence of a European Union telecommunications policy Joseph Goodman explains how and why the policy developed as it did and why certain reforms in the sector were easier to achieve than others He provides a history of the key actors in the policy making process from the first attempts by the national postal telegraph and telecommunication administrations to coordinate their telecommunications policies in the 1950s to the implementation of a comprehensive EU telecommunications regulatory structure in 1998 and the development of a new regulatory structure in 2003 The analytical framework employed by the author draws upon new institutionalism and actor based approaches providing an opportunity to evaluate the utility of a synthetic approach for examining and explaining EU policy making The focus of his analysis is on the European Commission's two pronged strategy of liberalisation and harmonisation which began in the late 1980s and culminated in an important milestone on January 1st 1998 when the EU Member States fully opened their telecommunications markets to competition He concludes that a synthetic approach which enables the researcher to apply a number of approaches to multiple settings and various levels of analysis is useful even necessary in understanding and explaining the many

dimensions of EU policy making This authoritative study will be of interest to all those in the telecommunications industry including attorneys consultants and lobbyists who would like to know how the EU s policy developed It will appeal more generally to political scientists and scholars of European history and politics Youth and Crime John Muncie,2015-01-31 This book provides you with the most comprehensive and authoritative overview of youth crime and youth justice available Keeping you abreast of contemporary debates this fourth edition of Youth and Crime Includes updated chapters on youth crime discourse and data youth victimology youth and social policy youth justice strategies and comparative and international youth justice providing a critical analysis of issues such as institutional abuse child poverty cyberbullying child trafficking international children s rights and transnational policy transfer Covers numerous issues raised by the UK coalition government s law and order and austerity policies including ages of criminal responsibility the rehabilitation revolution troubled families abolition of antisocial behaviour orders ASBOs initiatives in gangs gun and knife crime responses to the August 2011 riots prospects for restorative justice and reductions in child imprisonment Keeps you up to date with contemporary research into explanations of youth crime youth and media youth cultures youth unemployment and training programmes and youth justice policies and takes into account recent legislative reform Features a new companion website featuring links to journal articles relevant websites blogs and government reports Complete with chapter outlines summary boxes key terms study questions further reading lists web based resources and a glossary this is the textbook to take you through your studies in youth and crime *Leadership in Democracy* P. Brooker,2010-10-14 This 2nd edition includes a new chapter on presidential leadership and foreign policy and has expanded its coverage of Schumpeter s and other leadership models of democracy Its focus however remains on pioneering political leadership in the electoral governmental legislative and administrative sectors of the US and British democracies **Management Innovations for Healthcare Organizations** Anders Örténblad,Carina Abrahamson Löfström,Rod Sheaff,2015-11-19 Innovations in management are becoming more numerous and diverse and are appearing in organizations providing many different kinds of products and services The purpose of this book is to examine whether some widely promoted examples of these management innovations ranging from techniques such as Kaizen to styles of leadership and the management of learning can usefully be applied to organizations which provide healthcare and applied in different kinds of health systems Management Innovations for Healthcare Organizations is distinctive in selecting a wide and diverse range and selection of managerial innovations to examine No less distinctively it makes an adaptive critical scrutiny of these innovations Neither evangelist nor nihilist the book instead considers how these innovations might be adapted for the specific task of providing healthcare Where evidence on these points is available the book outlines that too Consequently the book takes an international approach with contributions from Europe the Middle East Australia and North America Each contributor is an expert in the management innovation which they present This combination of features makes the book unique Young People, Crime and Justice

Roger Hopkins Burke,2016-03-24 In the minds of the general public young people and crime are intrinsically linked wide spread belief persists that such activities are a result of the permissive 1960s and the changing face of the traditional nuclear family Roger Hopkins Burke challenges these preconceptions and offers a detailed and comprehensive introduction to youth crime and the subsequent response from the criminal justice system This extended and fully updated new edition explores The development of young people and attempts to educate discipline control and construct them Criminological explanations and empirical evidence of why young people become involved in criminality The system established by the Youth Justice Board its theoretical foundations and the extent of its success Alternative approaches to youth justice around the globe and the apparent homogenisation throughout the neoliberal world The second edition also includes new chapters looking at youth justice in the wider context of social policy and comparative youth justice Young People Crime and Justice is the perfect undergraduate critical introduction to the youth justice system following a unique left realist perspective while providing a balanced account of the critical criminology agenda locating the practical working of the system in the critical socio economic context It is essential reading for students taking modules on youth crime youth justice and contemporary social and criminal justice policy Text features include key points chapter summaries and review questions **IBSS** Compiled by the British Library of Political and Economic Science,2001 IBSS is the essential tool for librarians university departments research institutions and any public or private institution whose work requires access to up to date and comprehensive knowledge of the social sciences **E-Parliament and ICT-Based Legislation: Concept, Experiences and Lessons**

Sobaci, Mehmet Zahid,2011-11-30 Concepts such as e voting e democracy e participation online campaigning and e parliament are the most powerful proof of the use of ICTs in political activities processes and institutions E Parliament and ICT Based Legislation Concept Experiences and Lessons presents a conceptual framework regarding e parliament and analyzes the impacts of ICTs on the structure of parliament its functions relations with other actors and the legislative process As a result of the means and opportunities created by ICTs parliaments have had a chance to simplify and integrate their administrative processes and involve citizens in legislative processes This book reflects on new understandings developments and practices in parliaments within the framework of ICT usage Handbook of Globalization, Governance, and Public Administration

