Political Inversions Homosexuality Fascism The Modernist Imaginary

Louis-Georges Tin

Political Inversions Homosexuality Fascism The Modernist Imaginary:

POLITICAL INVERSIONS, 1996-12 Political Inversions attempts to understand the forces at play in confluences both theoretical and cultural of homosexuality and fascism Taking its cue from Adorno's assertion that totalitarianism and homosexuality belong together the book examines how aberrant political and sexual economies have been equated across a variety of literary visual and theoretical discourses in contemporary debate At the same time the author explores the ways in which queer theory and historiography have responded defensively to such confluences thereby excluding from current discussions much important material Thus for example Political Inversions reassesses the work of German masculinist writers of the early part of the century thinkers whose definitive but politically troubling contributions to the construction of homosexual identity have been overlooked by a history heavily invested in the liberal Weimar tradition represented by figures such as Hirschfeld Rather than reconstructing a history of gay identity the book reads its texts as interventions in the broader political crises besetting democratic institutions in the first half of this century

Political Inversions Andrew Hewitt, 1996

Critical Theory and the Authoritarian Personality Geoff M. Boucher, 2025-01-31 The worldwide resurgence of authoritarianism has sparked renewed interest in the Frankfurt School theory of the authoritarian personality not as a topic of academic debate but as an urgent political factor Critical Theory and the Authoritarian Personality brings Theodor Adorno's critique up to date in light of new forms of authoritarian politics recent kinds of authoritarian propaganda and current findings about authoritarian personalities Drawing on the work of Slavoj Žižek and the psychoanalysis of Jacques Lacan this is the first sustained application of psychoanalytic theory to the problem of the authoritarian personality since the classical work of the Frankfurt School It explores a pressing problem the resurgence of the radical Right and proposes new solutions grounded in the idea of an affective approach to authoritarian politics as something based on transgressive fantasies and political anxieties Throughout the book illustrates its theoretical claims with reference to new kinds of authoritarian literature which today forms an important part of right wing propaganda

Freaks in Late Modernist American Culture Nancy Bombaci, 2006 Freaks in Late Modernist American Culture explores the emergence of what Nancy Bombaci terms late modernist freakish aesthetics a creative fusion of high and low themes and forms in relation to distorted bodies Literary and cinematic texts about freaks by Nathanael West Djuna Barnes T.S. Eliot and Carson McCullers subvert and reinvent modern progress narratives in order to challenge high modernist literary and social ideologies These works are marked by an acceptance of the dysteleology anarchy and degeneration that racist discourses of the late nineteenth and early twentieth centuries associated with racial and ethnic outsiders particularly Jews In a period of American culture beset with increasing pressures for social and political conformity and with the threat of fascism from Europe these late modernist narratives about freaks defy oppressive norms and values as they search for an anarchic and transformational creativity

Sexuality in Austria Anton Pelinka, 2017-07-05 Scholars have increasingly been investigating human sexuality as an important field of

social history in particular national cultures This volume examines both continuities and changing patterns of sexual behavior in Austria

Gender in Modernism Bonnie Kime Scott, 2007 Grouped into 21 thematic sections this collection provides theoretical introductions to the primary texts provided by the scholars who have taken the lead in pushing both modernism and gender in different directions It provides an understanding of the complex intersections of gender with an array of social identifications

Sexual Myths of Modernity Alison M. Moore, 2015-11-19 The notion of sexual sadism emerged from nineteenth century alienist attempts to imagine the pleasure of the torturer or mass killer This was a time in which sexuality was mapped to social progress so that perversions were always related either to degeneration or decadence These ideas were internalized in later Freudian views of the drives within the self and of their repression under the demands of modern European civilization Sadism was always presented as the barbarous past that lurked within each of us ready to burst forth into murderous violence crime anti-Semitism and finally genocide This idea maintained its currency in European thought after the Second World War as Freudian influenced accounts of the history of philosophy configured the Marquis de Sade as a kind of Kantian superego in a framework that viewed the Western Enlightenment as unraveled by its own inner demons In this way a straight line was imagined from the late eighteenth century to the Holocaust These ideas have had an ongoing legacy in debates about sexual perversion feminism genocide representation and historical memory of Nazism However recent genocide research has massively debunked assumptions that perpetrators of mass violence are especially sexually motivated in their cruelty This book considers how the late twentieth century imagination eroticized Nazism for its own ends but also how it has been informed by nineteenth century formulations of the idea of mass violence as a sexual problem

