Political Opposition And Foreign Policy In Comparative Perspective:

Political Opposition and Foreign Policy in Comparative Perspective Joe D. Hagan, 1988 **Foreign Policy in Comparative Perspective** Ryan K. Beasley, Juliet Kaarbo, Jeffrey S. Lantis, Michael T. Snarr, 2012-04-25 Widely regarded as the most comprehensive comparative foreign policy text *Foreign Policy in Comparative Perspective* has been completely updated in this much anticipated second edition Exploring the foreign policies of thirteen nations both major and emerging players and representing all regions of the world chapter authors link the study of international relations to domestic politics while treating each nation according to individual histories and contemporary dilemmas The book's accessible theoretical framework is designed to enable comparative analysis helping students discern patterns to understand why a state acts as it does in foreign affairs *Foreign policy in Comparative Perspective: Domestic and International Influences on State Behavior* Ryan K. Beasley, 2013 In this much anticipated revision of their unique text the editors bring together fifteen top scholars to highlight the importance of both internal and external forces in foreign policymaking *Political Opposition and Foreign Policy in Comparative Perspective* Joe D. Hagan, 1994 Hagan's exploration of the linkages between domestic political opposition and foreign policy behavior draws on his empirical analysis of 88 political regimes in 38 national political systems **The New Foreign Policy** Laura Neack, 2003 Table of contents *Routledge Handbook of Populism and Foreign Policy* David Cadier, Angelos Chrysosgelos, Sandra Destradi, 2025-06-20 This handbook provides a methodical comprehensive and unifying overview of the vibrant yet disparate scholarship on populism and foreign policy By mapping the debates and existing findings as well as presenting the different conceptual and theoretical lenses the handbook provides new insights as to how whether and to what extent populism influences foreign policy Carefully selected international contributors connect their own work to others to offer a thorough theoretically informed and empirically tested academic treatment of the topic across a number of cases where populist actors are or have been in power Divided into four parts Concepts and Theories Factors and Processes Actors and Structures Issues and Policy Areas the diverse and comprehensive insights on the global cross regional and transnational dimensions of populism will be of interest to scholars and students of international relations political science public policy foreign policy political theory populism and area studies This text will also be of interest to those working from the perspectives of Sociology Law and History as well as to the practitioners of international politics **The Oxford Handbook of Foreign Policy Analysis** Juliet Kaarbo, Cameron G. Thies, 2024 The Oxford Handbook of Foreign Policy Analysis provides an inclusive and forward looking assessment of this subfield Edited and written by a team of word class scholars it sets the agenda for future research in FPA and in IR **Foreign Policy** Steve Smith, Amelia Hadfield, Timothy Dunne, 2012-06-21 Foreign Policy is unique in that it combines theories actors and cases in one volume This approach encourages the reader to appreciate a balanced view of the theory and how foreign policy is carried out in the real world *Expanding the Zone of Peace?* Alexander V. Kozhemiakin, 2016-01-20 Kozhemiakin examines the impact of

