## **Political Economy Of Discontinuous Development Regional Disparities And Inter Regional Conflict:**

The Political Economy of Discontinuous Development Milica Z. Bookman, 1991-11-30 Outbursts of regional conflict within national boundaries have characterized recent years Sub national states including parts of the Soviet Union India Canada and Yugoslavia dissatisfied with their central governments seek forms of independence to pursue autonomous development paths These region state conflicts have occurred in nations at all levels of development Canada and Indonesia France and Papua New Guinea under diverse economic systems the USSR and Canada Yugoslavia and Spain and across political systems federations such as India and unitary states such as Italy Bookman s study develops methods whereby both state and region can evaluate the region s potential to sustain economic growth autonomously filling the gap in current perceptions of inter regional relations Bookman introduces the concept of discontinuous development to facilitate the analysis of sub national regions that have varying levels of development The volume s emphasis on high income regions within both agricultural and industrial nations and on the economic basis of conflict makes it a unique contribution that assesses the viability of regions as autonomous entities The major part of the volume studies empirical evidence from India and Yugoslavia especially timely in light of present ethnic and religious conflicts in both countries The volume is divided into three sections Foundations Discontinuous Development and Inter regional Conflict and Empirical Evidence from India and Yugoslavia The first section presents a theoretical framework for issues internal to regions as well as regions relative to the nation It also outlines four ways of studying inter regional conflict which are explored in the empirical chapters Part 2 analyzes eight high income regions characterized by discontinuous development and relates their experiences to the four hypotheses presented earlier The last section contains empirical chapters testing the model in the context of India and Yugoslavia The final chapter contains a full discussion of the hypotheses pertaining to secession and offers some suggestions concerning the possibilities of secession as the outcome of inter regional conflict The explosive consequences of recent trends make it imperative that scholars in development economics political economy political science and macroeconomics as well as policy makers comprehend the inter regional economic and political relationships behind these conflicts

**The Political Economy of Discontinuous Development** Milica Z. Bookman, 1991-11-30 Outbursts of regional conflict within national boundaries have characterized recent years Sub national states including parts of the Soviet Union India Canada and Yugoslavia dissatisfied with their central governments seek forms of independence to pursue autonomous development paths These region state conflicts have occurred in nations at all levels of development Canada and Indonesia France and Papua New Guinea under diverse economic systems the USSR and Canada Yugoslavia and Spain and across political systems federations such as India and unitary states such as Italy Bookman s study develops methods whereby both state and region can evaluate the region s potential to sustain economic growth autonomously filling the gap in current perceptions of inter regional relations Bookman introduces the concept of discontinuous development to facilitate the analysis of sub national regions that have varying levels

of development The volume s emphasis on high income regions within both agricultural and industrial nations and on the economic basis of conflict makes it a unique contribution that assesses the viability of regions as autonomous entities The major part of the volume studies empirical evidence from India and Yugoslavia especially timely in light of present ethnic and religious conflicts in both countries The volume is divided into three sections Foundations Discontinuous Development and Inter regional Conflict and Empirical Evidence from India and Yugoslavia The first section presents a theoretical framework for issues internal to regions as well as regions relative to the nation It also outlines four ways of studying inter regional conflict which are explored in the empirical chapters Part 2 analyzes eight high income regions characterized by discontinuous development and relates their experiences to the four hypotheses presented earlier The last section contains empirical chapters testing the model in the context of India and Yugoslavia The final chapter contains a full discussion of the hypotheses pertaining to secession and offers some suggestions concerning the possibilities of secession as the outcome of inter regional conflict The explosive consequences of recent trends make it imperative that scholars in development economics political economy political science and macroeconomics as well as policy makers comprehend the inter regional economic and political relationships behind these conflicts

### **The Political Economy of Uneven Development**

Shaoguang Wang,An'gang Hu,1999-06-29 Exploring one of the most dynamic and contested regions of the world this series includes works on political economic cultural and social changes in modern and contemporary Asia and the Pacific

**The South Slav Conflict** Raju G.C Thomas,H. Richard Frim,2021-12-12 First Published in 1996 In identifying the causes of such a national and international failure in conflict management The South Slav Conflict becomes a valuable case study in comparative politics and international relations Edited by Raju G C Thomas and H Richard Frim and is unique among these by virtue of its thoroughly interdisciplinary approach to the causes and consequences of the war The book s great strength begins with its forthright assertion that no serious attempt to explain the current cycle of genocide and revenge among Serbs Croats and Bosnians can avoid the inherent complexity of the factors that transform ed Yugoslavia from one of the most pluralist of European communist states into a theater of human misery

