Kelly Boyd, Rohan McWilliam

Polite And Commercial People England 1727 1783:

Polite and Commercial People Paul Langford,1992 **A Polite and Commercial People** Paul Langford,1992-03-19 This book the first volume to appear of the New Oxford History of England offers the most authoritative comprehensive general history of England between the accession of George II and the loss of America Though conventionally seen as static and politically stable the eighteenth century was an age of extraordinary vitality and variety of contrasts and change Beneath the serene surface of aristocratic government stately manners and Georgian elegance lay a less orderly world of treasonable plots riotous mobs and Hogarthian vulgarity While rapid commercial growth and burgeoning bourgeois pretensions gave rise to the positive achievements of military success and imperial expansion cultural confidence and polite manners tensions and contradictions simmered and threatened Evangelical enthusiasm jostled with scientific rationalism oligarchical politics with popular insubordination entrepreneurial opulence with plebian poverty sentimentality with utilitarian reform Using the most up to date research Paul Langford reveals the true character of the age and demonstrates that eighteenth century society was both strengthened and stretched by the changes to which it was subjected THE NEW OXFORD HISTORY OF ENGLAND series General Editor J M Roberts The first volume of Sir George Clark s Oxford History of England was published in 1934 Over the following fifty years that series established itself as a standard work of reference and a repertoire of scholarship for hundreds of thousands of readers The New Oxford History of England of which this is the first volume is its successor Each volume will set out an authoritative view of the present state of scholarship presenting a distillation of the new knowledge built up by a half century s research and publication of new sources and incorporating the perspectives and judgements of a new generation of scholars It is the intention of the General Editor and the Publisher that shall worthily take the place of its predecessor as the standard authoritative account of the national history and achieve a similar classic standing **A Polite and Commercial People** Paul Langford,1998 Part of the New Oxford History of England this volume sets out an authoritative view of the state of scholarship on the subject presenting a distillation of the knowledge built up by a half century s research **Climate, Catastrophe, and Faith** Philip Jenkins,2021 The author draws out the complex relationship between religion and climate change He shows that the religious movements and ideas that emerge from climate shocks often last for many decades and become a familiar part of the religious landscape even though their origins in particular moments of crisis may be increasingly consigned to remote memory From jacket flap **Psychosocial Spaces** Steven J. Gores,2000 He next examines Sophia Lee s novel *The Recess* along with prints and sketches of ruins to place the monastic ruin at the focus of desire to repress discontinuity in the past which in turn permitted individuals to conceive of constructing identity based on genealogy Then through a study of Henry Fielding s *Amelia* he discusses portrait miniatures and silhouettes as fetishized symbols of erotic ties showing how images of a beloved with their promises for the future were used as a basis for constructing individual identity Jacket **The Politics of Wine in Britain** C. Ludington,2016-01-12 A unique look at the

