**Richard J. Badham, Brenda M. Santiago**

## **Political Returns Irony In Politics And Theory From Plato To The Antinuclear Movement:**

**Political Returns** John Evan Seery, 2019-07-11 This book presents a theory of the politics of irony and tests this theory through readings of political theory texts and through an analysis of the politics of the contemporary anti nuclear movement and argues that political writing must be ironic

**America Goes to College** John E. Seery, 2012-02-01 A rallying cry on behalf of a distinctly American institution of higher learning the small liberal arts college America Goes to College combines broad based scholarship with personal narrative and reflection In a highly entertaining manner John E Seery showcases the precarious successes of a well rounded liberal arts college education while at the same time signaling some of the dangers that loom on the horizon Seery contends that the liberal arts are best pursued within the face to face interactive setting characteristic of the small college classroom as opposed to the large university lecture hall Moreover and more provocatively he identifies political theorists as the proper custodians and practitioners of the liberal arts tradition as it unfolds today It is the unfettered freedom of the small liberal arts college where vision and practice can actually coincide that makes it the embodiment of the advantages of the American higher education system a national treasure deserving of support

**The Politics of Sincerity** Elizabeth Markovits, 2010-11 A growing frustration with spin doctors doublespeak and outright lying by public officials has resulted in a deep public cynicism regarding politics today It has also led many voters to seek out politicians who engage in straight talk out of a hope that sincerity signifies a dedication to the truth While this is an understandable reaction to the degradation of public discourse inflicted by political hype Elizabeth Markovits argues that the search for sincerity in the public arena actually constitutes a dangerous distraction from more important concerns including factual truth and the ethical import of political statements Her argument takes her back to an examination of the Greek notion of parrhesia frank speech and she draws from her study of the Platonic dialogues a nuanced understanding of this ancient analogue of straight talk She shows Plato to have an appreciation for rhetoric rather than a desire to purge it from public life providing insights into the ways it can contribute to a fruitful form of deliberative democracy today

***Ironies of Organizational Change*** Richard J. Badham, Brenda M. Santiago, 2023-05-09 This unique book provides a novel and challenging framework for understanding and influencing organizational change It reimagines managing and leading change as the mindful mobilisation of maps masks and mirrors

**Modern Critical Theory and Classical Literature** J.P. Sullivan, Irene J.F. de Jong, 2018-07-17 In recent decades the study of literature in Europe and the Americas has been profoundly influenced by modern critical theory in its various forms whether Structuralism or Deconstructionism Hermeneutics Reader Response Theory or Rezeptions sthetik Semiotics or Narratology Marxist feminist neo historical psychoanalytical or other perspectives Whilst the value and validity of such approaches to literature is still a matter of some dispute not least among classical scholars they have had a substantial impact on the study both of classical literatures and of the mentalit of Greece and Rome In an attempt to clarify issues in the debate the eleven contributors to this volume were

asked to produce a representative collection of essays to illustrate the applicability of some of the new approaches to Greek and Latin authors or literary forms and problems The scope of the volume was deliberately limited to literary investigation broadly construed of Greek and Roman authors Broader areas of the history and culture of the ancient world impinge in the essays but are not their central focus The volume also contains a separate bibliography offering for the first time a complete bibliography of classical studies which incorporate modern critical theory

**The Comedian as Confidence Man** Will Kaufman,1997 In this lively and fascinating analysis of humorists and their work Will Kaufman breaks new ground with his irony fatigue theory The Comedian as Confidence Man examines the humorist s internal conflict between the social critic who demands to be taken seriously and the comedian who never can be the irony fatigue condition Concentrating on eight American literary and performing comedians from the 18th 19th and 20th centuries this study explores the irony fatigue affect that seems to pervade the work of comedians those particular social observers who are obliged to promise Only kidding folks even when they may not be in G B Shaw s words they must put things in such a way as to make people who would otherwise hang them believe they are joking If these social observers are obliged to become in effect confidence men with irony as the satiric weapon that both attacks and diverts then the implications are great for those social critics who above all wish to be heeded

