The Political Racket Martin Louis Gross,1996 In this hard hitting investigation renowned journalist and political analyst Martin L Gross exposes the secret world of American politicians and outlines a plan to totally reform the system and replace the political class with dedicated citizens

Corporate Wrongdoing and the Art of the Accusation Robert R. Faulkner,2011 This book addresses an old and basic question what is the moral order of the market Corporate Wrongdoing and the Art of the Accusation is an exploration of accusations of wrongdoing and the revelations these accusations expose about the dark side of capitalism and modern corporations in their relationships with suppliers buyers peers investment banks and state regulators The study explores data gathered from the past twenty years including over a thousand accusations of economic wrongdoing in corporate America

**Ethics and Political Practice** Noel Preston,Charles Sampford,2012-10-02 Scrutinizing the practice of legislators and politicians from an ethical perspective this work looks closely at various methods to facilitate ethical conduct

**Congress And The Decline Of Public Trust** Joseph Cooper,2018-03-05 Since the late 1960s trust in government has fallen precipitously The nine essays composing this volume detail the present character of distrust analyze its causes assess the dangers it poses and suggest remedies The focus is on trust in the Congress The contributors also examine patterns of trust in societal institutions and the presidency especially in light of the Clinton impeachment controversy Among the themes the book highlights are the impacts of present patterns of politics the consequences of public misunderstanding of democratic politics the significance of poll data and the need for reform in campaign finance media practices and civic education

**The Relativity of Deviance** John Curra,2016-01-25 This engaging and informative book by award winning sociologist and criminologist John Curra offers a valuable perspective on attitudes and behaviors labeled as deviant The Relativity of Deviance Fourth Edition explores the meanings and constructions of social deviance and social reactions to it he answers such questions as What is deviance What comprises deviant behavior How are deviants treated How is deviance socially constructed and socially sustained Why is the same attitude behavior or condition praised in one situation and condemned in another Through insightful and thought provoking examples and informed accounts the author illustrates that deviance cannot be explained or understood in terms of absolutes or essential characteristics nor can it be explained or understood apart from its social setting This book approaches sex violence theft drugs suicide rape and mental disorders in a way that shows the critical role of sociocultural factors and social reactions in constructions of deviance and crime

**Congress and the Foreign Policy Process** Cecil V. Crabb, Jr.,Glenn J. Antizzo,Leila S. Saredidine,2000-02-01 In this highly original and thoroughly informed study Cecil V Crabb Jr Glenn Antizzo and Leila S Saredidine identify and examine recurring modes or patterns of legislative behavior over the span of America s diplomatic experience Although congressional involvement in foreign policy making has received much scholarly attention this work is groundbreaking in that it focuses on those patterns of congressional conduct that have repeated themselves over

time and on the basis of experience will probably continue to occur Thus it creates a large predictable framework of legislative activity concerning America s problems abroad to which students of U S foreign policy can relate Congress s actions in any era The authors identify four models of legislative conduct congressional assertiveness and activism in foreign affairs congressional acquiescence in diplomatic leadership by the president a bipartisan approach and a division of labor model in which both the president and Congress play significant but essentially different roles In examining each of these modes the authors explore the circumstances and factors that gave rise to each pattern and evaluate its positive and negative results for the overall foreign policy of the United States Brimming with lively language and invaluable observations Congress and the Foreign Policy Process offers a thought provoking means to understanding a complex and important area in the study of American government

*Elite Deviance* David Simon,2018-02-05 Tracing the causes of elite deviance to the structure of U S power and wealth this book introduces students to theories of elite deviance and covers both criminal and non criminal elite acts that cause significant harm This considerably updated 11th edition enriches its coverage of both historical and contemporary elite deviance Updates include New and expanded discussions on history property and historical critique from Revolutionary America onward New analysis on Donald Trump his cabinet members of the political elite his relationship with the EPA and his business connections Investigation into Caribbean and European tax havens An extended review on elite deviance and increasing inequalities Very current information and examples of scandals in international conflicts The section on changing media patterns

**Political Corruption in Sub-Saharan Africa** Kennedy Geoffrey Ondieki,1997

**Great Government Goofs!** Leland Gregory,1997 The unofficial guide to the wacky mistakes our leaders don t want us to know about