meaning of the taste for wine in Britain from the establishment of a Commonwealth in 1649 to the Commercial Treaty between Britain and France in 1860 this book provides an extraordinary window into the politics and culture of England and Scotland just as they were becoming the powerful British state **Handel's Oratorios and Eighteenth-Century Thought** Ruth Smith,1995-05-04 In this wide ranging and challenging book Ruth Smith claims that the words to Handel's oratorios reflect the events and ideas of their time and have far greater meaning than has hitherto been realised She explores eighteenth century literature music aesthetics politics and religion to reveal Handel's texts as conduits for the thought and sensibility of their time The book thus enriches our understanding of Handel his times and the close relationship between music and its intellectual contexts **James Thomson** Richard Terry,Reader in Eighteenth-Century English Literature Richard Terry,2000-01-01 James Thomson Essays for the Tercentenary is the first collection of essays devoted exclusively to the works of the eighteenth century Scottish poet James Thomson The volume is divided into two sections the first addressing Thomson's writings themselves and the second the reception of his works after his death and their influence on later writers The first section contains essays analyzing the politics and aesthetics of Thomson's major poems and also a reevaluation of Thomson as a heroic dramatist The second section capitalizes on the certainty felt by many in Thomson's own century that the poet especially through his most successful poem The Seasons had won for himself an indelible fame This volume provides a definitive reappraisal of his achievement for our own times The Evangelical Age of Ingenuity in Industrial Britain Joseph Stubenrauch,2016-07-28 The Evangelical Age of Ingenuity in Industrial Britain argues that British evangelicals in the late eighteenth and early nineteenth centuries invented new methods of spreading the gospel as well as new forms of personal religious practice by exploiting the era's growth of urbanization industrialization consumer goods technological discoveries and increasingly mobile populations While evangelical faith has often been portrayed standing in inherent tension with the transitions of modernity Joseph Stubenrauch demonstrates that developments in technology commerce and infrastructure were fruitfully linked with theological shifts and changing modes of religious life This volume analyzes a vibrant array of religious consumer and material culture produced during the first half of the nineteenth century Mass print and cheap mass produced goods from tracts and ballad sheets to teapots and needlework mottoes were harnessed to the evangelical project By examining ephemera and decorations alongside the strategies of evangelical publishers and benevolent societies Stubenrauch considers often overlooked sources in order to take the pulse of vital religion during an age of upheaval He explores why and how evangelicals turned to the radical alterations of their era to bolster their faith and why serious Christianity flowered in an industrial age that has usually been deemed inhospitable to it The Locus of Care Peregrine Horden,Richard Smith,2013-01-11 The care of the needy and the sick is delivered by various groups including immediate family the wider community religious organisations and the State funded institutions The Locus of Care provides an historical perspective on welfare detailing who carers were in the past where care was provided and how far the boundary

between family and state or informal and organised institutions have changed over time Eleven international contributors provide a wide ranging examination of themes such as child care mental health and provision for the elderly and question the idea that there has been a recent evolutionary shift from informal provision to institutional care Chapters on Europe and England use case studies and link evidence from ancient and medieval periods to contemporary problems and the recent past whilst studies on China and South Africa look to the future of welfare throughout the world By placing welfare in its historical social cultural and demographic contexts *Locus of Care* reassesses community and institutional care and the future expectations of welfare provision *The Victorian Studies Reader* Kelly Boyd,Rohan McWilliam,2024-11-01 Selected as an Outstanding Academic Title in the 2008 CHOICE awards The Victorian Studies Reader gathers together in one volume some of the key pieces on Victorian history society and culture The book draws on new trends in looking at the Victorian Age and includes sections on periodization politics consumerism intellectual life sexuality empire The Victorian Studies Reader is a rich resource essential for all those studying this important period of history

Conversable Worlds Jon Mee,2011-09-15 Around 1700 a new commercial society was emerging that thought of its values as the product of exchanges between citizens A welter of publications periodical essays novels and poetry enjoined the virtues of conversation and were enthusiastically discussed in book clubs and literary societies creating their own conversable worlds **Unmarried Motherhood in the Metropolis, 1700-1850** Samantha Williams,2018-04-23 In this book Samantha Williams examines illegitimacy unmarried parenthood and the old and new poor laws in a period of rising illegitimacy and poor relief expenditure In doing so she explores the experience of being an unmarried mother from courtship and conception through the discovery of pregnancy and the birth of the child in lodgings or one of the new parish workhouses Although fathers were generally held to be financially responsible for their illegitimate children the recovery of these costs was particularly low in London leaving the parish ratepayers to meet the cost Unmarried parenthood was associated with shame and men and women could also be subject to punishment although this was generally infrequent in the capital Illegitimacy and the poor law were interdependent and this book charts the experience of unmarried motherhood and the making of metropolitan bastardy

The Long Eighteenth Century Frank O'Gorman,2016-01-14 This long awaited second edition sees this classic text by a leading scholar given a new lease of life It comes complete with a wealth of original material on a range of topics and takes into account the vital research that has been undertaken in the field in the last two decades The book considers the development of the internal structure of Britain and explores the growing sense of British nationhood It looks at the role of religion in matters of state and society in addition to society's own move towards a class based system Commercial and imperial expansion Britain's role in Europe and the early stages of liberalism are also examined This new edition is fully updated to include Revised and thorough treatments of the themes of gender and religion and of the 1832 Reform Act New sections on Commerce and Empire and Britain and Europe Several new maps and charts A revised introduction and a more

extensive conclusion Updated note sections and bibliographies The Long Eighteenth Century is the essential text for any student seeking to understand the nuances of this absorbing period of British history

