## **Political Identities Of Ezra Pound And T. S. Eliot:**

**The Political Identities of Ezra Pound & T. S. Eliot** William M. Chace, 1973 *Yeats, Eliot, Pound and the Politics of Poetry* Cairns Prof. Craig, 2015-12-22 It has long been recognised that there is an apparently paradoxical relationship between the revolutionary poetic style developed by Yeats Eliot and Pound in the period during and after the First World War and the reactionary politics with which they were associated in the 1920s and 1930s Concentrating on their writings in the period up to the 1930s this study first published in 1982 helps to resolve the paradox and also provides a much needed reappraisal of the factors influencing their poetic and political development The work of these poets has usually been seen as deriving from the tradition of continental symbolist poetics Yeats Eliot Pound and the Politics of Poetry will be of interest to students of literature

**The Politics of the Soul** John Dickson, 2022-12-16 This book takes the form of intellectual histories of eight major representative figures of the twentieth century who inherited and responded to the spiritual problematic left by Nietzsche With each figure offering very different ethical and spiritual positions all shed light on what we mean when we talk confusedly around the topics of politics and religion With portraits of Max Weber Georg Lukacs T S Eliot W H Auden Sigmund Freud Carl Jung George Orwell and Hannah Arendt the author explores the latent content of their worldview the moral or immoral intention of their intellectual project In each of the case studies the aim is to move toward an understanding of their ultimate values to get at their particular picture of the soul as well as the implications of this vision for religion and politics As such *The Politics of the Soul* will appeal to scholars of sociology and social theory religion philosophy political theory and cultural studies

*A Companion to T. S. Eliot* David E. Chinitz, 2011-09-26 Reflecting the surge of critical interest in Eliot renewed in recent years *A Companion to T S Eliot* introduces the new Eliot to readers and educators by examining the full body of his works and career Leading scholars in the field provide a fresh and fully comprehensive collection of contextual and critical essays on his life and achievement It compiles the most comprehensive and up to date treatment available of Eliot's work and career It explores the powerful forces that shaped Eliot as a writer and thinker analyzing his body of work and assessing his oeuvre in a variety of contexts historical cultural social and philosophical It charts the surge in critical interest in T S Eliot since the early 1990s It provides an illuminating insight into a poet writer and critic who continues to define the literary landscape of the last century

**Critical Companion to T. S. Eliot** Russell Murphy, 2007 Best known for his works *The Waste Land* *Four Quartets* and *The Love Song of J Alfred Prufrock* T S Eliot is one of the most popular 20th century poets studied in high school and college English classes This work explores the life and works of this amazing Nobel Prize winning writer with analyses of Eliot's writing

**T. S. Eliot in Context** Jason Harding, 2011-03-31 T S Eliot's work demands much from his readers The more the reader knows about his allusions and range of cultural reference the more rewarding are his poems essays and plays This book is carefully designed to provide an authoritative and coherent examination of those contexts essential to the fullest understanding of his challenging and

controversial body of work It explores a broad range of subjects relating to Eliot's life and career key literary intellectual social and historical contexts as well as the critical reception of his oeuvre Taken together these chapters sharpen critical appreciation of Eliot's writings and present a comprehensive composite portrait of one of the twentieth century's pre eminent men of letters Drawing on original research *T S Eliot in Context* is a timely contribution to an exciting reassessment of Eliot's life and works and will provide a valuable resource for scholars teachers students and general readers

**T. S. Eliot and the Ideology of Four Quartets** John Xiros Cooper, 1995-12-14 Criticism of Eliot has ignored the public dimension of his life and work His poetry is often seen as the private record of an internal spiritual struggle Professor Cooper shows how Eliot deliberately addressed a North Atlantic mandarin fearful of social disintegration during the politically turbulent 1930s Almost immediately following publication *Four Quartets* was accorded canonical status as a work that promised a personal harmony divorced from the painful disharmonies of the emerging postwar world Cooper connects Eliot's careers as banker director and editor to a much wider cultural agenda He aimed to reinforce established social structures during a period of painful political transition This powerful and original study re establishes the public context in which Eliot's work was received and understood It will become an essential reference work for all interested in a wider understanding of Eliot and of Anglo American cultural relations

*The Cambridge Companion to T.S. Eliot* Anthony David Moody, 1994 An essential introduction and handbook for students and other readers of T S Eliot