*Plato's Political Thought* John Lombardini,2023-12-18 Plato s political thought continues to be of enduring interest among classicists philosophers political theorists and intellectual historians The present volume introduces readers to the topic through a survey of important recent trends in the scholarly literature focusing on challenges to the authenticity of the Seventh Letter reassessments of the Socratic Problem democratic readings of the Republic and the rehabilitation of the Statesman and Laws It provides an overview of the key methodological issues that must be addressed in interpreting the Platonic dialogues while also suggesting directions for further research

**Men in political theory** Terrell Carver,2024-07-30 Men in political theory builds on feminist re readings of the traditional canon of male writers in Political Philosophy by turning the gender lens on to the representation of men in widely studies texts It explains the distinction between man as an apparently de gendered individual or citizen and man as an overtly gendered being in human society Both these representations of man are crucial to a clearer understanding of the operation of gender Newly available in paperback the book is the first to use the men s studies and masculinities literatures in re thinking the political problems that students and specialists in the social sciences and humanities must encounter consent obligation patriarchy gender sexuality life cycle and discriminatory disadvantage related to sex age class race ethnicity and disability It does this by re examining the historical materials from which present day concepts of citizenship individuality identity subjectivity normativity and legitimacy arise The ten chapters on Plato Aristotle Jesus Augustine Machiavelli Hobbes Locke Rousseau Marx and Engels show the operation of the gender lens in different ways depending on how the philosopher deploys concepts of men and masculinity to pose and solve classic problems They can all be read independently and are as suitable for those just making

the acquaintance of these classic writers as for those with specialist knowledge and interests The Man Question Kathy E. Ferguson, 2023-04-28 Turning on its head that familiar woman question this innovative work poses masculinity as a problem that requires explanation Ferguson rebukes the sense of coherence contained in patriarchal theory in the name of a voice that both calls upon and challenges the category woman Stepping back from the opposition of male and female she artfully loosens the hold of gender on life and meaning creating and at the same time deconstructing a women's point of view Posing the man question provides a way not only to view male power and female subordination but also to valorize and problematize women's experiences thus destabilizing conventional notions of man and woman This title is part of UC Press's Voices Revived program which commemorates University of California Press's mission to seek out and cultivate the brightest minds and give them voice reach and impact Drawing on a backlist dating to 1893 Voices Revived makes high quality peer reviewed scholarship accessible once again using print on demand technology This title was originally published in 1994 Turning on its head that familiar woman question this innovative work poses masculinity as a problem that requires explanation Ferguson rebukes the sense of coherence contained in patriarchal theory in the name of a voice that both calls upon and chal

*Political Theory for Mortals* John E. Seery, 2018-10-18 Despite an abundance of violence occurring in political contexts no liberal political theorist since Thomas Hobbes has talked directly and coherently about death John E Seery does He contends that liberalism desperately needs a theoretical framework in which to discuss pressing matters of human mortality Among the contemporary political issues that cry out for theoretical articulation Seery suggests are abortion politics ethnic cleansing suicide assistance national reparations environmental degradation and capital punishment Seery offers a new conception of social contract theory as a framework for confronting death issues He urges us to look to an older tradition of descent into an underworld wherein classic theorists consulted poetically with the dead and acquired from them political insight and direction In this lively book Seery excavates the infernal tradition by rereading the politics of death in Platonism early Christianity and contemporary feminism Building on those traditions he proposes a new constructive image of death that can serve democratic theory productively Reconsidered from the land of the shades social contractarian theory is sufficiently altered that for example a pro life Christian and a pro choice secularist might be able to strike common ground upon which to discuss abortion politics

