Political And Electoral Handbook For Wales 1959 1979:

Butler's British Political Facts Roger Mortimore, Andrew Blick, 2018-07-31 This book is the most comprehensive single volume reference work available for British political facts Covering the period from 1900 to the present it is the latest edition in a series previously edited by David Butler and various collaborators This new edition updates the contents to the immediate post European Union referendum period in the UK It is useful to a wide range of potential readers including students educators journalists policy professionals and anyone with an interest in politics and political history It will be valuable to academics working in a variety of disciplines including history and political science *British Sources of Information* P. Jackson, 2003-09-02 This comprehensive and versatile reference source will be a most important tool for anyone wishing to seek out information on virtually any aspect of British affairs life and culture The resources of a detailed bibliography directory and journals listing are combined in this single volume forming a unique guide to a multitude of diverse topics British politics government society literature thought arts economics history and geography Academic subjects as taught in British colleges and universities are covered with extensive reading lists of books and journals and sources of information for each discipline making this an invaluable manual *Twentieth-Century British Political Facts, 1900-2000* D. Butler, 2016-04-30 Twentieth Century British Political Facts is the definitive record of the who the what and the when of British political history in the 1900s providing reliable information which could not otherwise be found without many hours of digging in a library Refined and updated since the seventh edition this unique work has become a standard reference book for scholars journalists politicians civil servants students and all readers with an interest in political history British Political Facts, 1900-1994 David Butler, Gareth Butler, 1994 The seventh edition of this book covers the who the what and the when of British political theory in the 20th century The facts in this edition have been rechecked and updated to 1994 and it includes revised chapters on the economy and the public sector **Subject Guide to Books in Print**, 1996 **United Kingdom Facts** Ian McAllister, Richard Rose, 1982-02-25 Handbook of Political Party Funding Jonathan Mendilow, Eric Phélippeau, 2018-01-26 Scrutinizing a relatively new field of study the Handbook of Political Party Funding assesses the basic assumptions underlying the research presenting an unequalled variety of case studies from diverse political finance systems Books in Print, 1994 **The Routledge Handbook of British Politics and Society** Mark Garnett, 2020-05-13 The Routledge Handbook of British Politics and Society conducts a rigorous innovative and distinctive analysis of the relationship between British politics and society emphasizing that the UK is now far from a monolithic and unshifting entity Examining the subject matter with unrivalled breadth and depth it highlights and interrogates key contemporary debates on the future of the UK the nature of Britishness and the merits of multiculturalism as well as contemporary criticisms of traditional institutions and the nature of representative democracy itself Including contributions from key authors in their respective fields who bring their authority to bear on the task of outlining the current state of the art in British Studies the book

provides a fresh examination of the contrasts and the continuities across the whole field of British Politics and Society while setting out agendas for future research The Routledge Handbook of British Politics and Society will be essential reading and an authoritative reference for scholars students researchers and practitioners involved in and actively concerned about research on British politics society and culture

The Official History of Criminal Justice in England and Wales David Downes,Tim Newburn,2022-11-29 This book is Volume IV in the Official History of Criminal Justice in England and Wales Previous volumes have focused on the moral reforms of the 1960s the changes to the criminal courts and the introduction of an independent prosecution service and the broad shifts in penal policy that have taken place in the post war era This volume examines the changing politics of law and order charting the gradual shift toward greater political conflict and dispute Until the early 1970s law and order rarely occupied a privileged place in political debate From that point this began to change with initially the Conservatives utilising crime and penal policy as a means of distinguishing themselves from their opponents This volume charts these changes in the politics of law and order and examines the rise in the temperature of political debate around such issues as the Labour Party markedly shifted its direction in the 1990s This book will be of interest to students of British political history criminology and sociology

Longman Handbook to Modern British History 1714 - 2001 Chris Cook,John Stevenson,2014-07-10 This compact and accessible reference work provides all the essential facts and figures about major aspects of modern British history from the death of Queen Anne to the end of the 1990s The Longman Handbook of Modern British History has been extended to include a fully revised bibliography reflecting the wealth of newly published material in recent years the new statistics on social and economic history and an expanded glossary of terms The political chronologies have been revised to include the electoral defeat of John Major and the record of New Labour in office Designed for the student and general reader this highly successful handbook provides a wealth of varied data within the confines of a single volume

The Routledge Guide to British Political Archives Chris Cook,2012-10-02 This major new reference work provides an authoritative and wide ranging guide to archive sources now becoming available for British political history since 1945 With a user friendly layout the book presents a comprehensive range of 1 500 personal papers from leading statesmen backbench politicians writers campaigners diplomats and generals which cover the key aspects of British history since of the end of the Second World War Compiled by an experienced archivist this comprehensive easy to use and authoritative guide is an invaluable resource for researchers of modern British history
