Political Philosophy Comes To Ricks Casablanca And American Civic Culture:

Political Philosophy Comes to Rick's James F. Pontuso, 2005-01-01 Casablanca is a movie about love and loss virtue and vice good and evil duty and treachery courage and weakness friendship and hate It is a story that ends well but only because the main characters make a heartbreaking choice Casablanca is perhaps the most widely viewed motion picture ever made often finishing on critics lists second only to Citizen Kane What accounts for its continuing popularity What chord does it strike with audiences What lesson does Casablanca teach Americans about themselves What influence does popular culture have on public mores The contributors to Political Philosophy Comes to Rick's take up these questions finding that Casablanca raises many of the most important issues of political philosophy Perhaps Casablanca has an enduring quality because it like political philosophy raises questions of human life the nature of love friendship courage honor responsibility and justice

Constitutionalism and Liberty Anthony D. Bartl, Jordan T. Cash, 2024-11-25 Constitutionalism and Liberty Essays in Honor of David K Nichols explores the relationship between liberty and constitutionalism in American politics and political theory and is organized around the question of how human liberty is preserved and advanced while empowering government to have the necessary authority to effectively govern society The essays themselves are divided into three areas reflecting the breadth and diversity of David K Nichols's scholarship The first assesses how we should understand separation of powers and checks and balances in the American constitutional system The second area treats different aspects of American legal practice and jurisprudence including the powers and role of the American judiciary philosophically and institutionally as well as questions of administrative power civil rights parental rights and symbolic speech The final section examines a range of issues in political philosophy and theory including two chapters on the intersection of political theory with literature and art The array of subjects covered by these chapters is a testament to the broad influence of Nichols teaching and scholarship and to the widening interest in aspects of American politics constitutional law and political theory that cross traditional barriers in political science

Lexicon of Global Melodrama Heike Paul, Sarah Marak, Katharina Gerund, Marius Henderson, 2022-05-02 This new go to reference book for global melodrama assembles contributions by experts from a wide range of disciplines including cultural studies film and media studies gender and queer studies political science and postcolonial studies The melodramas covered in this volume range from early 20th century silent movies to contemporary films from independent arthouse productions to Hollywood blockbusters The comprehensive overview of global melodramatic film in the Lexicon constitutes a valuable resource for scholars and practitioners of film teachers film critics and anyone who is interested in the past and present of melodramatic film on a global scale The Lexicon of Global Melodrama includes essays on All That Heaven Allows Bombay Casablanca Die B chse der Pandora In the Mood for Love Nosotros los Pobres Terra Son mbula and Tokyo Story

Print the Legend Sidney A. Pearson, 2009-01-01 What kind of civic culture and virtues are required to maintain and develop a decent regime The aim of this collection is to explore this