**The New Utopian Politics of Ursula K. Le Guin's The Dispossessed** Laurence Davis, Peter G. Stillman, 2005-01-01 The Dispossessed has been described by political thinker Andre Gorz as The most striking description I know of the seductions and snares of self managed communist or in other words anarchist society To date however the radical social cultural and political ramifications of Le Guin's multiple award winning novel remain woefully under explored Editors Laurence Davis and Peter Stillman right this state of affairs in the first ever collection of original essays devoted to Le Guin's novel Among the topics covered in this wide ranging international and interdisciplinary collection are the anarchist ecological post consumerist temporal revolutionary and open ended utopian politics of The Dispossessed The book concludes

with an essay by Le Guin written specially for this volume in which she reassesses the novel in light of the development of her own thinking over the past 30 years

The Politics of Socratic Humor John Lombardini, 2018-08-24 Was Socrates an ironist Did he mock his interlocutors and in doing so show disdain for both them and the institutions of Athenian democracy These questions were debated with great seriousness by generations of ancient Greek writers and helped to define a primary strand of the western tradition of political thought By reconstructing these debates *The Politics of Socratic Humor* compares the very different interpretations of Socrates developed by his followers including such diverse thinkers as Plato Aristotle Xenophon Aristophanes and the Hellenistic philosophers to explore the deep ethical and political dimensions of Socratic humor and its implications for civic identity democratic speech and political cooperation Irony has long been seen as one of Socrates most characteristic features but as Lombardini shows irony is only one part of a much larger toolkit of Socratic humor the broader intellectual context of which must be better understood if we are to appropriate Socratic thought for our own modern ends

*Chic Ironic Bitterness* R. Jay Magill, Jr., 2009-12-18 A brilliant and timely reflection on irony in contemporary American culture This book is a powerful and persuasive defense of sophisticated irony and subtle humor that contributes to the possibility of a genuine civic trust and democratic life R Jay Magill deserves our congratulations for a superb job

Cornel West University Professor Princeton University A well written well argued assessment of the importance of irony in contemporary American social life along with the nature of recent misguided attacks and happily a deep conviction that irony is too important in our lives to succumb The book reflects wide reading varied experience and real analytical prowess Peter Stearns Provost George Mason University Somehow Americans a pragmatic and colloquial lot for the most part are now supposed to speak the Word without ironic embellishment in order to rebuild the civic culture So irony s critics decide it has become worthy of moral condemnation Magill pushes back against this new conventional wisdom eloquently defending a much livelier American sensibility than the many apologists for a somber civic culture could ever acknowledge

William Chaloupka Chair and Professor Department of Political Science Colorado State University The events of 9 11 had many pundits on the left and right scrambling to declare an end to the Age of Irony But six years on we re as ironic as ever From *The Simpsons* and *Borat* to *The Daily Show* and *The Colbert Report* the ironic worldview measures out a certain cosmopolitan distance keeping hypocrisy and threats to personal integrity at bay *Chic Ironic Bitterness* is a defense of this detachment an attitude that helps us preserve values such as authenticity sincerity and seriousness that might otherwise be lost in a world filled with spin marketing and jargon And it is an effective counterweight to the prevailing conservative view that irony is the first step toward cynicism and the breakdown of Western culture

R Jay Magill Jr is a writer and illustrator whose work has appeared in *American Prospect* *American Interest* *Atlantic Monthly* *Foreign Policy* *International Herald Tribune* *New York Times* *Wall Street Journal* and Print among other periodicals and books A former Harvard Teaching Fellow and Executive Editor of *DoubleTake* he holds a Ph D in American Studies from the University of Hamburg in Germany This is