**T. S. Eliot and Christian Tradition** Benjamin G. Lockerd, 2014-06-18 T S Eliot was raised in the Unitarian faith of his family in St Louis but drifted away from their beliefs while studying philosophy mysticism and anthropology at Harvard During a year in Paris he became involved with a group of Catholic writers and subsequently went through a gradual conversion to Catholic Christianity Many studies of Eliot's writings have mentioned his religious beliefs but most have failed to give the topic due weight and many have misunderstood or misrepresented his faith More recently scholars have begun exploring this dimension of Eliot's thought more carefully and fully In this book readers will find Eliot's Anglo Catholicism accurately defined and thoughtfully considered Essays illuminate the all important influence of the French Catholic writers he came to know in Paris Prominent among them were those who wrote for or were otherwise associated with the *Nouvelle Revue Fran aise* including Andr Gide Paul Claudel and Charles Louis Philippe Also active in Paris at that time was the notorious Charles Maurras whose influence on Eliot has been exaggerated by those who wished to discredit Eliot's traditionalist views A more measured assessment of Maurras's influence has been needed and is found in several essays here A wiser French Catholic writer Jacques Maritain has been largely ignored by Eliot scholars but his influence is now given due consideration The keynote of Eliot's cultural and political writings is his belief that religion and culture are integrally related Several contributors examine his ideas on this subject placing them in the context of Maritain's ideas as well as those of the Catholic historian Christopher Dawson Contributors take account of Eliot's intellectual relationship with such figures as John Henry Newman Charles Williams and the expert on

church architecture W R Lethaby Eliot's engagement with other contemporaries who held a variety of Christian beliefs including George Santayana Paul Elmer More C S Lewis and David Jones is also explored This collection presents the subject of Eliot's religious beliefs in rich detail from a number of different perspectives giving readers the opportunity to see the topic in its complexity and fullness

Modernist Writing and Reactionary Politics Charles Ferrall, 2001-02 Ferrall offers insights into the relation between modernist aesthetics technology and politics

*Critical Study Of T.s. Eliot* Eliot At 100 Years D.K. Rampal, 2003 Thomas Stearns Eliot A Universal Poet And Dramatist And Nobel Laureate Was One Of The Most Daring Innovators Of The 20Th Century Poetry He Achieved The Most Dominant Position In Poetry And Literary Criticism In The English Speaking World T S Eliot Represents The High Water Mark Of The Modernist Movement In European Literature Which Affected Art And Culture Not Only Within The English Speaking World Or The European Lands But Around The Four Corners Of The Globe He Was A Poet A Dramatist And A Critic Of Literature And Society He Dominated The Literary And Cultural Scene During Most Of The Twentieth Century Though The World Is Now Said To Have Entered Into What Is Usually Called The Post Modernist Stage Yet Modernism Is Still Relevant Whether Post Modernism Is Considered To Be A Break With Or The Continuation Of Modernism The Latter Occupies A Central Place In The Whole Dialectics Of The Cultural Movement Of The 20Th Century The Present Volume Is An In Depth Critical Study Of The Whole Oeuvre Of T S Eliot By Diverse Hands This Is A Must For The Students Teachers Scholars Of Culture And Modern English Literature

**T.S. Eliot and Prejudice** Christopher Ricks, 1988-01-01

**Critical Perspectives on T.S. Eliot's Poetry** Nidhi Tiwari, Jaydipsinh Dodiya, 2008-03

Contributed articles

**T. S. Eliot and Ideology** Kenneth Asher, Kenneth George Asher, 1995 Setting out to demonstrate the effect of politics on the work of T S Eliot T S Eliot and Ideology charts first of all the influence of French reactionary thinking on Eliot's prose and poetry and further argues that this political inheritance provided the intellectual framework he employed throughout his career Asher's concentration on the specifically ideological separates this book from previous works on Eliot and sheds light on Eliot's celebrated mid career conversion to Catholicism What results is a re estimation of Eliot's view of literary history and literary theory and new appraisals of several major poems and plays Finally the book discusses at length how Eliot's ideology profoundly influenced the study of literature in the English speaking world for several decades

T. S. Eliot, Anti-Semitism, and Literary Form Anthony Julius, 1995 Julius's critically acclaimed study looking both at the detail of Eliot's deployment of anti Semitic discourse and at the role it played in his greater literary undertaking has provoked a reassessment of Eliot's work among poets scholars critics and readers which will invigorate debate for some time to come