The Making of an Antifascist Dean Krouk, 2022-06-14 In this comprehensive and accessible book Dean Krouk examines the young imperialist adventurer turned hero of the anti-Nazi resistance Norwegian journalist poet and playwright Nordahl Grieg This volume offers a first rate analysis of the interwar period's political and cultural agendas in Scandinavia and Europe leading to the Second World War by examining the rise of fascism communism and antifascism Krouk's presentation of Grieg's unexpected ideological tensions will be thought provoking for many readers in the United States and elsewhere

Disturbing Attachments Kadji Amin, 2017-08-31 Jean Genet 1910-1986 resonates perhaps more than any other canonical queer figure from the pre-Stonewall past with contemporary queer sensibilities attuned to a defiant non-normativity Not only sexually queer Genet was also a criminal and a social pariah a bitter opponent of the police state and an ally of revolutionary anticolonial movements In *Disturbing Attachments* Kadji Amin challenges the idealization of Genet as a paradigmatic figure within queer studies to illuminate the methodological dilemmas at the heart of queer theory Pederasty which was central to Genet's sexuality and to his passionate cross-racial and transnational political activism late in life is among a series of problematic and outmoded queer attachments that Amin uses to deidealize and historicize queer theory He brings the genealogy of Genet's imaginaries of attachment to bear on pressing issues within contemporary queer politics and

scholarship including prison abolition homonationalism and pinkwashing Disturbing Attachments productively and provocatively unsettles queer studies by excavating the history of its affective tendencies to reveal and ultimately expand the contexts that inform the use and connotations of the term queer Poetry of the Possible Joel Nickels,2012 The abstractions of modernism reimagined as figurations of collective self organization **Uniform Fantasies** Jeffrey Schneider,2023-07-26 Starting in the nineteenth century in Germany colourful military uniforms became a locus for various queer male fantasies fostering an underground sexual economy of male prostitution as well as a political project to exploit the army's prestige for queer emancipation In the first decade of the twentieth century however a series of scandals derailed this emancipatory project Simultaneously public debates began to invoke homosexuality sadism transvestism and other sexological concepts to criticize military policies and practices In pursuing the threads with which queer authors and activists stitched their fantasies about uniforms Jeffrey Schneider offers fresh perspectives on key debates over military secrecy disciplinary abuses in the army and German militarism Drawing on a vast trove of materials ranging from sexological case studies trial transcripts and parliamentary debates to queer activist tracts autobiographies and literary texts *Uniform Fantasies* uncovers a particularly modern set of concerns about such topics as outing closeted homosexuals the presence of gay men in the military and whether men in uniform are more masculine or more insecure about their sexual identity Secreted Desires Michael Matthew Kaylor,2006 **Dysphoric Modernism** Mat Fournier,2024-11-26 During the interwar years in France modernist literature challenged norms around sex and sexuality through daring portrayals of homosexuality and queerness The same moment however witnessed the crystallization of the Western gender binary and its stark lines of division between male and female Bringing together trans theory with French literary studies Mat Fournier offers a new understanding of how the gender binary emerged in the modernist era *Dysphoric Modernism* considers gender deviance in works by a broad range of French authors both writers who are canonical for queer theory such as Marcel Proust Andr Gide Jean Genet and Colette and lesser known figures including Ren Crevel Raymond Radiguet Maurice Sachs and Maurice Rostand Its trans readings track the dysphoria inherent to modern gender and the many ways these texts both disrupt and reinforce it Examining the complex entanglements of gender and sexuality with the colonial project Fournier argues that modernist writers' representations of sexual dissidence came at the cost of their enforcement of racial and gendered discrimination A groundbreaking transgender analysis of French modernist literature this book also demonstrates the significance of the concept of dysphoria for a number of fields **A Cultural History of Ideas in the Modern Age** Stefanos Geroulanos,2025-05-15 PRAISE FOR A CULTURAL HISTORY OF IDEAS VOLUMES 1-6 A 2024 CHOICE OUTSTANDING ACADEMIC TITLE 2023 AAP PROSE AWARDS WINNER BEST HUMANITIES REFERENCE WORK Ideas defined the twentieth century they and their reflections shaped practices social life knowledge and governance They played out in policies in street debates in histories of the past and future in school curricula in revolts in art in medical care They offered up reasons to fight work and spend ideals to trust in violence to inflict