his first book     **Leo Strauss and His Legacy** John Albert Murley,2005-01-01 With over 10 000 entries identifying work of hundreds of Strauss s students and their students students this bibliography is the most indeed the only comprehensive guide to published writing in the tradition of Leo Strauss Murley includes Strauss s own complete bibliography and that of one of his most revered students George Anastaplo     **Traveling Back** Susan McWilliams,2014-03 What does it mean to think globally Susan McWilliams argues that to understand politics in our new world we should revisit one of the oldest themes in political theory travel This title uncovers the rich travel story tradition of political theorizing and shows how it helps to answer today s toughest political questions     **The Politics of Unsustainability** Ingolfur Bluhdorn,Ian Welsh,2013-10-18 Two decades after its launch by the UN Brundtland Commission the paradigm of sustainability seems to have reached its limits Whilst the concept figures more prominently in public debate and policy making than ever before the ecological footprint of advanced liberal consumer societies continues to grow and the forceful economic development of countries such as China and India reinforces concerns that the world is moving further away from rather than closer towards the ideal of sustainability Given the proven failure of ecological modernisation strategies to secure sustainability the traditional question How may our established lifestyles and socio economic practices be made more sustainable needs to be supplemented by a second equally important question How do advanced modern consumer democracies try and manage to sustain what is known to be unsustainable Put differently traditional research into the politics of sustainability needs to be supplemented by a new line of research into the politics of unsustainability Exploring the recent transformation of eco political discourses and a variety of ways in which the unfolding paradox of sustaining the unsustainable is being managed the present volume pioneers this new research agenda This book was previously published as a special issue of Environmental Politics

**Roman Constructions** Don Fowler,2000-01-13 Roman Constructions is a collection of studies in Latin literature and literary theory The twelve pieces touch on many of the concerns of contemporary criticism and offer a provocative view of the role of classical scholarship in the contemporary world     **Revisioning The Political** Nancy J Hirschmann,2018-03-05 Feminist scholars have been remaking the landscape in political theory and in this important book some of the most important feminist political theorists provide reconstructions of those concepts most central to the tradition of political philosophy The goal is nothing less than the construction of a blueprint for a positive feminist theory Many of these papers are completely new others are extensions of important earlier work two are reprints of classic papers The result is a progress report on the continuing feminist project to re envision traditional political theory As such it constitutes essential reading not only for feminist thinkers but also for traditional philosophers and political theorists who will need to come to terms with these contemporary critiques and re readings     **Movement Genesis** Steven Breyman,2019-03-07 To make sense of the rise and fall origins and nature of the 1980s West German peace movement requires work that is part political sociology and part social movement theory building An analysis of the peace movement s organizations leadership strategy goals tactics

and mobilization comprises the political sociology part of this study To un     The Rhetoric of the New Political Documentary  
Thomas W Benson, Brian J Snee, 2008-05-23 The Rhetoric of the New Political Documentary explores the most visible and  
volatile element in the 2004 presidential campaign the partisan documentary film This collection of original critical essays by  
leading scholars and critics including Shawn J and Trevor Parry Giles Jennifer L Borda and Martin J Medhurst analyzes a  
selection of political documentaries that appeared during the 2004 election season The editors examine the new political  
documentary with the tools of rhetorical criticism combining close textual analysis with a consideration of the historical  
context and the production and reception of the films The essays address the distinctive rhetoric of the new political  
documentary with the films typically having been shot with relatively low budgets in video and using interviews and stock  
footage rather than observation of uncontrolled behavior The quality was often good enough and interest was sufficiently  
intense that the films were shown in theaters and on television which provided legitimacy and visibility before they were  
released soon afterwards on DVD and VHS and marketed on the Internet The volume reviews such films as Michael Moore s  
Fahrenheit 9 11 two refutations of Moore s film Fahrenhype 9 11 and Celsius 41 11 Unprecedented The 2000 Presidential  
Election and George W Bush Faith in the White House films that experimented with a variety of angles and rhetorics from a  
mix of comic disparagement and earnest confrontation to various emulations of traditional news and documentary voices The  
Rhetoric of the New Political Documentary represents the continued transformation of American political discourse in a  
partisan and contentious time and showcases the independent voices and the political power brokers that struggled to find  
new ways to debate the status quo and employ surrogate independents to create a countererrhetoric

