Political Action Influencer Discussion Guides:

The Manship School Guide to Political Communication David D. Perlmutter,1999 Examines the role and process of media consulting for political campaigns The pieces included in this guide range from types of political media to targets of political messages Several authors examine the folk ways of the profession of political consulting itself [Gale Researcher Guide for: Political Ideology](#) Darrell Lovell,2018-08-30 Gale Researcher Guide for Political Ideology is selected from Gale s academic platform Gale Researcher These study guides provide peer reviewed articles that allow students early success in finding scholarly materials and to gain the confidence and vocabulary needed to pursue deeper research [Study Guide to FCPA \(Foreign Corrupt Practices Act\) Compliance](#) Cybellium,2024-10-26 Designed for professionals students and enthusiasts alike our comprehensive books empower you to stay ahead in a rapidly evolving digital world Expert Insights Our books provide deep actionable insights that bridge the gap between theory and practical application Up to Date Content Stay current with the latest advancements trends and best practices in IT AI Cybersecurity Business Economics and Science Each guide is regularly updated to reflect the newest developments and challenges Comprehensive Coverage Whether you re a beginner or an advanced learner Cybellium books cover a wide range of topics from foundational principles to specialized knowledge tailored to your level of expertise Become part of a global network of learners and professionals who trust Cybellium to guide their educational journey www.cybellium.com **Memes of Power: How Digital Culture Transforms Populist Movements and Rewrites Global Politics** Piper Ellery,2025-09-08 Populist movements are no longer built solely in town halls or rallies they are forged in memes hashtags and viral videos that circle the globe in seconds The fusion of digital language and political activism has created a new era of techno populism where pop culture becomes weaponized and entertainment merges with ideology Memes of Power takes readers inside this transformation explaining how political actors harness the tools of online culture to mobilize crowds frame narratives and disrupt traditional institutions From ironic internet humor to TikTok campaigns digital symbolism now rivals traditional speeches in shaping collective identity and political momentum This book offers a clear authoritative and accessible analysis for anyone seeking to understand how online communities are reshaping democracy activism and public life It shows how digital culture can empower voices but also polarize destabilize and mislead on a global scale If you want to decode the political future hidden in memes and movements this is your essential guide [Postfeminism, Postrace and Digital Politics in Asian American Food Blogs](#) Tisha Dejmanee,2022-12-26 This book examines how Asian American women bloggers challenge dominant race and gender discourses through the practice of food blogging Asian American food blogs which situate recipes and food photography within the personal narratives and domestic spaces of Asian American women offer unique insights into the ways that hegemonic race and gender discourses are negotiated in quotidian life The genre s focus on food provides a particularly rich backdrop for this study as it necessarily implicates family histories gendered labour domestic spaces and the power dynamics

of consumption These intimate digital texts therefore provide unique insights into the ways that postfeminist and postrace discourses are encountered in the individual s mundane experiences The author engages a critical cultural analysis of food blogs narratives images communities and platforms expressions of post race and feminism discourses are constrained by the commercial logics of this digital culture The author argues that while Asian American food blogs rarely present a sustained challenge to hegemonic identity representation the processes of reproduction and rupture that define this blogosphere consistently reveal the collective desire to push back against the limits of post identities This is a unique and fascinating study which is ideal reading for students and scholars of gender studies media studies cultural studies and sociology