*Regional Modernities* K. Sivaramakrishnan,Arun Agrawal,2003 Seminar papers

### **The Demographic Struggle for Power**

Milica Zarkovic Bookman,2013-10-18 The 20th century demographic struggle for power translates itself into an inter ethnic war of numbers

This book offers suggestions for structural alterations within states to sever the link between ethnic size and power and thus eliminate the rationale for the demographic struggle for power *Escaping the Self-Determination Trap* Marc Weller, 2009-05-31 There is new movement in the discussion about self determination and statehood The contested declaration of independence by Kosovo and Russia's recognition of the purported independence of Abkhazia and South Ossetia have caused significant controversy These developments may well put an end to the attempt by governments to keep in place the highly restricted doctrine of self determination that has previously only been made available in the colonial context This monograph argues that classical self determination narrowly conceived in the colonial context cannot contribute to the resolution of the presently ongoing self determination conflicts around the world However this study finds that over the past few years a new practice of addressing self determination conflicts has emerged This practice significantly extends our understanding of the legal right to self determination and of the means that can be brought to bear in terminating secessionist conflicts

**Regime Change in the Yugoslav Successor States** Mieczysław P. Boduszyński, 2010-04-26 In the 1990s amid political upheaval and civil war the Socialist Federal Republic of Yugoslavia dissolved into five successor states The subsequent independence of Montenegro and Kosovo brought the total number to seven Balkan scholar and diplomat to the region Mieczyslaw P Boduszynski examines four of those states Croatia Slovenia Macedonia and the Federal Republic of Yugoslavia and traces their divergent paths toward democracy and Euro Atlantic integration over the past two decades Boduszynski argues that regime change in the Yugoslav successor states was powerfully shaped by both internal and external forces the economic conditions on the eve of independence and transition and the incentives offered by the European Union and other Western actors to encourage economic and political liberalization He shows how these factors contributed to differing formulations of democracy in each state The author engages with the vexing problems of creating and sustaining democracy when circumstances are not entirely supportive of the effort He employs innovative concepts to measure the quality of and prospects for democracy in the Balkan region arguing that procedural indicators of democratization do not adequately describe the stability of liberalism in post communist states This unique perspective on developments in the region provides relevant lessons for regime change in the larger post communist world Scholars practitioners and policymakers will find the book to be a compelling contribution to the study of comparative politics democratization and European integration

Peace by Design Dawn Brancati, 2010-12-23 Why does political decentralization seem reduce intrastate conflict more in some countries than in others This question constitutes the central focus of Peace by Design Brancati argues that the ability of decentralization to reduce intrastate conflict hinges on the electoral strength of regional parties According to Brancati regional parties tend to promote intrastate conflict by creating regional identities advocating legislation harmful to other regions and regional minorities and mobilizing groups to engage in conflict or supporting extremist organizations that do Brancati also highlights a number of conditions under which regional parties are more likely

to promote conflict such as democratic transitions Brancati further argues that decentralization increases the strength of regional parties depending on particular features of decentralization i e the proportion of legislative seats a region possesses the number of regional legislatures in a country the upper house election procedures the sequencing of national and regional elections These features of decentralization vary across countries and are fundamental to explaining why decentralization is not effective in reducing conflict in all countries Brancati s ultimate conclusion is that decentralization can be effectively designed to promote peace as long as it is designed to encourage statewide parties to incorporate regional parties into their agendas and to limit the strength of regional parties The author provides compelling evidence for her argument through three detailed cases studies e g Czechoslovakia Spain and India and a rigorous quantitative analysis in which she introduces a new dataset on constituency level elections that will prove an invaluable resource for many future studies

**Basque Nationalism and the Spanish State** André Lecours, 2007-07-13 An examination of Basque nationalism from a historical perspective Basque nationalism has been extensively examined from the perspectives of Basque culture and internal conditions in the Basque Country but Andr Lecours is among the first to demonstrate how Basque nationalism was shaped by the many forms and historical phases of the Spanish state His discussion employs one of the most debated approaches in the social sciences historical institutionalism and it includes an up to date examination of the circumstances for and consequences of recent events such as ETA s announcement in 2006 of a permanent cease fire Lecours also analyzes other aspects of Basque nationalism including the international relations of the Basque Autonomous Government as well as the responses of the contemporary Spanish state and how it deploys its own brand of nationalism Finally the book offers a comparative discussion of Basque Catalan Scottish Flemish and Quebecois nationalist movements suggesting that nationalism in the Basque Country despite the historical presence of violence is in many ways similar to nationalism in other industrialized democracies Basque Nationalism and the Spanish State is an original and provocative discussion that is essential reading for anyone interested in the Basques or in the development of modern nationalist movements