### Political Returns Irony In Politics And Theory From Plato To The Antinuclear Movement Introduction

In the digital age, access to information has become easier than ever before. The ability to download Political Returns Irony In Politics And Theory From Plato To The Antinuclear Movement has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Political Returns Irony In Politics And Theory From Plato To The Antinuclear Movement has opened up a world of possibilities. Downloading Political Returns Irony In Politics And Theory From Plato To The Antinuclear Movement provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the

click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Political Returns Irony In Politics And Theory From Plato To The Antinuclear Movement has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Political Returns Irony In Politics And Theory From Plato To The Antinuclear Movement. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Political Returns Irony In Politics And Theory From Plato To The Antinuclear Movement. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Political Returns Irony In Politics And Theory From Plato To The Antinuclear Movement, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Political Returns Irony In Politics And Theory From Plato To The Antinuclear Movement has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

### **FAQs About Political Returns Irony In Politics And Theory From Plato To The Antinuclear Movement Books**

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including

classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Political Returns Irony In Politics And Theory From Plato To The Antinuclear Movement is one of the best book in our library for free trial. We provide copy of Political Returns Irony In Politics And Theory From Plato To The Antinuclear Movement in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Political Returns Irony In Politics And Theory From Plato To The Antinuclear Movement. Where to download Political Returns Irony In Politics And Theory From Plato To The Antinuclear Movement online for free? Are you looking for Political Returns Irony In Politics And Theory From Plato To The Antinuclear Movement PDF? This is definitely going to save you time and cash in something you should think about. If you trying to find then search around for online. Without a doubt there are numerous these available and many of them have the freedom. However without doubt you receive whatever you purchase. An alternate way to get ideas is always to check another Political Returns Irony In Politics And Theory From Plato To The Antinuclear Movement. This method for see exactly what may be included and adopt these ideas to your book. This site will almost certainly help you save time and effort, money and stress. If you are looking for free books then you really should consider finding to assist you try this. Several of Political Returns Irony In Politics And Theory From Plato To The Antinuclear Movement are for sale to free while some are payable. If you arent sure if the books you would like to download works with for usage along with your computer, it is possible to download free trials. The free guides make it easy for someone to free access online library for download books to your device. You can get free download on free trial for lots of books categories. Our library is the biggest of these that have literally hundreds of thousands of different products categories represented. You will also see that there are specific sites catered to different product types or categories, brands or niches related with Political Returns Irony In Politics And Theory From Plato To The Antinuclear Movement. So depending on what exactly you are searching, you will be able to choose e books to suit your own need. Need to access completely for Campbell Biology Seventh Edition book? Access Ebook without any digging. And by having access to our ebook online or by storing it on your computer, you have convenient answers with Political Returns Irony In Politics And Theory From Plato To The Antinuclear Movement To get started finding Political Returns Irony In Politics And Theory From Plato To The Antinuclear Movement, you are right to find our website which has a comprehensive collection of books online. Our library is the biggest of these that have literally hundreds of thousands of different products represented. You will also see that there are specific sites catered to different categories or niches related

with Political Returns Irony In Politics And Theory From Plato To The Antinuclear Movement So depending on what exactly you are searching, you will be able to choose ebook to suit your own need. Thank you for reading Political Returns Irony In Politics And Theory From Plato To The Antinuclear Movement. Maybe you have knowledge that, people have search numerous times for their favorite readings like this Political Returns Irony In Politics And Theory From Plato To The Antinuclear Movement, but end up in harmful downloads. Rather than reading a good book with a cup of coffee in the afternoon, instead they juggled with some harmful bugs inside their laptop. Political Returns Irony In Politics And Theory From Plato To The Antinuclear Movement is available in our book collection an online access to it is set as public so you can download it instantly. Our digital library spans in multiple locations, allowing you to get the most less latency time to download any of our books like this one. Merely said, Political Returns Irony In Politics And Theory From Plato To The Antinuclear Movement is universally compatible with any devices to read.
