Polish Love Story:

Polish National Cinema Marek Haltof, 2002 In the years since World War 2 Poland has developed one of Europe's most distinguished film cultures This is a comprehensive study of Polish cinema from the end of the 19th century to the present

Handbook of Polish, Czech, and Slovak Holocaust Fiction Elisa-Maria Hiemer, Jiří Holý, Agata Firlej, Hana Nichtburgerová, 2021-06-21 The Handbook of Polish Czech and Slovak Holocaust Fiction aims to increase the visibility and show the versatility of works from East Central European countries It is the first encyclopedic work to bridge the gap between the literary production of countries that are considered to be main sites of the Holocaust and their recognition in international academic and public discourse It contains over 100 entries offering not only facts about the content and motifs but also pointing out the characteristic fictional features of each work and its meaning for academic discourse and wider reception in the country of origin and abroad The publication will appeal to the academic and broader public interested in the representation of the Holocaust anti-Semitism and World War II in literature and the arts Besides prose it also considers poetry and theatrical plays from 1943 through 2018 An introduction to the historical events and cultural developments in Poland Czechoslovakia Czech and Slovak Republic and their impact on the artistic output helps to contextualise the motif changes and fictional strategies that authors have been applying for decades The publication is the result of long term scholarly cooperation of specialists from four countries and several dozen academic centres

Polish Sexual Revolutions Anna Dobrowolska, 2025-08-05 We are used to thinking that the sexual revolution of the 1960s and 1970s was an essentially Western phenomenon The surge in pornographic production effective oral contraception and new developments in fashion and popular culture all seem to be inextricably linked with a capitalist economy Yet little has still been written about the transformations of intimate lives on the other side of the Iron Curtain Was there a sexual revolution behind the Berlin Wall And if so what areas of social life did it impact Did women in the words of Kristen Ghodsee have better sex under socialism *Polish Sexual Revolutions Negotiating Sexuality and Modernity behind the Iron Curtain* studies the history of sexuality in state socialist Poland in its European and global contexts focusing on how communism transformed both sexual discourses and intimate practices between 1945 and 1989 It reconfigures our understanding of the sexual revolution departing from the case study of Poland to complicate the oversimplified and much misused concepts of sexual modernity and progress Engaging with the most recent scholarship on sexuality in East Central Europe and a wide range of unused primary material including visual and material sources the monograph reassesses the role played by communist states in modernising their citizens approaches to sex Contrary to the stereotype which perceives the region as lagging behind the West in sexual matters and having to catch up after 1989 the book sheds light on the ambiguous and progressive histories of state socialist entanglements with sex to showcase alternative visions of sexual liberation In so doing and by focusing on forgotten genealogies of discussions of sexuality the monograph historicises the roots of contemporary debates on sex education
