*Daniel Walker Howe*

# Political Culture Of The American Whigs

**E.J. Dionne, Jr.**

## **Political Culture Of The American Whigs:**

*The Political Culture of the American Whigs* Daniel Walker Howe, 1979 Howe studies the American Whigs with the thoroughness so often devoted their party rivals the Jacksonian Democrats He shows that the Whigs were not just a temporary coalition of politicians but spokesmen for a heritage of political culture received from Anglo American tradition and passed on with adaptations to the Whigs Republican successors He relates this culture to both the country's economic conditions and its ethno-religious composition

**The Political Culture of the American Whigs** Daniel Walker Howe, 1979-01-01 Howe studies the American Whigs with the thoroughness so often devoted their party rivals the Jacksonian Democrats He shows that the Whigs were not just a temporary coalition of politicians but spokesmen for a heritage of political culture received from Anglo American tradition and passed on with adaptations to the Whigs Republican successors He relates this culture to both the country's economic conditions and its ethno-religious composition

**McClellan's War** Ethan S. Rafuse, 2011-11-23 An important book that rescues George B McClellan's military reputation Chronicles Bold brash and full of ambition George Brinton McClellan seemed destined for greatness when he assumed command of all the Union armies before he was 35 It was not to be Ultimately deemed a failure on the battlefield by Abraham Lincoln he was finally dismissed from command following the bloody battle of Antietam To better understand this fascinating however flawed character Ethan S Rafuse considers the broad and complicated political climate of the earlier 19th Century Rather than blaming McClellan for the Union's military losses Rafuse attempts to understand his political thinking as it affected his wartime strategy As a result Rafuse sheds light not only on McClellan's conduct on the battlefields of 1861-62 but also on United States politics and culture in the years leading up to the Civil War Any historian seriously interested in the period will come away from the book with useful material and a better understanding of George B McClellan *Journal of Southern History* Exhaustively researched and lucidly written Rafuse has done an excellent job in giving us a different perspective on Little Mac Civil War History Rafuse's thoughtful study of Little Mac shows just how enthralling this complex and flawed individual continues to be *Blue Gray magazine*

**The Rise and Fall of the American Whig Party** Michael F. Holt, 2003-05-01 Here Michael F Holt gives us the only comprehensive history of the Whigs ever written He offers a panoramic account of the tumultuous antebellum period a time when a flurry of parties and larger than life politicians Andrew Jackson John C Calhoun Martin Van Buren and Henry Clay struggled for control as the U S inched towards secession It was an era when Americans were passionately involved in politics when local concerns drove national policy and when momentous political events like the Annexation of Texas and the Kansas Nebraska Act rocked the country Amid this contentious political activity the Whig Party continuously strove to unite North and South emerging as the nation's last great hope to prevent secession

*The Whigs' America* Joseph W. Pearson, 2020-09-01 Passionate political disagreement is as old as the American Republic and the antebellum era the thirty years before the Civil War was as rife with partisan discord as any in our history From 1834 to 1856

the Whigs battled their opponents the Jacksonian Democrats for offices prestige and power The partisan expression of America s rising middle class the Whigs boasted such famous members as Henry Clay Daniel Webster and William Henry Seward and the party supported tariffs banks internal improvements moral reform and public education In The Whigs America Joseph W Pearson explores a variety of topics including the Whigs understanding of the role of the individual in American politics their perceptions of political power and the rule of law and their impressions of the past and what should be learned from history Long dismissed as a party bereft of ideas Pearson provides a counterbalance to this trend through an attentive examination of writings from party leaders contemporaneous newspapers and other sources Throughout he shows that the party attracted optimistic Americans seeking achievement community and meaning through collaborative effort and self control in a world growing more and more impersonal Pearson effectively demonstrates that while the Whigs never achieved the electoral success of their opponents they were rich with ideas His detailed study adds complexity and nuance to the history of the antebellum era by illuminating significant aspects of a deeply felt shared culture that informed and shaped a changing nation