theme from the perspective of the films of John Ford *Pop Culture and the Dark Side of the American Dream* Paul A. Cantor, 2019-05-17 The many con men gangsters and drug lords portrayed in popular culture are examples of the dark side of the American dream Viewers are fascinated by these twisted versions of heroic American archetypes like the self made man and the entrepreneur Applying the critical skills he developed as a Shakespeare scholar Paul A Cantor finds new depth in familiar landmarks of popular culture He invokes Shakespearean models to show that the concept of the tragic hero can help us understand why we are both repelled by and drawn to figures such as Vito and Michael Corleone or Walter White Beginning with Huckleberry Finn and ending with The Walking Dead Cantor also uncovers the link between the American dream and frontier life In imaginative variants of a Wild West setting popular culture has served up disturbing and yet strangely compelling images of what happens when people move beyond the borders of law and order Cantor demonstrates that at its best popular culture raises thoughtful questions about the validity and viability of the American dream thus deepening our understanding of America itself *The Deconstitutionalization of America* Roger M. Barrus, John H. Eastby, Joseph H. Lane Jr., David E. Marion, James F. Pontuso, 2004-06-01 In The Deconstitutionalization of America The Forgotten Frailties of Democratic Rule Roger M Barrus and his coauthors embark on a discussion of American democracy from the nineteenth century to the present day The present paradox democracy finds itself in can be summed up as the best of times and the worst of times Democracy at its best has triumphed throughout the world It is the authors contention that this same success represents the potential for its undoing with all governments claiming to be democratic modern democrats and this includes just about everyone find it difficult if not impossible to understand the nature and problems of democracy Since most everyone lives within a democratic horizon they have nothing to compare democracy to and no one to point out its faults In this way they are hampered in dealing with their social and political problems some of which may be the result of contradictions inherent in the democratic principle itself The solution to democracy s ills might not be after all more democracy Focus On: 100 Most Popular American Romantic Drama Films Wikipedia contributors, **The Invisible Hand in Popular Culture** Paul Arthur Cantor, 2012-11-05 Popular culture often champions freedom as the fundamentally American way of life and celebrates the virtues of independence and self reliance But film and television have also explored the tension between freedom and other core values such as order and political stability What may look like healthy productive and creative freedom from one point of view may look like chaos anarchy and a source of destructive conflict from another Film and television continually pose the question Can Americans deal with their problems on their own or must they rely on political elites to manage their lives In this groundbreaking work Paul A Cantor explores the ways in which television shows such as Star Trek The X Files South Park and Deadwood and films such as The Aviator and Mars Attacks have portrayed both top down and bottom up models of order Drawing on the works of John Locke Adam Smith Alexis de Tocqueville and other proponents of freedom Cantor contrasts the classical liberal vision of America particularly its emphasis

on the virtues of spontaneous order with the Marxist understanding of the culture industry and the Hobbesian model of absolute state control *The Invisible Hand in Popular Culture* concludes with a discussion of the impact of 9 11 on film and television and the new anxieties emerging in contemporary alien invasion narratives the fear of a global technocracy that seeks to destroy the nuclear family religious faith local government and other traditional bulwarks against the absolute state

Passionate Love and Popular Cinema Erica Todd,2013-12-16 This book analyses the romantic drama and the way that passionate love is presented as the central storyline in popular cinema drawing upon genre studies and sociology Exploring the passionate love story as a cinematic form it also contributes through comparison to research on the romantic comedy

Lincoln and the Politics of Christian Love Grant N. Havers,2009-11-13 America has seen faith based initiatives and the audacity of hope in twenty first century politics but few participants in our political scene have invoked the other Christian virtue of charity as a guiding principle Abraham Lincoln extolled the merit of loving thy neighbor as thyself especially as a critique of the hypocrisy of slavery but a discussion of Christian love is noticeably absent from today s debates about religion and democracy In this provocative book Grant Havers argues that charity is a central tenet of what Lincoln once called America s political religion He explores the implications of making Christian love the highest moral standard for American democracy showing how Lincoln s legacy demands that a true democracy be charitable toward all and that only a people who lived according to such ideals could succeed in building democracy as Lincoln understood it Havers argues that it is simplistic to conflate Lincoln s invocation of with charity for all with his abiding support for the ideal of human equality The ethic of charity in his view also brought a uniquely Christian realism to the universalism of democracy He also describes how since World War I intellectuals and political leaders have denied that there exists a necessary relation between democracy and Christian love proposing that democracy is sufficiently ethical without reliance on a specific religious tradition Today s neoconservatives and liberals instead posit a universal yearning for democracy that requires no foundation in the ethic of charity Havers shows that this democratic universalism espoused by those who believe a chosen people should uphold the natural rights of humanity is alien to the sober thought of both the founders and Lincoln This carefully argued work defends Lincoln s understanding of charity as essential to democracy while emphasizing the difficulty of fusing this ethic with the desire to spread democracy to people who do not share America s Christian heritage In considering the prospect of America s leaders rediscovering a moral foreign policy based on charity rather than the costly idolization of democracy *Lincoln and the Politics of Christian Love* makes a timely contribution to the wider debate over both the meaning of religion in American politics and the mission of America in the world and opens a new window on Lincoln s lasting legacy