*National Suicide* Martin L. Gross,2009-09-01 From the New York Times bestselling author of *The Government Racket* *A Call for Revolution* and *The Tax Racket* comes a scathing indictment of the dysfunctional federal government and its reckless disregard for the future of our country The government of the United States is a juggernaut of mismanagement malfeasance and incompetence Despite the strong foundation laid down by the founding fathers it is headed to extinction From the Alternative Minimum Tax to Zip Codes New York Times bestselling author Martin L Gross outlines the programs that have exploded financially the laws that had completely unintended consequences and the scams perpetrated by legislators intent upon remaining in office no matter what the cost to the nation and its citizens

**American Government and Politics** Fenton S. Martin,Robert Goehlert,1997 A unique new bibliography that helps teachers and students particularly at the high school level find information about government topics The selected books reflect a variety of scholastic levels but avoid works that are beyond the level of most high school students or works that rely heavily on statistical methods The entries are organized in a classified arrangement by topics that appear in most high school government textbooks Each entry lists the title author year of publication page count and publisher and also provides a brief description of the book

**Encyclopedia of American Government** Ed Joseph M Bessette,1998-09 Contains two hundred

alphabetically arranged articles discussing subjects important to American government *Journal of International Affairs*, 1997 **Inside Congress** Ronald Kessler, 1997 Based on in depth interviews with Capitol Police officers doormen elevator operators waiters clerks staffers and members of the House and Senate themselves Inside Congress exposes the arrogance hypocrisy lies and outright lawlessness of Republican and Democrat alike **White Collar Deviance** David R. Simon, Frank E. Hagan, 1999 In 1996 a National White Collar Crime Center definition officially made ethical issues part of the study of white collar crime or as the authors prefer white collar deviance This text explores the implications of the new definition discussing various aspects and manifestations of political *Voting Rites* Ron Hirschbein, 1999-12-30 Does it really matter if a voter decides to vote or as a significant number of Americans do each election not vote Ron Hirschbein explores this issue and shows why enfranchisement cannot be understood unless it is placed in context and history Clearly the meaning of a vote depends upon the situation a vote cast among the 400 of Athens or in the College of Cardinals has one significance this is considerably different from pulling a lever every four years in a mass society of spectacles and commodities Hirschbein also examines how voting was transformed from an expression of the political will of the Athenian polity into a sacred natural right only to be turned to a ritual of mass society First Hirschbein looks at the right to vote as the centerpiece of American civic religion He contrasts civic myths about enfranchisement with anthropological realities Specifically he argues that given the intractable mathematics of mass society the chances that a single vote will determine the outcome of an election approach the infinitesimal However he suggests that voting plays a neglected ritual function by constructing legitimizing and celebrating political reality for players and spectators alike Hirschbein then explicates the origins and evanescent meanings of enfranchisement by examining the theory and practice of voting among the citizenry of ancient Athens medieval ecclesiastical bureaucrats Enlightenment natural law thinkers and the founders of the Virtuous Republic He concludes with speculation about possible futures A controversial and important analysis this will be of interest to the general public as well as scholars researchers and policy makers involved with election issues and theories of democracy **The Government Racket 2000** Martin L. Gross, 2000 In this stunning follow up to the 21 week New York Times bestseller *The Government Racket* Washington Waste From A Z Martin Gross has a talent for diagnosing what ails us Washington Times [Subject Guide to Books in Print](#), 2001 *Handelspolitik im US-Kongress* Michael Kolkman, 2015-02-27 Die Verabschiedung des Gesetzes ber die permanente Normalisierung der Handelsbeziehungen mit der VR China im Jahre 2000 kann als die kontroverseste handelspolitische Entscheidung des Kongresses seit den fr hen 1990er Jahren gelten Michael Kolkman zeichnet den parlamentarischen Prozess in den beiden Kammern des US Kongresses nach und bezieht weitere Akteure wie den amerikanischen Pr sidenten Wirtschaftsunternehmen und verb nde Gewerkschaften und Menschenrechtsgruppen mit ein Abschlie end formuliert der Autor Kriterien die die Verabschiedung des PNTR Gesetzes beg nstigt haben und auch in Zukunft handelspolitische Vorlagen im Kongress beg nstigen k nnten