**Jammu & Kashmir** Bilal Ahmad Khan, 2022-03-25 The book presents a comprehensive treatment of unemployment and economic problems in Jammu Kashmir Kashmir being a conflict ridden zone has far less opportunities for employment than rest of the other states With an underdeveloped industrial sector and the inability of government to create enough jobs there seems to be no immediate solution Lack of avenues to engage the youth in meaningful ways result in making miscreants out of many of them Young populations across the world are generally seen as drivers of socio economic growth but in Kashmir the youth bulge is a problem Unemployed youths destabilize the economy by being used to create mayhem by the anti social elements in the region Underdevelopment and unemployment in Jammu Kashmir is the manifestation of a mismatch between physical and human resources This exists when a large segment of the working age population does not possess the appropriate skills and knowledge to be gainfully employed In addition lackadaisical and imprudent policies pursued by subsequent

governments are the major challenge A radical shift in its policies especially in the education sector is an absolute prerequisite for the birth of a capable workforce The remedy lies in revamping the education sector by crafting appropriate policies for suitable skills in line with the socio economic requirements of the society The book argues the government must think about a long term plan for unemployed youth and devise a policy to channel the youth bulge constructively

Decentralization of the Socialist State Richard Miller Bird,Robert D. Ebel,Christine Wallich,1995-01-01 World Bank Discussion Paper No 271 This study incorporates data from comparable surveys across five African countries Ghana Malawi Mali Senegal and Tanzania to analyze how small and micro enterprises have been positively and negatively affected by policy liberalization schemes Some grow rapidly by adapting their products while others stagnate because of import competition and increased self employment Comparisons were made between small firms with 6 to 49 workers and microenterprises with fewer than 6 The study suggests a two pronged strategy 1 to facilitate widespread participation in microenterprises broad measures are needed to lower the costs of entry generate demand for their goods and services raise the educational level and incomes of the poor and encourage informal financial institutions 2 to stimulate growth of potentially dynamic enterprises well targeted measures may be appropriate to lower the costs of entry increase access to credit and provide demand driven business services Also available in French ISBN 0 8213 3907 0 Stock No 13907      **Political Economy of Unbalanced**

**Development in China** Hongwu Ouyang,2002      **Journal of Economic Literature** ,1993      **India** John N. Mayor,2003 India long known for its huge population religious conflicts and its status as not quite best friend ally of the United States has moved from the backwaters of world attention to centre stage Afghanistan and Pakistan with whom India is in almost conflict are neighbours India has developed a nuclear capability which also has a way of grabbing attention This book discusses current issues and historical background and provides a thorough index important to a better understanding of this diverse country      **Regional Development Dialogue** ,1994 An international journal focusing on third world development problems

Explaining the Coincidence of Economic Integration and Political Fragmentation Marc Holitscher,Roy Suter,1999      *The Journal of Developing Areas* ,1992      *Whitaker's Books in Print* ,1998

### **Political Economy Of Discontinuous Development Regional Disparities And Inter Regional Conflict Introduction**

In the digital age, access to information has become easier than ever before. The ability to download Political Economy Of Discontinuous Development Regional Disparities And Inter Regional Conflict has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Political Economy Of Discontinuous Development Regional Disparities And Inter Regional Conflict has opened up a world of possibilities. Downloading Political Economy Of Discontinuous Development Regional Disparities And Inter Regional Conflict provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Political Economy Of Discontinuous Development Regional Disparities And Inter Regional Conflict has

democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Political Economy Of Discontinuous Development Regional Disparities And Inter Regional Conflict. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Political Economy Of Discontinuous Development Regional Disparities And Inter Regional Conflict. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Political Economy Of Discontinuous Development Regional Disparities And Inter Regional Conflict, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Political Economy Of Discontinuous Development Regional Disparities And Inter Regional Conflict has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

### **FAQs About Political Economy Of Discontinuous Development Regional Disparities And Inter Regional Conflict Books**
