Political Concepts A Reconstruction:

Political Concepts Felix E. Oppenheim,1981-01

Political concepts Richard Bellamy,Andrew Mason,2018-07-30

This electronic version has been made available under a Creative Commons BY NC ND open access license Offers a sophisticated analysis of central political concepts in the light of recent debates in political theory Introduces students to some of the main interpretations of key political concepts highlighting their strengths and weaknesses Tackles the principle concepts employed to justify any policy or institution and examines the main domestic purposes and functions of the state Examines the relationship between state and civil society and finally looks beyond the state to issues of global concern and inter state relations Studies the relationship between state and civil society and finally looks beyond the state to issues of global concern and inter state relations Methods in Analytical Political Theory Adrian Blau,2017-05-02 This is the first book to explain how to use key methods in analytical political theory The methods discussed include contractualism reflective equilibrium positive political theory thought experiments and ideological analysis Many discussions of political theory methods describe and justify these methods with little or no discussion of their application emphasizing what is and why do over how to This book covers all three Each chapter explains what kinds of problems in political theory might require researchers to use a particular method the basic principles behind the method being proposed and an analysis of how to apply it including concrete principles of good practice The book thus summarizes methodological ideas grouped in one place and made accessible to students and it makes innovative contributions to research methods in analytical political theory

Essays on Evolutions in the Study of Political Power Giulio M. Gallarotti,2021-11-24 This book deals with the most important developments in the study of political power over the last four decades From the writings of the great Greek philosophers of antiquity to the present the idea of power has been the major subject in the study of politics Indeed some would say it defines the very field of politics itself as a social science Penned by the leading scholars in the field this collection gives a broad overview of the most important issues in the study of political power tracing the evolution of scholarly thinking about them and in doing so revealing crucial innovations therein This will be a major contribution in the understanding of the concepts and practices of how power manifests itself across social and political contexts This book will be of great interest to scholars students and individuals who wish to understand the very foundations of social and political life The chapters in this book were originally published as a special issue of the Journal of Political Power volume 14 issue 1 2021

The impact of feminism on political concepts and debates Georgina Blakeley,Valerie Bryson,2024-06-04 Many feminists have engaged with the man made concepts and approaches of traditional political analysis to produce an increasingly sophisticated and wide ranging body of thought The starting point of this book is the belief that such work is not simply something for the girls rather it has profound and complex implications without which our understanding of political processes and ideas would be impoverished This book provides an accessible overview and assessment of the impact of

recent feminism by bringing together leading feminist and pro feminist political theorists and analysts to focus on key concepts such as rationality citizenship democracy and democratisation development and empowerment Each chapter takes a mainstream concept and examines both the critical debates around it and feminist reactions critiques It then analyses the significance and implications of feminism for the concept considers whether it can simply be extended to include women or whether it should be radically transformed or even abandoned and assesses whether feminist input has become part of the mainstream debate or remains marginalised

Political Concepts Adi M. Ophir, Ann Laura Stoler, 2018-01-02 Deciding what is and what is not political is a fraught perhaps intractably opaque matter Just who decides the question on what grounds to what ends these seem like properly political questions themselves Deciding what is political and what is not can serve to contain and restrain struggles make existing power relations at once self evident and opaque and blur the possibility of reimagining them differently Political Concepts seeks to revive our common political vocabulary both everyday and academic and to do so critically Its entries take the form of essays in which each contributor presents her or his own original reflection on a concept posed in the traditional Socratic question format What is X and asks what sort of work a rethinking of that concept can do for us now The explicitness of a radical questioning of this kind gives authors both the freedom and the authority to engage intervene in critique and transform the conceptual terrain they have inherited Each entry either implicitly or explicitly attempts to re open the question What is political thinking Each is an effort to reinvent political writing In this setting the political as such may be understood as a property a field of interest a dimension of human existence a set of practices or a kind of event Political Concepts does not stand upon a decided concept of the political but returns in practice and in concern to the question What is the political by submitting the question to a field of plural contention The concepts collected in Political Concepts are Arche Stathis Gourgouris Blood Gil Anidjar Colony Ann Laura Stoler Concept Adi Ophir Constituent Power Andreas Kalyvas Development Gayatri Spivak Exploitation tienne Balibar Federation Jean Cohen Identity Akeel Bilgrami Rule of Law J M Bernstein Sexual Difference Joan Copjec and Translation Jacques Lezra

Introduction to Comparative Political Culture Dezhi Tong, 2018-08-03 This book starts with four aspects subject s cognition way of thinking political value and ideology conducts comparative studies on political culture Amid using the concept of political culture in western academic circles it makes comprehensive supplement for this concept and put forward an updated concept of political culture which is more localized This new concept on the grounds of the comparison with political system takes political culture as the subjective side of political system and incorporates ideology into political culture thus undoubtedly enriching our knowledge of political culture On the basis of clarifying the concept of political culture and establishing the comparative dimension of it this book widely refers to the outlooks of individuals nations society and power of political cognition the modes of objectives directions and methods of political ideas democratic awareness legal concept and system selection of political value as well as liberalism and republicanism etc All these bring substantial benefits

to promoting and deepening the comparative studies on political culture This book can not only be used for the teaching undergraduate and graduates who major in Politics but also used as the reference book for politics academic research

