Political Culture And Communist Studies:

Political Culture and Communist Studies Archie Brown, 1985-01-01 Political Culture and Communist Studies David R. Hopkins, 1989 **Post-communist Studies And Political Science** Jr. Fleron, Erik P Hoffmann, 2019-08-15 Serious stock taking is in progress now among practitioners of what has been called Sovietology meaning studies of the Union of Soviet Socialist Republics. The reason is that the field for the most part had not been expecting what happened in 1991. The USSR collapsed and went out of existence as a unified state system governing a sixth of the world's territory having allowed its East European empire to free itself from Soviet dominance somewhat earlier. It might be said in defense of Sovietology that by the beginning of the 1980s it understood that economic and political crises were brewing in the Soviet Union and its outer empire. But the field as a whole failed to grasp the full depth of the systemic crisis in Soviet Russia and the destructive or self-destructive potentialities inherent in it. As the editors of this valuable volume write in the Introduction Sovietology was not prepared for perestroika and postcommunism. *Political Culture and Post-Communism* S. Whitefield, 2005-10-11 Our understanding of the dynamics of Communist systems was substantially improved by taking political culture into account. But how much does the concept of political culture add to our empirical understanding of post-Communist Russia? The book's contributors engage with theoretical debates between political culture and competing rational choice and institutionalist approaches to post-Soviet politics and provide illustrative empirical studies of civic participation, views of national identity, the Russian criminal justice system and political violence. The Concept of Political Culture Stephen Welch, 2016-07-27 erudite thought provoking and well written Archie Brown Professor of Politics Oxford University The return to prominence of the concept of political culture offers an opportunity to re-evaluate its contribution to the social sciences. This study casts a broader net embracing not only political science with equal emphasis placed on the concept's use in communist studies but also sociology and history. On this basis a distinctive theory of political culture and not merely another typology is developed. Political culture instead of being a token in the sterile debate between interest and culture based explanation offers the means of transcending that debate. *Politics and the Soviet System* Thomas F. Remington, 1989-06-18 This collection of essays focuses on topics pertaining to Soviet propaganda and policy making. Among the essays there is a study of the view of international relations presented by Soviet TV news, a survey of development in comparative communist studies and an analysis of recent changes. European Political Cultures Roger Eatwell, 2002-09-11 This comparative study of the political cultures of the major European nations explores the notion of nationhood as it applies in different political contexts. The Social Science Encyclopedia Adam Kuper, 2003-12-16 The Social Science Encyclopedia first published in 1985 to acclaim from social scientists, librarians and students was thoroughly revised in 1996 when reviewers began to describe it as a classic. This third edition has been radically recast. Over half the entries are new or have been entirely rewritten and most of the balance have been substantially revised. Written by an international team of contributors the Encyclopedia offers a global

perspective on the key issues within the social sciences Some 500 entries cover a variety of enduring and newly vital areas of study and research methods Experts review theoretical debates from neo evolutionism and rational choice theory to poststructuralism and address the great questions that cut across the social sciences What is the influence of genes on behaviour What is the nature of consciousness and cognition What are the causes of poverty and wealth What are the roots of conflict wars revolutions and genocidal violence This authoritative reference work is aimed at anyone with a serious interest in contemporary academic thinking about the individual in society *Political Science and Political Theory* Jessica Kuper,2019-11-21 First published in 1987 The key issues concepts and figures relevant to the study of political science and theory today are covered in this volume and useful suggestions for further reading are included In political science topics range from the analysis of voting to decision making philosophical issues from anarchism through human rights to utopianism and the biographies deal with major thinkers such as Arendt Burke Hobbes Marx and Rousseau Power and Policy in Putin's Russia Richard Sakwa,2013-09-13 The volume provides a retrospective analysis of Putin s eight years as president between 2000 and 2008 An international group of leading specialists examine Putin s leadership in an informed and balanced manner The authors are drawn from Russia itself as well as from Europe America and Australasia Coverage includes general analysis of the Putin presidency the ideology underlying the thinking of the regime issues of institutional development including coverage of parties parliament and elections developments in the federal system corruption and changes in the configuration of the elite The impact of energy on changes in political economy provides the background to an assessment of Russia s re emergence as a great power in international affairs accompanied by analysis of the difficulties in Russia s relations with its former Soviet neighbours and the European Union The authors examine the interaction between power and policy and draw some conclusions about the dynamics of Putin s system of government and thus of the fate of Russia This book was published as a special issue of Europe Asia Studies **Politics and Social Change in Latin America** Howard J. Wiarda,2003-10-30 Wiarda provides a new edition of a pioneering exploration of Latin American political culture the authoritarian tradition and the recent transitions to democracy and the special meaning of that term in the Latin American context The volume contains a provocative Introduction and Conclusion by the editor as well as essays by leading scholars of Latin American politics and history Richard Morse Octavio Paz Glen Dealy Peter Smith and others This is a classic collection newly revised and updated **Public Opinion And Regime Change** Arthur H Miller,William M Reisinger,Vicki Hesli,2019-07-11 This volume reports a research that represents some of the collaborative efforts aimed at investigating political attitudes and behaviors in the broader Soviet society examining the public opinion constraints on efforts to transform the new organizations into a competitive political party system **National Self-Determination and Justice in Multinational States** Anna Moltchanova,2009-08-28 Substate nationalism especially in the past fifteen years has noticeably affected the political and territorial stability of many countries both democratic and democratizing Norms exist to limit the

