Political Development Of The Kurds In Iran Pastoral Nationalism:

Political Development of the Kurds in Iran F. Koohi-Kamali, 2016-06-15 This book looks at Kurdish Nationalism in Iran and examines the links between the structural changes in the Kurdish economy and its political demands Farideh Koohi Kamali argues that the transition of the nomadic tribal society of Kurdistan to an agrarian village society was the beginning of a process by which Kurds saw themselves as a community of homogenous ethnic identity The political movements of Kurds in Iran are discussed to illustrate that the different phases of economic development of Kurdish society played a great role in determining the way in which Kurds expressed their political demands for independence *The Political Development of the Kurds in Iran* F. Koohi-Kamali, 2003-09-30 This book looks at Kurdish Nationalism in Iran and examines the links between the structural changes in the Kurdish economy and its political demands Farideh Koohi Kamali argues that the transition of the nomadic tribal society of Kurdistan to an agrarian village society was the beginning of a process by which Kurds saw themselves as a community of homogenous ethnic identity The political movements of Kurds in Iran are discussed to illustrate that the different phases of economic development of Kurdish society played a great role in determining the way in which Kurds expressed their political demands for independence

A Modern History of the Kurds

David McDowall, 2021-03-25 David McDowall's ground breaking history of the Kurds from the 19th century to the present day documents the underlying dynamics of the Kurdish question The division of the Kurdish people among the modern nation states of Iraq Turkey Syria and Iran and their struggle for national rights continues to influence the politics of the Middle East Drawing extensively on primary sources including documents from The National Archive and interviews with prominent Kurds the book examines the interplay of old and new aspects of the struggle the importance of local rivalries and leadership within Kurdish society and the failure of modern states to respond to the challenge of Kurdish nationalism In this new and revised edition McDowall also analyses the momentous transformations affecting Kurdish socio politics in the last 20 years With updates throughout and substantial new material included this fourth edition of the book reflects the developments in the field and the areas which have gained importance and understanding This includes new analysis of the Kurdish experience in Syria the role of political Islam in Kurdish society and Kurds involvement in Islamist Jihad and issues surrounding women and gender that were previously overlooked from the impact of the women's equality movement to how patriarchal practices within the Kurdish community still limit its progress The foundation text for Kurdish Studies this book highlights in detail the changing situation of the Kurds across the Middle East

Nation and Class in the History of the Kurdish Movement Nicola Degli Esposti, 2022-10-11 This book covers over a century of history from the emergence of Kurdish nationalism in the interwar period to the 2010s when for the first time in modern history Kurdish forces controlled two autonomous political entities in Iraq and Syria as well as over a hundred municipalities in south eastern Turkey In these years of momentous advance for Kurdish forces across the region Kurdish politics remains deeply divided into competing

movements pursuing irreconcilable projects for the future of the nation The author investigates the origins of the present divide in the history of Kurdish nationalism The book turns the historical sociology to study nationalism as embedded in social conflicts through a comparative analysis of the history of the Kurdish movement in Iraq and Turkey by reassessing the literature on Kurdish politics and filling its gaps with numerous interviews with witnesses and scholars

Tribal Politics in Iran Stephanie Cronin,2007-01-24 Placing Iran s tribal problem in its historical context this innovative and important work provides an overall assessment of tribal politics in the Riza Shah period challenging conventional political and scholarly approaches to tribal politics

Mass Atrocities, Risk and Resilience Stephen McLoughlin,2015-06-29 Mass Atrocities Risk and Resilience examines the relationship between risk and resilience in the prevention of genocide and other mass atrocities and explores two broad areas of neglect In terms of prevention there is very little research that analyzes how local and national actors manage the risk associated with mass atrocities In the field of comparative genocide studies to date there has been very little interest in examining negative cases Although much is known about why mass atrocities occur much less is established about why they do not occur The contributions in this book address this neglect in two important ways First they challenge commonly accepted approaches to prevention Second they explore negative cases in order to better understand how local and national actors have mitigated risk over time

Minorities in Iran R. Elling,2013-02-18 Based on the premise that nationalism is a dominant factor in Iranian identity politics despite the significant changes brought about by the Islamic Revolution this cross disciplinary work investigates the languages of nationalism in contemporary Iran through the prism of the minority issue

Minority Rights in the Middle East Joshua Castellino,Kathleen A. Cavanaugh,2013-04-25 Within the Middle East there are a wide range of minority groups outside the mainstream religious and ethnic culture This book provides a detailed examination of their rights as minorities within this region and their changing status throughout the twentieth and twenty first centuries The rights of minorities in the Middle East are subject to a range of legal frameworks having developed in part from Islamic law and in recent years subject to international human rights law and institutional frameworks The book examines the context in which minority rights operate within this conflicted region investigating how minorities engage with or are excluded from various sites of power and how state practice in dealing with minorities often ostensibly based on Islamic authority intersects with and informs modern constitutionalism and international law The book identifies who exactly can be classed as a minority group analysing in detail the different religious and ethnic minorities across the region The book also pays special attention to the plight of minorities who are spread between various states often as the result of conflict It assesses the applicable domestic legislative instruments within the three countries investigated as case studies Iraq Syria and Lebanon and highlights key domestic remedies that could serve as models for ensuring greater social cohesion and greater inclusion of minorities in the political life of these countries

The Political Economy of the Kurds of Turkey Veli Yadirgi,2017-08-03 An examination of the link between the economic and political development of the