Political concepts and time Javier Fernández Sebastián,Hans Erich Bödeker,Pim den Boer,Peter Burke,Giuseppe Duso,Alexandre Escudier,João Feres Júnior,Michael Freeden,Jacques Guilhaumou,Jörn Leonhard,Christian Meier,Faustino Oncina Coves,Kari Palonen,Elías José Palti,2011-08-10 The essays compiled in this volume written by distinguished experts present a broad panorama of the most important methodological challenges faced by conceptual history today as well as some more specific contributions regarding the temporal dimension of certain modern concepts At a moment when time and concepts and political concepts in particular are no longer obvious and taken for granted but have themselves become historical matter this book does not limit itself to an updating of the state of the art it also offers very useful lessons for the development of future research into this field

Clausewitz in the Twenty-First Century Hew Strachan,Andreas Herberg-Rothe,2007-09-13 The volume considers Clausewitz s timeless On War against the background of actual armed conflict With scholars from a range of disciplines and countries it throws new light on a classic text and contemporary issues

Freedom, Power and Political Morality I. Carter,M. Ricciardi,2001-03-13 This collection of new essays on political and legal theory concentrates on themes dealt with in the work of Felix Oppenheim including fundamental political and legal concepts and their implications for the scope of morality in politics and international relations Among the issues addressed are the relationship between empirical and normative definitions of freedom power and interests whether governments are free to act against the national interest and whether they can ever be morally obliged to do so

The Terms of Political Discourse William Connolly,1993-12-08 Power Interest Freedom Responsibility Connolly explores and confronts sets of interrelated concepts such as these concepts whose meanings are persistently subject to debate in the context of political discourse He illuminates the role played in political life and political enquiry by such conceptual contests And in staking out his own position in these contests he seeks both to politicize broad areas of social life and to weave norms of responsibility more thoroughly into politics

Contemporary Political Philosophy: An Anthology Robert E. Goodin,Philip Pettit,2019-05-07 The revised and updated edition of Goodin and Pettit s highly acclaimed contemporary political philosophy anthology bringing together the field s most important readings in a single volume Unparalleled in the breadth and scope of its coverage this newly revised third edition traces the evolution of political philosophy as a contemporary practice and raises important questions about the impact of current political events Fully updated to include 49 contemporary and classic selections from the most distinguished scholars in political philosophy Offers expanded coverage of international affairs and political oppression Includes essays which represent a diversity of political and ideological positions and features interdisciplinary voices in politics law and economics Edited by two of the field s most highly respected scholars The ideal collection of primary readings to accompany the Companion to Contemporary Political Philosophy Second Edition Wiley

Blackwell 2012 for coursework in political philosophy Decolonising Political Concepts Valentin Clavé-Mercier, Marie Wuth, 2023-10-24 This book presents a transdisciplinary and transnational challenge to the enduring coloniality of political concepts discussing the need to decolonise both their theoretical constructions as well as their substantive translations into practices Despite the acclaimed twentieth century decolonisation waves coloniality still remains in subtle and obvious practices in visible and invisible mechanisms of power and in the privileging of certain knowledges and the dismissing of others Decolonising Political Concepts critically addresses the role political concepts play in the continuing legacies of colonialism and ongoing coloniality This book building on postcolonial and decolonial thinkers and ideas demonstrates how concepts may be used as oppressing political and epistemological tools By presenting efforts to decolonise political concepts the book signals the potential for genuinely postcolonial academic and political contexts Bringing together scholars from different disciplines and engaging with a wide array of geographical contexts the chapters examine concepts such as agency violence freedom or sovereignty This book enables readers to critically engage with concepts used in political discourse and allows them to reflect on their impact and alternatives It will appeal to graduate students and scholars from international relations social sciences or philosophy as well as to socio political actors engaged in decolonisation agendas The Open Access version of this book available at <http://www.taylorfrancis.com> has been made available under a Creative Commons Attribution Non Commercial No Derivatives CC BY NC ND 4.0 license **The Terms of Political Discourse.** William E. Connolly, 1993-09-12 William Connolly presents a lucid and concise defense of the thesis of essentially contested concepts that can well be read as a general introduction to political theory as well as for its challenge to the prevailing understanding of political discourse In Connolly's view the language of politics is not a neutral medium that conveys ideas independently formed but an institutionalized structure of meanings that channels political thought and action in certain directions In the new preface he pursues the implications of this perspective for a distinctive conception of ethics and democracy *Varieties of Feminist Liberalism* Amy R. Baehr, 2004-04-05 Over the past thirty years western political philosophy has been enriched by a renewed interest in liberalism and by the development of feminism Although liberalism is one of the important historical roots of feminism many contemporary feminist political philosophers reject liberal political theory Indeed that liberalism and feminism are incompatible has been the dominant view among feminist scholars over the past 30 years Varieties of Feminist Liberalism is a groundbreaking collection that examines the relationship between these two rich normative traditions The essays in this volume present versions of feminism that are explicitly liberal or versions of liberalism that are explicitly feminist By bringing together some of the most respected and well known scholars in mainstream political philosophy today Amy R Baehr challenges the reader to reconsider the dominant view that liberalism and feminism are incompatible This long overdue volume is the first to bring together papers by feminist liberals and to aim explicitly at reconciling feminism and liberalism **Glossary of Political Theory** John Hoffman, 2007-02-27 This book covers alphabetically both the major