**American Political Cultures** Richard J. Ellis,1993-07-29 This work challenges the thesis first formulated by de Tocqueville and later systematically developed by Louis Hartz that American political culture is characterized by a consensus on liberal capitalist values Ranging over three hundred years of history and drawing upon the seminal work anthropologist Mary Douglas Richard Ellis demonstrates that American history is best understood as a contest between five rival political cultures egalitarian community competitive individualism hierarchical collectivism atomized fatalism and autonomous hermitude

**Dilemmas of Presidential Leadership** Richard Ellis,Aaron B. Wildavsky,1989-01-01 Dilemmas of Presidential Leadership challenges the widely accepted distinction between traditional and modern presidencies a dichotomy by which political science has justified excluding from its domain of inquiry all presidents preceding Franklin Roosevelt Rather than divide history into two mutually exclusive eras Richard Ellis and Aaron Wildavsky divide the world into three sorts of people egalitarians individualists and hierarchs All presidents the authors contend must manage the competition between these rival political cultures It is this commonality which lays the basis for comparing presidents across time To summarize and simplify the book addresses two general categories of presidencies The first is the president with a blend of egalitarian and individualist cultural propensities Spawned by the American revolution this anti authoritarian cultural alliance dominated American politics until it was torn asunder by what Charles Beard has called the second American revolution the Civil War The Jeffersonian and Jacksonian presidents labored with varying degrees of success to square the exercise of authority with their own and their followers anti authoritarian principles They also were faced with intraparty conflicts that periodically flared up between egalitarian and individualist followers The president with hierarchical cultural propensities faced different problems While the precise contours of the dilemma varied all struggled in one way or another to reconcile their own and their party s preferences with the anti hierarchical ethos that inhered in the

society and the polity Hierarchical presidents like Washington and Adams were hamstrung by this dilemma as were Whig leaders like Henry Clay and Daniel Webster who aspired to the presidency but never achieved it Abraham Lincoln's greatness resided in part in his ability to resolve the hierarchy's dilemma He operated in wartime when he could invoke the commander in chief clause and he created a new cultural combination in which hierarchy was subordinated to individualism This suggests the author was a key to his greatness The unique dimension of this volume is its use of cultural theory to explain presidential behavior It also differs from other books in that it deals with pre modern presidents who are too often treated as only of antiquarian interest in mainstream political science literature on the presidency The analysis lays the groundwork for a new basis for comparison of early presidents with modern presidents Democracy's Discontent Michael J. Sandel, 1998-02-06 In a searching account of current controversies over morality in politics Michael Sandel discovers that we suffer from an impoverished vision of citizenship and community Democracy's Discontent provides a new interpretation of the American political and constitutional tradition that offers hope of rejuvenating our civic life **The Concept of Political Culture** Stephen Welch, 2016-07-27 erudite thought provoking and well written Archie Brown Professor of Politics Oxford University The return to prominence of the concept of political culture offers an opportunity to re evaluate its contribution to the social sciences This study casts a broader net embracing not only political science with equal emphasis placed on the concept's use in communist studies but also sociology and history On this basis a distinctive theory of political culture and not merely another typology is developed Political culture instead of being a token in the sterile debate between interest and culture based explanation offers the means of transcending that debate *Enterprising Elite* Robert F. Dalzell, 1987 More than any other single group of individuals the Boston Associates were responsible for the sweeping economic transformation that occurred in New England between 1815 and 1861 Through the use of the corporate form they established an extensive network of modern business enterprises that were among the largest of the time Their most notable achievement was the development of the Waltham Lowell system in the textile industry but they were also active in transportation banking and insurance and at the same time played a major role in philanthropy and politics Evaluating each of these efforts in turn and placing the Associates in the context of the society and culture that produced them the author convincingly explains the complex motives that led the group to undertake initiatives on so many different fronts Dalzell shows that men like Francis Cabot Lowell Nathan Appleton and Amos and Abbott Lawrence are best understood as transitional figures Although they used modern methods when it suited their interest they were most concerned with protecting the positions they had already won at the top of a traditional social order Thus for all the innovations they sponsored their commitment to change remained both partial and highly selective And while something very like an industrial revolution did occur in New England during the nineteenth century paradoxically the Associates neither sought nor welcomed it On the contrary as time passed they became increasingly preoccupied with combating the forces of change In