Kurds in Turkey and Turkey's Kurdish question *Kurdish Identity, Discourse, and New Media* J. Sheyholislami, 2011-06-06 Informed by the interdisciplinary approach of Critical Discourse Analysis CDA and theories of identity nation and media the study investigates the ways Kurds the world's largest stateless nation use satellite television and Internet to construct their identities This book examines the complex interrelationships between ethno national identities discourses and new media Not only offers the first study of discursive constructions of Kurdish identity in the new media this book also the first CDA informed comparative study of the contents of the two media The study pushes the boundaries of the growing area of studies of identity nationalism and transnationalism discourse studies minority language and digital media The Kurds and US Foreign Policy Marianna Charountaki, 2010-10-18 This book provides a detailed survey and analysis of US Kurdish relations and their interaction with domestic regional and global politics Using the Kurdish issue to explore the nature of the engagement between international powers and weaker non state entities the author analyses the existence of an interactive US relationship with the Kurds of Iraq Drawing on governmental archives and interviews with political figures both in Northern Iraq and the United States the author places the case study within a broader International Relations context The conceptual framework centres on the inter relations between actors both state and non state and structures of material and ideational kinds while the detailed survey and analysis of US Kurdish relations in their interaction with domestic regional and global politics forms the empirical core of the study Stressing the intertwining of domestic and foreign policy as part of the same set of dynamics the case study explains the emergence of the interactive and institutionalized US relationship with the Kurds of Iraq that has brought about the formation within an Iraqi framework of an undeclared US official Kurdish policy in the post Saddam era Filling a gap in the literature on US Kurdish relations as well as the broader topic of International Relations this book will be of great interest to those in the areas of International Relations Middle Eastern and Kurdish Politics Constituting the Political Economy of the Kurds Omer Tekdemir, 2021-04-20 This book examines the development of Kurdish political economy and the emergence of collective Kurdish identity within a historical context through three main periods the late Ottoman Empire the initial Republican Turkey era and then the post 1990s period It relates historical developments to the dynamics of Kurdish society including the anthropological realities of the nineteenth century through the moral economy frame the evolving nature of nationalism in the early twentieth century and the more recent construction of a modern political Kurdishness by means of radical democracy and an agonistic pluralism shaped by left wing populism Historical Dictionary of the Kurds Michael M. Gunter, 2018-02-20 The failed states of Iraq and Syria plus the rise and fall of ISIS have helped lead to near Kurdish statehood in Iraq the KRG and Kurdish autonomy in Syria Rojava In Turkey too as illustrated by its negotiations and temporary cease fire with the PKK and the rise of the HDP as the first pro Kurdish party to be elected to the Turkish parliament as a party and not as mere independents the Kurds have reached new heights of recognition These major developments and much more are prominently reflected and developed in this new third edition of

Historical Dictionary of the Kurds This third edition of Historical Dictionary of the Kurds contains a chronology an introduction and an extensive bibliography The dictionary section has over 700 cross referenced entries on important personalities politics economy foreign relations religion and culture of the Kurds This book is an excellent resource for students researchers and anyone wanting to know more about the Kurds

Women and Suicide in Iran S. Behnaz Hosseini, 2021-09-30 Drawing on feminist theory as well as theory surrounding the correlation between poverty and suicide this study explores the increased rate of suicide among women in western Iran Based on empirical research including interviews with women from the Kurdish region of the country the author considers the marginalisation of Kurdish populations in Iran the suppression of their rights and violence against women in its various forms With attention to family violence such as direct physical or sexual assault psychological bullying or through practices such as forced marriage or honour killings the author also considers the political nature of such violence as certain violent practices are enshrined in the Iranian constitution and legitimised in jurisprudential practice A study of gendered violence and its effects *Women and Suicide in Iran* will be of interest to scholars working in the fields of Sociology Criminology and Middle Eastern Studies with interests in violence gender and suicide

The Last Mufti of Iranian Kurdistan Ali Ezzatyar, 2016-09-16 Amidst changing notions of religion and identity in the modern Middle East this book uncovers the hidden story of Ahmad Moftizadeh the nonviolent religious leader of Iran s Kurds during the Iranian Revolution The characters of Ayatollah Khomeini and a number of other prominent revolutionaries surface through never before heard first hand accounts of that era s events The author further surveys the underlying causes of conflict and extremism today by placing this dramatic biography in the context of a rapidly evolving region after the First World War The author s coverage of some of the twentieth century Middle East s most defining events leads him to powerful policy arguments for a region in turmoil

Human Smuggling in the Eastern Mediterranean Theodore Baird, 2016-11-10 The organization of human smuggling from the Middle East and Africa through Turkey and the Eastern Mediterranean has become a contemporary political concern throughout Europe receiving intense and polarised media attention This timely book reformulates how we conceive of human smuggling challenging popular and political conceptions of the practice in Europe This book proposes a new framework for examining the causes and effects of human smuggling in the Mediterranean analysing the contingent patterns of human smuggling in the countries of the Eastern Mediterranean with a geographic focus on Turkey Building on unique empirical material from fieldwork in Turkey and Greece this book describes the rise of human smuggling as a practice viewed through a framework of multiple contingencies Uniquely this book includes in depth testimonies of migrants who have survived crossing the Aegean Sea and details the strategies and tactics of the facilitators who help them In *Human Smuggling in the Eastern Mediterranean* Theodore Baird puts a human face to the tragedies occurring in the Mediterranean while maintaining that contingent historical political economic and geographic forces have aligned to propel the practice of human smuggling forward The book

will be of interest to scholars working in migration studies as well as scholars in the fields of sociology criminology law political science anthropology and geography