*Ezra Pound and the Career of Modern Criticism* Michael Coyle, Roxana Preda, 2018 Forty five years after his death and more than seventy years after his indictment for treason Ezra Pound remains a deeply controversial figure Today it is hard to imagine a poet sparking national debate but Pound did just that His receipt in 1949 of the first ever Bollingen Award for Poetry started a hue and cry that spread to every US periodical that made even a pretense of following cultural

issues even Time weighed in It took two years for things to simmer down and when they finally did literary study looked profoundly different Everyone engaged in the study of poetry today professors and students alike works in an environment shaped by that national crisis of conscience The present book considers this untold story and investigates not just what critics have had to say about Pound but also why they have asked the questions they have asked It is routine for reception histories to distinguish between professional studies and more popular responses this book encourages us to consider why we make that distinction and what the costs of doing so might be Unprofessional responses to Pound have often been ideologically and politically embarrassing for Pound scholars who have in response policed the distinction between professional and popular readings with extraordinary vigilance As a result the history of Pound s reception unfolds as a kind of drama perhaps the last ongoing theater for McCarthyite cultural political anxieties Michael Coyle is Professor of English at Colgate University and has published widely on Pound Roxana Preda is Leverhulme Fellow in American Literature at the University of Edinburgh and President of the Ezra Pound Society

**Routledge Library Editions: T. S. Eliot** Various Authors, 2022-07-30 This set reissues 10 books on T S Eliot originally published between 1952 and 1991 The volumes examine many of Eliot s most respected works including his Four Quartets and The Waste Land As well as exploring Eliot s work this collection also provides a comprehensive analysis of the man behind the poetry particularly in Frederick Tomlin s T S Eliot A Friendship This set will be of particular interest to students of literature

**The Geometry of Modernism** Miranda B. Hickman, 2005 Addressing both the literature and the visual arts of Anglo American modernism The Geometry of Modernism recovers a crucial development of modernism s early years that until now has received little sustained critical attention the distinctive idiom composed of geometric forms and metaphors generated within the early modernist movement of Vorticism formed in London in 1914 Focusing on the work of Wyndham Lewis leader of the Vorticist movement as well as Ezra Pound H D and William Butler Yeats Hickman examines the complex of motives out of which Lewis initially forged the geometric lexicon of Vorticism and then how Pound H D and Yeats later responded to it and the values that it encoded enlisting both the geometric vocabulary and its attendant assumptions and ideals in transmuted form in their later modernist work Placing the genesis and appropriation of the geometric idiom in historical context Hickman explores how despite its brevity as a movement Vorticism in fact exerted considerable impact on modernist work of the years between the wars in that its geometric idiom enabled modernist writers to articulate their responses to both personal and political crises of the 1930s and 1940s Informed by extensive archival research as well as treatment of several of the least known texts of the modernist milieu The Geometry of Modernism clarifies and enriches the legacy of this vital period

**Shakespeare s Fascist Followers** Richard Wilson, 2025-08-21 Richard Wilson s meticulously researched powerfully argued and brilliantly written account of Shakespeare s 20th century fascist followers is not just an important but a genuinely essential book Robert Shaughnessy Guildford School of Acting UK In this illuminating book Richard Wilson demonstrates how in the 20th century

Shakespeare's plays and poems were persistently misread as documents which voiced the fascist sympathies of their author. Wilson argues that the version of Shakespeare this caricature produced – authoritarian, jingoistic, racially intolerant, misogynistic – was viewed with satisfaction by many of the leading figures of the century's cultural establishment in Britain and America, while noting striking cases of the same bias in Germany and France. Some of the names this book focuses on will surprise many: of the right-wing political views or leanings of the prominent figures discussed, have been left unexplored or ignored. From A. K. Chesterton, who was both editor of the British Union of Fascists newspaper *Blackshirt* and former manager of press and publicity at the Shakespeare Memorial Theatre, to celebrated Shakespeareans such as G. Wilson Knight and writers, artists and theatre practitioners including W. B. Yeats, T. S. Eliot, Edward Gordon Craig and Marshall McLuhan. At a time when democracy is under threat, populism is on the rise and far-right views are increasingly prominent in our political discourse, Richard Wilson's book makes an especially vital contribution to Shakespeare scholarship. Sixteen Modern American Authors Jackson R. Bryer, 1989. Praise for the earlier edition: Students of modern American literature have for some years turned to *Fifteen Modern American Authors* 1969 as an indispensable guide to significant scholarship and criticism about twentieth-century American writers. In its new form *Sixteenth Modern American Authors* it will continue to be indispensable. If it is not a desk book for all Americanists, it is a book to be kept in the forefront of the bibliographical compartment of their brains. *American Studies*

Yeah, reviewing a book **Political Identities Of Ezra Pound And Ts Eliot** could build up your near friends listings. This is just one of the solutions for you to be successful. As understood, skill does not suggest that you have astonishing points.

Comprehending as with ease as conformity even more than additional will meet the expense of each success. neighboring to, the message as without difficulty as perspicacity of this Political Identities Of Ezra Pound And Ts Eliot can be taken as without difficulty as picked to act.