or oppose algorithms to program This book confronts the challenge of the narrative symbolic institutional and conceptual architecture of the twentieth century mostly in the Euro American West To this day our thought is defined by terms that the twentieth century set in motion from modernity to the age of extremes from nationalism to internationalism to decolonization from dada to poststructuralism from the expanding university to neoliberalism and the end of history This book tracks nine categories Knowledge The Human Self Ethics and Social Relations Politics and Economies Nature Religion and the Divine Language Poetry Rhetoric The Arts and History It completes the six volume A Cultural History of Ideas by asking in what ways the twentieth century fundamentally addressed and altered each of these categories The 6 volume set A Cultural History of Ideas is part of The Cultural Histories Series Titles are available in print for individuals or for libraries needing just one subject or preferring a tangible reference for their shelves or as part of a fully searchable digital library The digital product is available to institutions by annual subscription or on perpetual access via www.bloomsburyculturalhistory.com Individual volumes for academics and researchers interested in specific historical periods are also available in print or digitally via www.bloomsburycollections.com

The Dictionary of Homophobia Louis-Georges Tin, 2008-11-01 Tin's Dictionary of Homophobia is so sweeping in its scope that one can dip into it again and again and learn something or confront an idea in which even the most well read queer will find fresh intellectual nourishment and historical illumination Gay City News Based on the work of seventy researchers in fifteen countries The Dictionary of Homophobia is a mammoth encyclopedic book that documents the history of homosexuality and various cultural responses to it in all regions of the world a masterful engaged and wholly relevant study that traces the political and social emancipation of a culture The book is the first English translation of Dictionnaire de L Homophobie published in France in 2003 to worldwide acclaim its editor Louis Georges Tin launched the first International Day Against Homophobia in 2005 now celebrated in more than fifty countries around the world The Dictionary of Homophobia includes over 175 essays on various aspects of gay rights and homophobia as experienced in all regions in Africa the Americas Asia Europe and the South Pacific from the earliest epochs to present day Subjects include religious and ideological forces such as the Bible Communism Judaism Hinduism and Islam historical subjects events and personalities such as AIDS Stonewall J Edgar Hoover Matthew Shepard Oscar Wilde Pat Buchanan Joseph McCarthy Pope John Paul II and Anita Bryant and other topics such as coming out adoption deportation ex gays lesbiphobia and bi phobia In a world where gay marriage remains a hot button political issue and where adults and even teens are still being executed by authorities for the crime of homosexuality The Dictionary of Homophobia is a both a revealing and necessary history lesson for us all

Soundtracking Germany Melanie Schiller, 2018-06-13 This book argues for the importance of popular music in negotiations of national identity and Germanness in particular By discussing diverse musical genres and commercially and critically successful songs at the heights of their cultural relevance throughout seventy years of post war German history Soundtracking Germany describes how popular music can function as a language

for writing national narratives Running chronologically all chapters historically contextualize and critically discuss the cultural relevance of the respective genre before moving into a close reading of one particularly relevant and appellative case study that reveals specific interrelations between popular music and constructions of Germanness Close readings of these sonic national narratives in different moments of national transformations reveal changes in the narrative rhetoric as this book explores how Germanness is performatively constructed challenged and reaffirmed throughout the course of seventy years

George L. Mosse's Italy L. Benadusi, G. Caravale, 2014-09-10 Twelve years have gone by since the passing of George L Mosse yet his work still provides essential tools for historical analysis and influences contemporary research This volume provides a re examination of his historiographical production and an analysis of his influence in the context of Italian history