behavior of collective agents in relation to individuals the set of universally accepted human rights provides a basic framework There is a lacuna in international law however in the regulation of the behavior of groups toward other groups with the exception of relations among states The book offers a normative approach to moderate minority nationalism that treats minorities and majorities in multinational states justly and argues for the differentiation of group rights based on how group agents are constituted It argues that group agency requires a shared set of beliefs concerning membership and the social ontology it offers ensures that group rights can be aligned with individual rights It formulates a set of principles that if adopted would aid conflict resolution in multinational states The book pays special attention to national self determination in transitional societies The book is intended for everyone in political philosophy and political science interested in global justice and international law and legal practitioners interested in normative issues and group rights

The British Study of Politics in the Twentieth Century Jack Hayward, Brian Barry, Archie Brown, 2003-05 A collection of articles about British studies relating to various political issues including totalitarianism individualism pluralism political parties elections political institutions public administration nationalism authoritarianism and international relations

A Discipline Divided Gabriel A. Almond, 1990 A Discipline Divided is a collection of coherent and timely articles that discuss the emergence and divergence of the two dominant camps of political science ideology and methodology Almond examines the hard versus soft science argument the history of model fitting in communism studies the strengths and weaknesses of the rational choice movement and the historical forces and processes that have shaped political culture

Resetting the Political Culture Agenda: From Polis to International Organization Antonia Zervaki, 2014-07-08 The analysis of the formation processes and manifestations of political culture in the domain of international relations and organization lacks a concrete theoretical and methodological framework However the main theoretical and methodological deficits seem to be related to the need for a clear cut definition of the concept itself as well as to the integration of political science methodological tools into the international institutional law debate This book considers the basic theoretical and methodological requirements for the use of political culture as a conceptual tool in the field of international organization research Moreover it applies the core theoretical and methodological assumptions to three case studies namely the United Nations the Council of Europe and the European Union which are perceived as agents of distinct political cultures in the international system

Political Culture of the Russian 'Democrats' Alexander Lukin, 2000-03-23 The Political Culture of Russian Democrats examines the origins and development of the world view of those who call themselves democrats in Russian in the last years of the USSR The book develops a distinct approach to the study of political culture and applies it to a specific social group members of the democratic movement in Soviet Russia The author examines the emergence of the ideas of Russian democrats during the Gorbachev era in Soviet politics and traces the development of those beliefs in the post Soviet era The book argues that the liberal and democratic terminology of western politics were assimilated by Russian political culture with the terms acquiring a different meaning

Directory of

European political scientists European Consortium for Political Research, University of Essex. Compiled and ed. by the Central Services of the ECPR, 2016-11-07 No detailed description available for Directory of European political scientists

Political Participation in Beijing Tianjian Shi, 1997 In this first scientific survey of political participation in the People's Republic of China Tianjian Shi identifies twenty eight participatory acts and groups them into seven areas voting campaign activities appeals adversarial activities cronyism resistance and boycotts What he finds will surprise many observers Political participation in a closed society is not necessarily characterized by passive citizens driven by regime mobilization aimed at carrying out predetermined goals Beijing citizens acknowledge that they actively engage in various voluntary participatory acts to articulate their interests In a society where communication channels are controlled by the government Shi discovers access to information from unofficial means becomes the single most important determinant for people's engaging in participatory acts Government sponsored channels of appeal are easily accessible to ordinary citizens so socioeconomic resources are unimportant in determining who uses these channels Instead voter turnout is found to be associated with the type of work unit a person belongs to subjective evaluations of one's own economic status and party affiliation Those most likely to engage in campaign activities adversarial activities cronyism resistance and boycotts are the more disadvantaged groups in Beijing While political participation in the West fosters a sense of identification the unconventional modes of participation in Beijing undermine the existing political order

Hong Kong's Tortuous Democratization Ming Sing, 2004 This book raises interesting questions about the process of democratization in Hong Kong It asks why democracy has been so long delayed when Hong Kong's level of socio economic development has become so high It relates democratization in Hong Kong to wider studies of the democratization process elsewhere and it supplements the received wisdom that democracy was delayed because of colonial rule and by the opposition of China with new thinking for example that its quasi bureaucratic authoritarian political structure vested power in bureaucrats who refused to have top down democratization a politically weak civil society and a non participant political culture that crippled bottom up democratization plus the division between pro democratic civil society and political society

Political Culture And Communist Studies Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Political Culture And Communist Studies PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Political Culture And Communist Studies PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while

supporting the authors and publishers who make these resources available. In conclusion, the availability of Political Culture And Communist Studies free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Political Culture And Communist Studies Books

What is a Political Culture And Communist Studies PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Political Culture And Communist Studies PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Political Culture And Communist Studies PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Political Culture And Communist Studies PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Political Culture And Communist Studies PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs?

Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