concepts in political theory and the key writers in the field While ensuring accuracy and objectivity the entries represent interpretations that are both challenging and interesting The premise underlying the book is that politics cannot be studied without theory in which case the more concrete and relevant the theory the better Presenting theory in an abstract fashion makes it daunting for students who can find it difficult to see the links between theory and practice The definitions in this glossary therefore relate political ideas to political realities i e everyday controversies in an attempt to make them as lively stimulating and accessible as possible Terms are selected based upon the concepts most regularly used in teaching

Recent Evaluations on Humanities and Social Sciences Berrin Ceylan Ataman, Gülçin Taşkıran, 2019-10-01 This book is one of the rare publications covering all subjects in the field of Humanities and Social Sciences ranging from Anthropology to Literature Poverty to Women studies In this book the studies that bring out approaches from different perspectives and disciplines in the field of social and human sciences are brought together *International Encyclopedia of Political Science* Bertrand Badie, Dirk Berg-Schlosser, Leonardo Morlino, 2011-09-07 Developed in partnership with the International Political Science Association this must have authoritative political science resource in eight volumes provides a definitive picture of all aspects of political life

Concepts at Work Piki Ish-Shalom, 2021-04-20 Concepts are socially and linguistically constructed and used for multiple purposes such as justifying war in the name of democracy or using the idea of democracy to resist Western intervention and influence In this fascinating and novel edited collection Piki Ish Shalom and the contributors interrogate the conceptions of concepts in international relations Using theoretical frameworks from Gramsci and Bourdieu among others the authors show that not interrogating the meaning of the language we use to talk about international relations obscures the way we understand or portray IR The authors examine self determination winning in war avoidance of war military design and reform agenda vagueness in political discourse blue economy friendship and finally the very idea of the international community itself As the author asserts Bourdieu s sociology of field and Gramsci s political theory combined offer us a socio political theory of relations of power and domination concealed by doxic knowledge and taken for granted rules in which essential contested concepts and political serving conceptions can and do play an important role

The Supreme Court and American Political Development Ronald Kahn, Ken I. Kersch, 2006-05-15 This innovative volume explores the evolution of constitutional doctrine as elaborated by the Supreme Court Moving beyond the traditional law versus politics perspective the authors draw extensively on recent studies in American Political Development APD to present a much more complex and sophisticated view of the Court as both a legal and political entity The contributors including Pam Brandwein Howard Gillman Mark Graber Ronald Kahn Tom Keck Ken Kersch Wayne Moore Carol Nackenoff Julie Novkov and Mark Tushnet share an appreciation that the process of constitutional development involves a complex interplay between factors internal and external to the Court They underscore the developmental nature of the Court revealing how its decision making and legal authority evolve in response to a variety of influences not only laws and legal

precedents but also social and political movements election returns and regime changes advocacy group litigation and the interpretive community of scholars journalists and lawyers Initial chapters reexamine standard approaches to the question of causation in judicial decision making and the relationship between the Court and the ambient political order Next a selection of historical case studies exemplifies how the Court constructs its own authority as it defines individual rights and the powers of government They show how interpretations of the Reconstruction amendments inform our understanding of racial discrimination explain the undermining of affirmative action after Bakke and consider why Roe v Wade has yet to be overturned They also tell how the Court has collaborated with political coalitions to produce the New Deal Great Society and Reagan Revolution and why Native Americans have different citizenship rights than other Americans These contributions encourage further debate about the nature and processes of constitutional change and invite APD scholars to think about law and the Court in more sophisticated ways

Authors Website Occasionally, authors provide excerpts or short stories for free on their websites. While this might not be the Political Concepts A Reconstruction full book , it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Political Concepts A Reconstruction eBooks, including some popular titles.

FAQs About Political Concepts A Reconstruction Books

What is a Political Concepts A Reconstruction PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system

used to view or print it. **How do I create a Political Concepts A Reconstruction PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Political Concepts A Reconstruction PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Political Concepts A Reconstruction PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Political Concepts A Reconstruction PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