Ali Farazmand,Jack Pinkowski,2006-07-25 Globalization transcends borders and cultures as it develops both from the natural flow of information and communication technologies and as a directed and driven quest for global hegemony by self serving corporations and world political heavyweights It bears a multifaceted web of influence that manifests in inequalities in growth prosperity and **Authoritarian Gravity Centers** Marianne Kneuer,Thomas Demmelhuber,2020-05-19 Autocracies not only resist the global spread of democracy but are sources of autocratic influence and pressure This book presents a conceptual model to understand assess and explain the promotion and diffusion of authoritarian elements Employing a cross regional approach leading experts empirically test the concept of authoritarian

gravity centers AGCs defined as regimes that constitute a force of attraction and contagion for countries in geopolitical proximity With an analysis extending across Latin America the Middle East Eastern Europe Central Asia and Asia these AGCs are shown to be effective as active promoters push or as neutral sources of attraction pull The authors contend that the influence of exogenous factors along with international and regional contexts for the transformation of regime types is vital to understanding and analyzing the transmission of autocratic institutional settings ideas norms procedures and practices thus explaining the regional clustering of autocracies It is the regional context in which external actors can influence authoritarian processes most effectively *Authoritarian Gravity Centers* is a vibrant and comprehensive contribution to the growing field of autocratization which will be of great interest to undergraduate and postgraduate students of comparative area studies illiberalism international politics and studies of democracy

Organizational Learning in the Global Context Michael Kenney, 2017-03-02 Organizational learning is an area of study that focuses on models and theories about the way an organization learns and adapts This volume investigates how various global and regional intergovernmental organizations states and national bureaucracies as well as nongovernmental organizations exploit experience and knowledge to change their understanding of the world their policies and their behaviours Drawing upon and synthesizing organizational social and individual level learning theories the cases explicate various learning processes learning by illicit actors and deterrents to organizational learning The twelve case studies of this volume consider organizational learning associated with multiple issue areas including the United States embargo against Cuba food security in the European Union the Russian energy sector Colombian drug trafficking terrorist groups the Catholic Church and foreign aid agencies Based entirely on original research the volume is relevant to international relations comparative politics organizational sociology and policy studies

The Rise and Fall of the Right of Silence Hannah Quirk, 2016-11-25 Within an international context in which the right to silence has long been regarded as sacrosanct this book provides the first comprehensive empirically based analysis of the effects of curtailing the right to silence The right to silence has served as the practical expression of the principles that an individual was to be considered innocent until proven guilty and that it was for the prosecution to establish guilt In 1791 the Fifth Amendment to the US Constitution proclaimed that none shall be compelled in any criminal case to be a witness against himself In more recent times the privilege against self incrimination has been a founding principle for the International Criminal Court the new South African constitution and the ad hoc International Criminal Tribunals for Rwanda and the former Yugoslavia Despite this pedigree over the past 30 years when governments have felt under pressure to combat crime or terrorism the right to silence has been reconsidered as in Australia curtailed in most of the United Kingdom or circumvented by the creation of the military tribunals to try the Guantanamo detainees The analysis here focuses upon the effects of the Criminal Justice and Public Order Act 1994 in England and Wales There curtailing the right to silence was advocated in terms of common sense policy making and was achieved by an eclectic borrowing of concepts and policies from

other jurisdictions The implications of curtailing this right are here explored in detail with reference to England Wales and Northern Ireland but within a comparative context that examines how different types of legal systems regard the right to silence and the effects of constitutional protection

Order and Compromise: Government Practices in Turkey from the Late Ottoman Empire to the Early 21st Century, 2015-02-17 Order and Compromise questions the historicity of government practices in Turkey from the late Ottoman Empire up to the present day It explores how institutions at work are being framed by constant interactions with non institutional characters from various social realms This volume thus approaches the state society continuum as a complex and shifting system of positions Inasmuch as they order and ordain state authorities leave room for compromise something which has hitherto been little studied in concrete terms By combining in depth case studies with an interdisciplinary conceptual framework this collection helps apprehend the morphology and dynamics of public action and state society relations in Turkey Contributors are Marc Aymes Olivier Bouquet Nicolas Camelio Nathalie Clayer Anouck Gabriela Corte Real Pinto Berna Ekal Beno t Fliche Muriel Girard Benjamin Gourisse S mb l Kaya No mi L vy Aksu lise Massicard Jean Fran ois P rouse Cl mence Scalbert Y cel Emmanuel Szurek and Claire Visier

Analysis of the German EXIST-II-Program and Its Transferability to Mexico Claudia Erika Gutiérrez Díaz, 2013 The promotion of entrepreneurship in higher education appears in the political spectrum as a new economic policy arena In this field policy blanks and new kinds of problems need to be addressed Scholars agree that many of the current structures and models in higher education do not fit the necessary requirements for the development of entrepreneurship training New perspectives in this field can be gained through an analysis of the feasibility of a policy transfer of the German EXIST II Program to Mexico This program was developed to address the entrepreneurial potential within higher educational institutions through the coordination of entrepreneurial efforts carried out by regional national and supranational actors An empirical analysis of the objectives regulations actors and governance personnel staff financial resources beneficiaries and output of the program as well as a comparative study of Germany versus Mexico in this book demonstrates under what conditions the transfer of know how from Germany specifically from the EXIST II Program to universities in Mexico could be implemented The research offers alternatives to improve the current ongoing initiatives in Mexico

Internalizing Globalization Susanne Soederberg, Georg Menz, Philip G. Cerny, 2005-11-16 This book explores how a wide range of countries attempt to cope with the challenges of globalization While the internalization of globalization proceeds in significantly different ways there is a broad process of convergence taking place around the politics of neoliberalism and a more market oriented version of capitalism The book examines how distinct social structures political cultures patterns of party and interest group politics classes public policies liberal democratic and authoritarian institutions and the discourses that frame them are being reshaped by political actors Chapters cover national experiences from Europe and North America to Asia and Latin America Chile Mexico and Peru