addition to the light it sheds on a crucial chapter of business history this gracefully written study offers fresh insights into the role and attitudes of elites during the period Furthermore it contradicts some of the prevailing thought about entrepreneurial behavior in the early phases of industrialization in America     Conservatism and Southern Intellectuals, 1789-1861 Adam L. Tate,2005     **The Oxford Encyclopedia of American Political and Legal History** ,2012-04-17 The Oxford Encyclopedia of American Political and Legal History brings together in one authoritative reference work an unparalleled wealth of information about the laws institutions and actors that have governed America throughout its history Embracing the interconnectedness of politics and law The Encyclopedia addresses all aspects of both spheres from presidents and Supreme Court justices to specifics of policy history critical legislation and party formation Entries capture the unique nature of the nation s founding principles embodied in the Constitution the expansive nature of American democracy political conflict and compromise and the emergence of the modern welfare and regulatory state all of which evince the tensions contradictions and possibilities manifest throughout America s history Clearly demonstrating how US politics and law have evolved since the colonial era The Encyclopedia encourages readers to anticipate further changes With over 450 articles by expert scholars each signed entry features numerous cross references and discussion of political and legal history as well as additional sources for further study This two volume A to Z compendium is a reference work of unparalleled depth and scope and will introduce a new generation of readers to the complexities of this dynamic field of study It also features extensive cross referencing a topical outline and a subject index     **The Fictional Republic** Carol Nackenoff,1994 Investigating the persistence and place of the formulas of Horatio Alger in American politics The Fictional Republic reassesses the Alger story in its Gilded Age context Carol Nackenoff argues that Alger was a keen observer of the dislocations and economic pitfalls of the rapidly industrializing nation and devised a set of symbols that addressed anxieties about power and identity As classes were increasingly divided by wealth life chances residence space and culture Alger maintained that Americans could still belong to one estate The story of the youth who faces threats to his virtue power independence and identity stands as an allegory of the American Republic Nackenoff examines how the Alger formula continued to shape political discourse in Reagan s America and beyond     **The Origins of the American High School** William J. Reese,1999-01-01 An analysis of the social changes and political debates that shaped 19th century American high schools It reveals what students studied and how they behaved what teachers expected of them and how they taught and how boys and girls whites and blacks experienced high school     **Our Divided Political Heart** E.J. Dionne, Jr.,2013-01-29 One of America s most respected and well known political analysts weighs in on what is tearing us apart the ascendancy of individualism and the diminishment of community just in time for the election Our Divided Political Heart will be the must readbook of the 2012 election campaign Offering an incisive analysis of how hyper individualism is poisoning the nation s political atmosphere E J Dionne Jr argues that Americans can t agree on who we are because we can t agree on who we ve been or what it is philosophically and

spiritually that makes us Americans Dionne takes on the Tea Party's distortions of American history and shows that the true American tradition points not to radical individualism but to a balance between our love of individualism and our devotion to community Dionne offers both a fascinating tour of American history from the Founding Fathers to Clay and Lincoln and on to the Populists the Progressives and the New Dealers and also an analysis of our current politics that shatters conventional wisdom The true American idea far from endorsing government inaction or indifference has always viewed the federal government as an active and constructive partner with the rest of society in promoting prosperity opportunity and American greatness The ability of the American system to self correct is its greatest asset and Dionne challenges progressives to embrace the American story Our fractious but productive past offers us the resources both to rediscover the idea of progress and to put an end to our fears of decline Our Divided Political Heart will be required reading for all who seek a path out of our current impasse Publisher's website

**The Public and Its Possibilities** John D. Fairfield, 2010-03-26 In his compelling reinterpretation of American history The Public and Its Possibilities John Fairfield argues that our unrealized civic aspirations provide the essential counterpoint to an excessive focus on private interests Inspired by the revolutionary generation nineteenth century Americans struggled to build an economy and a culture to complement their republican institutions But over the course of the twentieth century a corporate economy and consumer culture undercut civic values conflating consumer and citizen Fairfield places the city at the center of American experience describing how a resilient demand for an urban participatory democracy has bumped up against the fog of war the allure of the marketplace and persistent prejudices of race class and gender In chronicling and synthesizing centuries of U.S. history including the struggles of the antislavery labor women's rights movements Fairfield explores the ebb and flow of civic participation activism and democracy He revisits what the public has done for civic activism and the possibility of taking a greater role In this age where there has been a move towards greater participation in America's public life from its citizens Fairfield's book written in an accessible jargon free style and addressed to general readers is especially topical

