Political Education and Stability Ted Tapper,1976

Political Education and Stability Edward Tapper,1976

Political Culture in Libya Amal S M Obeidi,Amal Obeidi,2013-09-05 Few empirical studies of Arab countries have dealt with political culture and political socialisation or focused on people s beliefs values and attitudes towards the government or political leaders mainly because the regimes have been reluctant to allow opinion to be tested The significance of this book is that it assesses the influence of state ideology on the new generation of Libyans and examines their political culture

Contradictions of Control Linda M. McNeil,2013-10-14 McNeil traces the poor quality of high school instruction t the tensions between the social control purposes of schooling and the schools educational goals *Growing into Politics* Simone Abendschön,2013-11-01 This book presents up to date empirical research on crucial questions of political socialisation It suggests new approaches and answers to a classic but still valid question of political socialisation research Who learns what from whom under what circumstances and with what effects Greenstein 1965 13 The volume maintains that political socialisation is no universal or independent phenomenon but one significantly shaped by the surrounding parameters of the society in which it is embedded Therefore deficits in political socialisation research have become especially clear in light of political and societal changes over recent decades The book contributes to two important discussions in the study of political socialisation first the question of the relative importance of socialisation agents and contexts second inextricably interwoven with the first the timing of political socialisation From a European perspective articles in the volume shed light on old problems and topics of the field using new methodological approaches or dealing with long neglected perspectives such as young children s democratic learning or political socialisation Includes quantitative approaches as well as innovative and explorative case studies

The Sociology of Higher Education Miriam David,Rajani Naidoo,2013-09-13 The Sociology of Higher Education Reproduction Transformation and Change in a Global Era provides an exciting and conceptually rich approach to the sociology of higher education It offers innovative perspectives on the future of universities within the new and emerging research sub field of the sociology of global higher education The twenty first century has witnessed wide ranging structural and ideological transformations in higher education which have created both a sense of opportunity as well as crisis and loss in the urgent debates around the legitimate roles of the university in the 21st century The chapters represent a diverse and vibrant field illustrating a sociological imagination and a dynamic engagement with the key challenges facing higher education and confirming continuing inequalities through internationalisation This book is comprised of a broad selection of articles originally published in the British Journal of Sociology of Education Making Citizens Philo C. Wasburn,Tawnya J. Adkins Covert,2017-01-24 This book assembles what political scientists sociologists and communication analysts have learned in almost six decades of research on political socialization the lifelong process by which we acquire political beliefs It also explores how people develop political values attitudes identities and behavioral

dispositions Of particular interest to Philo C Wasburn and Tawnya J Adkins Covert is the process by which people are made into active citizens who are politically interested informed partisan tolerant and engaged Finally Wasburn and Adkins Covert identify some suggestions for institutional change that would lead to better citizenship *Children of Mao* Anita