democratization on the foreign policy of transitional regimes On the basis of the case studies of four currently democratizing nations Russia Ukraine Serbia and Hungary and a quantitative analysis of several dozen contemporary and historical cases of democratization the book challenges the frequently made assumption that international peace is invariably strengthened by the process of democratization *Indonesia's Ascent* C. Roberts,A. Habir,L. Sebastian,2015-03-10 This volume explores the domestic and transnational considerations associated with Indonesia s ascent referring to its rise in terms of hard and soft power and its likely trajectory in the future The range of contributors analyse economic resources religious harmony security regional relations leadership and foreign policy *Foreign Policy Analysis* Valerie M. Hudson,Benjamin S. Day,2019-09-03 This succinct yet comprehensive introduction to Foreign Policy Analysis FPA is geared toward advanced undergraduate and beginning graduate students Cogently written clearly organized and filled with illuminating examples the third edition has been thoroughly revised and updated Beginning with an overview of this broad field of study Hudson and Day consider theory and research at multiple levels of analysis including personality and psychology of foreign policy decision makers small group dynamics the organizational process bureaucratic politics domestic politics cultural and societal influences national attributes and system level effects on foreign policy The authors also examine the promise and frustration of theoretical integration in FPA and overview promising new work by non North American scholars **Stable Peace Among Nations** Arie Marcelo Kacowicz,2000 This book builds on the original conceptualization of stable peace by Kenneth Boulding and adds contemporary theoretical and empirical understandings of its nature causes conditions dimensions and prospects for consolidation and expansion In original research fifteen international scholars assess the policy relevance of stable peace for the Middle East peace process and for the future of Europe **America's Allies and War** J. Davidson,2011-04-11 Why do Britain France and Italy provide or refuse military support for U S led uses of force This book provides a unique multiple case study analysis of transatlantic burden sharing Sixty original interviews with top policymakers and analysts provide insight into allies decisions regarding the Kosovo War Afghanistan and the Iraq War **Comparing Institution-Building in East Asia** H. Yoshimatsu,2014-05-29 Yoshimatsu explores the causes and implications of the diverse degree of institution building in East Asia by examining two processes of initiating and developing multilateral institutions in five policy areas trade finance food security energy security and the environment **Strategic Dilemmas and the Evolution of German Foreign Policy since Unification** Jeffrey Lantis,2002-09-30 Lantis examines continuity and change in German foreign policy in the decade since unification Between 1949 and 1990 the Federal Republic of Germany pursued one of the most consistent foreign policy patterns of any Western power Restrictions on an assertive German military posture became deeply rooted in the public psyche in foreign policy tradition and in the Basic Law However the end of the Cold War the collapse of the Soviet Union and the unification of Germany have fundamentally changed the international and domestic parameters of German foreign policy A review of contemporary developments shows that a dramatic evolution of German foreign policy is

currently underway from checkbook diplomacy in the Gulf War to the humanitarian relief mission in the Horn of Africa and from Contact Group diplomacy to airstrikes in Kosovo To explore this evolution of German foreign policy since unification Lantis presents an innovative model of external internal linkages derived from two important areas of scholarship on the role of international crises as catalysts for foreign policy change and the importance of domestic political conditions that ultimately determine the scope and pace of such change Five original case studies place German political debates about how best to respond to challenges of the post Cold War era in social and historical context by drawing on discursive analyses of government documents parliamentary debates and elite interviews These cases illustrate the rise of a new consensus on the political left for engagement in global affairs reinterpretations of historical lessons for contemporary German policy and the constitutional challenges of global activism since unification Of particular interest to scholars students and researchers involved with German politics international security policy and comparative foreign policy

Constrained Balancing: The EU's Security Policy D. Peters, 2010-05-26 The creation of the EU's autonomous security policy in 1999 ended ten years of political conflict In this book the policies of Britain and Germany are analyzed as those of constrained balancing balancing US post Cold War supremacy with the constraints of established security institutions *Domestic Political Change and Grand Strategy* National Bureau of Asian Research (U.S.), 2007 Based upon work supported by the Department of Energy National Nuclear Security Administration under Award Number DE FG52 03SF22724 *Political Leadership in Foreign Policy* A. Grove, 2007-04-30 Challenging the standard views that individual leaders either have all the power or little room to move in the making of foreign policy this book demonstrates various ways that leaders succeed by manipulating elements of their domestic and international environments The Leadership Challenge in Africa John Mukum Mbaku, Joseph Takougang, 2004 This collection of essays written by an outstanding group of scholars makes a significant contribution to the debate on poverty alleviation in Cameroon the country's stalled transition to democratic governance identity and citizenship and the equitable allocation of resources The essays contain a refreshing rigorous and informative analysis of the Biya regime opposition politics and provides practical strategies to enhance peaceful co existence and sustainable development in the country The World in Canada David Carment, David Bercuson, 2008-02-07 In response to these questions contributors trace changes in Canada's demographic make up explore the relationship between domestic politics and Canadian foreign policy across the fields of diplomacy development defense and security and immigration and determine the extent to which Quebec's sensibilities to international issues differ from those of the rest of the country The World in Canada argues that under certain conditions the motivation to pursue certain policy choices arises as much from domestic considerations as from the international conditions associated with them