**Political Groups, Parties, and Organizations That Shaped America** Scott H. Ainsworth Ph.D., Brian M. Harward, 2019-07-19 This three volume set explores the multiple roles that parties and interest groups have played in American politics from the nation's beginnings to the present This set serves as an essential resource for analyzing the emergence and impact of parties and interest groups in the American political system and for understanding the systematic and structural bases for interest group and party behavior Volume One opens with an introduction by the editors that provides a general overview of the eras and identifies important themes and events laying a foundation on which the subsequent essays and primary documents for each interest group or political party builds Narrative essays focus on how specific parties or interest groups have shaped or reflect a particular set of events or general themes in each of the eras in American political history Topical entries reflect key themes developed throughout the volumes Entries range from important founding groups and parties to contemporary political action committees and policy advocacy

groups The set also includes primary source documents e g letters platform documents court decisions flyers etc that reveal important dimensions of the corresponding group s political influence      The Presidency of Andrew Jackson Donald B. Cole,1993 In 1829 Andrew Jackson arrived in Washington in a carriage Eight years and two turbulent presidential terms later he left on a train Those years among the most prosperous in American history saw America transformed not only by growth in transportation but by the expansion of the market economy and the formation of the mass political party Jackson s ambivalence and that of his followers toward the new politics and the new economy is the story of this book Historians have often depicted the Old Hero or Old Hickory as bigger than life so prominent that his name was wed to an era Donald Cole presents a different Jackson one not always sure of himself and more controlled by than in control of the political and economic forces of his age He portrays Jackson as a leader who yearned for the agrarian past but was also entranced by the future of a growing market economy The dominant theme of Jackson s presidency Cole argues was his inconsistent and unsuccessful battle to resist market revolution Elected by a broad coalition of interest groups Jackson battled constantly not only his opponents but also his supporters He spent most of his first term rearranging his administration and contending with Congress His accomplishments were mostly negative relocating Indians vetoing road bills and the Bank bill and opposing nullification The greatest achievement of his administration the rise of the mass political party was more the work of advisers than of Jackson himself He did however make a lasting imprint Cole contends Through his strength passions and especially his anxiety Jackson symbolized the ambivalence of his fellow Americans at a decisive moment a time when the country was struggling with the conflict between the ideals of the Revolution and the realities of nineteenth century capitalism

**Warfare in the USA 1784-1861** Samuel Watson,2017-11-22 This unprecedented compilation provides the fullest examination anywhere available of the crucial social political and strategic and policy level issues of American military history between the Revolution and the Civil War civil military relations and the military s place in American society and politics westward expansion and the diverse peacetime missions assigned the military especially constabulary missions and operations force structure mobilization and the formation of military strategy in support of national objectives and military preparedness administration reform and professionalization The introduction links all of these issues pointing to the increasing scale scope and organization and the growing dominance of national forces in American military institutions and operations during this important period      **Liberty and Power** Harry L. Watson,2006-05-02 As an engaging and persuasive survey of American public life from 1816 to 1848 this work remains a landmark achievement Now updated to address twenty five years of new scholarship the book interprets the exciting political landscape that was the age of Jackson a time that saw the rise of strong political parties and an increased popular involvement in national politics In this work the author examines the tension between liberty and power that both characterized the period and formed part of its historical legacy

## Political Culture Of The American Whigs Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Political Culture Of The American Whigs free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Political Culture Of The American Whigs free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Political Culture Of The

American Whigs free PDF files is convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but its essential to be cautious and verify the authenticity of the source before downloading Political Culture Of The American Whigs. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether its classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Political Culture Of The American Whigs any PDF files. With these platforms, the world of PDF downloads is just a click away.

### FAQs About Political Culture Of The American Whigs Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility.