Regions and Designed Landscapes in Georgian England Sarah Spooner, 2015-06-26 Garden design evolved hugely during the Georgian period as symbols of wealth and stature the landed aristocracy had been using gardens for decades Yet during the eighteenth century society began to homogenise and the urban elite also started demanding landscapes that would reflect their positions The gardens of the aristocracy and the gentry were different in appearance use and meaning despite broad similarities in form Underlying this was the importance of place of the landscape itself and its raw material Contemporaries often referred to the need to consult the genius of the place when creating a new designed landscape as the place where the garden was located was critical in determining its appearance Genius loci soil type topography water supply all influenced landscape design in this period The approach taken in this book blends landscape and garden history to make new insights into landscape and design in the eighteenth century Spooner's own research presents little known sites alongside those which are more well known and explores the complexity of the story of landscape design in the Georgian period which is usually oversimplified and reduced to the story of a few great men

Association and Enlightenment Mark C. Wallace, Jane Rendall, 2020-12-18 Social clubs as they existed in eighteenth and early nineteenth century Scotland were varied they could be convivial sporting or scholarly or they could be a significant and dynamic social force committed to improvement and national regeneration as well as to sociability The essays in this volume examine the complex history of clubs and societies in Scotland from 1700 to 1830 Contributors address attitudes toward associations their meeting places and rituals their links with the growth of the professions and with literary culture and the ways in which they were structured by both class and gender By widening the context in which clubs and societies are set the collection offers a new framework for understanding them bringing together the inheritance of the Scottish past the unique and cohesive polite culture of the Scottish Enlightenment and the broader context of associational patterns common to Britain Ireland and beyond

English Poetry of the Eighteenth Century, 1700-1789 David Fairer, 2014-10-13 In recent years the canon of eighteenth century poetry has greatly expanded to include women poets labouring class and provincial poets and many previously unheard voices Fairer's book takes up the challenge this ought to pose to our traditional understanding of the subject This book seeks to question some of the structures categories and labels that have given the age its reassuring shape in literary history In doing so Fairer offers a fresh and detailed look at a wide range of material

English Witchcraft, 1560-1736, vol 5 James Sharpe, Richard Golden, 2024-12-11 This chronological collection charts the change in attitudes to witchcraft during the period 1560 1736 which culminates in the educated debate on the reality of witchcraft and the gradual decline in belief in witches and associated phenomena

Sport and the British Richard Holt, 2025-07-09 So many of the world's sports have their origins in Britain Why is this How did sports innovate and evolve in step with social upheaval and political and cultural change Why did

British forms of play become so influential around the world Richard Holt explores all of these questions and more in this new edition of *Sport and the British*. For over thirty years *Sport and the British* has been the standard work on the history of sport in Britain and the new edition provides a complete rewrite of the original text incorporating the most up to date research. Holt weaves a narrative of the excitement, passion and variety of sports played from the eighteenth century to the end of the twentieth from street corner kickabouts to the Commonwealth and Olympic Games. *Sport and the British* crosses class, race, culture and gender, illuminating how the transformation of games speaks to the wider history of Britain and its global impact on the history of sport.

Women, Writing and the Public Sphere, 1700-1830 Elizabeth Eger, 2001-01-04 An international team of specialists examine the dynamic relation between women and the public sphere

Polite And Commercial People England 1727 1783 Introduction

In today's digital age, the availability of Polite And Commercial People England 1727 1783 books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Polite And Commercial People England 1727 1783 books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Polite And Commercial People England 1727 1783 books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Polite And Commercial People England 1727 1783 versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Polite And Commercial People England 1727 1783 books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Polite And Commercial People England 1727 1783 books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project

Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Polite And Commercial People England 1727 1783 books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Polite And Commercial People England 1727 1783 books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Polite And Commercial People England 1727 1783 books and manuals for download and embark on your journey of knowledge?

FAQs About Polite And Commercial People England 1727 1783 Books