Peripheral Desires Robert Deam Tobin, 2015-10-29 In *Peripheral Desires* Robert Deam Tobin charts the emergence from the 1830s through the early twentieth century of a new vocabulary and science of human sexuality in the writings of literary authors politicians and members of the medical establishment in German speaking central Europe and observes how consistently these writers thinkers and scientists associated the new nonnormative sexualities with places away from the German metropolises of Berlin and Vienna In the writings of Aim e Duc and Lou Andreas Salom Switzerland figured as a place for women in particular to escape the sexual confines of Germany The sexual ethnologies of Ferdinand Karsch Haack and the popular novels of Karl May linked nonnormative sexualities with the colonies and in particular with German Samoa Same sex desire was perhaps the most centrifugal sexuality of all as so called Greek love migrated to numerous places and peoples a curious connection between homosexuality and Hungarian nationalism emerged in the writings of Adalbert Stifter and Karl Maria Kerbeny Arnold Zweig built on a long and extremely well developed gradation of associating homosexuality with Jewishness projecting the entire question of same sex desire onto the physical territory of Palestine and Thomas Mann of course famously associated male male desire with the fantastically liminal city of Venice lying between land and sea Europe and the Orient As Germany and German speaking Europe became a fertile ground for homosexual subcultures in the nineteenth and early twentieth centuries what factors helped construct the sexuality that emerged *Peripheral Desires* examines how and why the political scientific and literary culture of the region produced the modern vocabulary of sexuality

After The History of Sexuality Scott Spector, Helmut Puff, Dagmar Herzog, 2012-07-01 Michel Foucault's seminal *The History of Sexuality* 1976 1984 has since its publication provided a context for the emergence of critical historical studies of sexuality This collection reassesses the state of the historiography on sexuality a field in which the German case has been traditionally central In many diverse ways the Foucauldian intervention has governed the formation of questions in the field as well as the assumptions about how some of these questions should be answered It can be argued however that some of these revolutionary insights have ossified into dogmas or truisms within the field Yet as these contributions meticulously reveal those very truisms when revisited with a fresh eye can lead to new unexpected

insights into the history of sexuality necessitating a return to and reinterpretation of Foucault's richly complex work. This volume will be necessary reading for students of historical sexuality as well as for those readers in German history and German studies generally who have an interest in the history of sexuality. **Cold Modernism** Jessica Burstein, 2012

Explores a significant but overlooked aspect of early twentieth century modernism one that focuses on surface appearance rather than interiority or psychological depth. Looks at the writers Wyndham Lewis and Mina Loy the artists Balthus and Hans Bellmer and the fashion designer Coco Chanel. Provided by publisher.

If you ally need such a referred **Political Inversions Homosexuality Fascism The Modernist Imaginary** ebook that will pay for you worth, acquire the certainly best seller from us currently from several preferred authors. Political Inversions Homosexuality Fascism The Modernist Imaginary Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Political Inversions Homosexuality Fascism The Modernist Imaginary free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Political Inversions Homosexuality Fascism The Modernist Imaginary free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results

by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Political Inversions Homosexuality Fascism The Modernist Imaginary free PDF files is convenient, it's important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but it's essential to be cautious and verify the authenticity of the source before downloading Political Inversions Homosexuality Fascism The Modernist Imaginary. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether it's classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Political Inversions Homosexuality Fascism The Modernist Imaginary any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About Political Inversions Homosexuality Fascism The Modernist Imaginary Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook's credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What's the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Political Inversions Homosexuality Fascism The Modernist Imaginary is one of the best books in our library for free trial. We provide a copy of Political Inversions Homosexuality Fascism The Modernist Imaginary in digital format, so the resources that you find are reliable. There are also many eBooks related to Political Inversions Homosexuality Fascism The Modernist Imaginary. Where to download Political Inversions Homosexuality Fascism The Modernist Imaginary online for free? Are you looking for Political Inversions Homosexuality Fascism The Modernist Imaginary PDF? This is definitely going to save you time and cash in something you should think about. If you're trying to find then search around for online. Without a doubt, there are numerous of these available and many of them have the freedom. However, without a doubt, you receive whatever you purchase. An alternate way to get

ideas is always to check another Political Inversions Homosexuality Fascism The Modernist Imaginary. This method for see exactly what may be included and adopt these ideas to your book. This site will almost certainly help you save time and effort, money and stress. If you are looking for free books then you really should consider finding to assist you try this. Several of Political Inversions Homosexuality Fascism The Modernist Imaginary are for sale to free while some are payable. If you arent sure if the books you would like to download works with for usage along with your computer, it is possible to download free trials. The free guides make it easy for someone to free access online library for download books to your device. You can get free download on free trial for lots of books categories. Our library is the biggest of these that have literally hundreds of thousands of different products categories represented.
