**Disha Experts**

## **Political Parties Of The World:**

Political Parties of the World Alan John Day, Henry W. Degenhardt, 1980      **Why the World Needs Global Political Parties** Dr. Jalil Ahmad, 2022-01-21 It will not be an overstatement to say that the world we are living in is in disarray From ever increasing population to lack of updated education minuscule business economic opportunities poverty environmental degradation terrorism corruption manipulated elections and exorbitant misuse of natural resources the world has constantly been experiencing a devastating effect Those who are in charge of solving these issues are busy spouting racist rhetoric to score votes by manipulating controlling elections and exploiting markets resources of other nations In Global Political Party for Self Empowerment Dr Jalil Ahmad has shed light on all these issues as well as proposed a remarkable solution for people to achieve self empowerment through updated education funded by the government unbiased and controlled elections and citizen s right to have access to the capital of the country This vision is not for one country but for the whole world Most issues are global therefore these can be solved only by global efforts regulations and global political parties By aligning their goals and empowering their people through the fair democratic process nations can not only eradicate world poverty hunger and illiteracy but also create harmony among people and far better economic opportunities that exist now With required updated government funded education citizens access to capital and uncontrolled elections on our planet we can take the first step to have a more equitable prosperous and peaceful world      Political Parties in Africa Sebastian Elischer, 2013-09-09 This book examines the effects of ethnicity on party politics in sub Saharan Africa Sebastian Elischer analyzes political parties in Ghana Kenya and Namibia in detail and provides a preliminary analysis of parties in seven other countries including Tanzania Botswana Senegal Zambia Malawi Burkina Faso and Benin Elischer finds that five party types exist the mono ethnic the ethnic alliance the catch all the programmatic and the personalistic party He uses these party types to show that the African political landscape is considerably more diverse than conventionally assumed Whereas ethnic parties dominate in some countries non ethnic parties have become the norm in others This study also finds a correlation between a country s ethnic make up and the salience of political ethnicity countries with a core ethnic group are prone to form non ethnic parties In countries lacking a core ethnic group ethnic parties constitute the norm      **The Greater World: Our World in Visuals, Facts, and Maps** Pasquale De Marco, 2025-07-13 Embark on a journey of exploration and discovery with The Greater World Our World in Visuals Facts and Maps a comprehensive guide to our planet s geography people history politics environment and future Immerse yourself in the world s diverse landscapes from towering mountains to vast oceans and gain a deeper understanding of the intricate forces that shape our planet Delve into the rich tapestry of human history from ancient civilizations to modern metropolises and explore the factors that have influenced the development of societies across the globe Uncover the complexities of the world s political systems examining different forms of government political parties and international organizations Understand the challenges and opportunities posed by globalization migration and

technological advancements and explore the ways in which we can create a more sustainable and equitable future for all Discover the beauty and fragility of our natural world examining the impact of climate change pollution deforestation water scarcity and biodiversity loss Learn about the efforts being made to protect our planet and the measures we can take to ensure a healthy and sustainable future for generations to come With stunning visuals informative maps and engaging text The Greater World Our World in Visuals Facts and Maps is an essential resource for students travelers and anyone seeking a deeper understanding of our world Whether you re planning your next adventure expanding your knowledge or simply satisfying your curiosity this book is your gateway to unlocking the wonders of our planet If you like this book write a review

Transnational Politics and the State Jean-Michel Lafleur, 2013 In just two decades the number of states that have adopted external voting policies has boomed Today these policies which allow emigrants to take part in home country elections from abroad are widely found in Europe and Latin America Looking at the cases of Italy Mexico and Bolivia this book examines the motivations and consequences for states that enfranchise citizens abroad This analysis sheds light on the impact of emigrants in home country politics the motivations for emigrants to take part in the elections of a country where they no longer reside and the consequences of this practice on receiving societies With a multi disciplinary approach this book will appeal to scholars and students of sociology political science legal studies international relations migration and transnationalism

**Democracy--a Failure, Shefocracy--the Solution, for Human Welfare** R. N. Mukherjee, 2000 Citing the widespread disenchantment with party politics political corruption and governmental instability Mukherjee argues that democracy the accepted form of governance in most countries has failed The solution to these problems he argues is the self contrived alternative political philosophy called Shefocracy which differs from democracy only in the nature of the elections

How Constitutional Rights Matter Adam Chilton, Mila Versteeg, 2020-06-19 Does constitutionalizing rights improve respect for

those rights in practice Drawing on statistical analyses survey experiments and case studies from around the world this book argues that enforcing constitutional rights is not easy but that some rights are harder to repress than others First enshrining rights in constitutions does not automatically ensure that those rights will be respected For rights to matter rights violations need to be politically costly But this is difficult to accomplish for unconnected groups of citizens Second some rights are easier to enforce than others especially those with natural constituencies that can mobilize for their enforcement This is the case for rights that are practiced by and within organizations such as the rights to religious freedom to unionize and to form political parties Because religious groups trade unions and parties are highly organized they are well equipped to use the constitution to resist rights violations As a result these rights are systematically associated with better practices By contrast rights that are practiced on an individual basis such as free speech or the prohibition of torture often lack natural constituencies to enforce them which makes it easier for governments to violate these rights Third even highly organized groups armed with the constitution may not be able to stop governments dedicated to rights repression When constitutional rights are enforced by dedicated organizations they are thus best understood as speed bumps that slow down attempts at repression An important contribution to comparative constitutional law this book provides a comprehensive picture of the spread of constitutional rights and their enforcement around the world      *THE ENCYCLOPEDIA AMERICANA* ,1919

This Engaging World of Kindle Books: A Comprehensive Guide Unveiling the Advantages of Kindle Books: A Realm of Ease and Flexibility Kindle books, with their inherent portability and simplicity of access, have freed readers from the limitations of physical books.