Focus On: 100 Most Popular United States National Film Registry Films Wikipedia contributors, **Totalitarianism on Screen** Carl Eric Scott,F. Flagg Taylor, IV,2014-07-11 From its creation in 1950 to the fall of the Berlin Wall in 1989 the German Democratic Republic s Ministry for State Security closely monitored its nation s citizens Known as the Staatssicherheit or Stasi this

organization was regarded as one of the most repressive intelligence agencies in the world Florian Henckel von Donnersmarck's 2006 film *The Lives of Others* *Das Leben der Anderen* has received international acclaim including an Academy Award an Independent Spirit Award and multiple German Film Awards for its moving portrayal of East German life under the pervasive surveillance of the Stasi In *Totalitarianism on Screen* political theorists Carl Eric Scott and F Flag Taylor IV assemble top scholars to analyze the film from philosophical and political perspectives Their essays confront the nature and legacy of East Germany's totalitarian government and outline the reasons why such regimes endure Other than magazine and newspaper reviews little has been written about *The Lives of Others* This volume brings German scholarship on the topic to an English speaking audience for the first time and explores the issue of government surveillance at a time when the subject is often front page news Featuring contributions from German president Joachim Gauck prominent singer songwriter Wolf Biermann journalists Paul Hockenos and Lauren Weiner and noted scholars Paul Cantor and James Pontuso *Totalitarianism on Screen* contributes to the growing scholarship on totalitarianism and will interest historians political theorists philosophers and fans of the film

Characters in Film and Other Media Jens Eder, 2025-07-29 Characters are central to the creation and experience of films and other media Their cultural significance is profound but they also raise a wide range of questions This book provides a comprehensive theory that guides the analysis and interpretation of characters across four dimensions as represented beings with physical psychological and social characteristics as artefacts with aesthetic structures as meaningful symbols and as symptoms of socio cultural origins and effects Integrating insights from film media and literary studies as well as philosophy psychology and sociology the book offers a broad range of approaches for understanding characters and the emotional responses they evoke Richly illustrated and offering practical tools along with case studies of numerous characters from different genres of films this book will be invaluable to scholars and students of film and media studies and related disciplines as well as artistic practitioners

Assault on Ideology James F. Pontuso, 2004-01-01 In this new paperback edition of *Assault on Ideology* Aleksandr Solzhenitsyn's *Political Thought* author James F Pontuso showcases the titanic thought that understood Marxism to be a vain and ultimately merciless effort to fulfill the Enlightenment dream of fully conquering and exploiting nature in order to establish a perfect and just society on earth

Václav Havel James F. Pontuso, 2004 More than any other public figure Václav Havel has reflected on the opportunities and dilemmas facing humankind as a result of the collapse of Communism In *Václav Havel Civic Responsibility in the Postmodern Age* James F Pontuso argues that Havel's life as a dissident and political leader his political philosophy and his plays must be understood as connected to one another Pontuso skillfully explores these connections and explains Havel's prescriptions for political life

How has the representation of World War II on film changed from 1939 to 2009 , **Focus On: 100 Most Popular Deaths from Pneumonia** Wikipedia contributors, Mediale Topographien Marcus Stiglegger, Anton Escher, 2019-10-23 Filmwissenschaftliche Analyse und die Methodik der Kulturgeographie werden in

diesem neuartig perspektivierten Band zusammengefasst um die medialen Topographien und Raumentwürfe des narrativen Films zu erkunden Neben definitorischen Kapiteln zu Grundbegriffen der Filmgeographie finden sich Reflexionen zu den mythischen Räumen des Films zur medialen Konstruktion ikonischer Orte Casablanca Tanger sowie über die filmische Adaption von Grenz Räumen und Konflikten USA Mexiko **Book Review Index**, 2006 Every 3rd issue is a quarterly cumulation Politics, Literature, and Film in Conversation Matthew D. Dinan, Paul E. Kirkland, Denise Schaeffer, Natalie Taylor, 2021-05-04 This volume presents a series of essays in honor of noted scholar of political theory Mary P Nichols The essays reflect Nichols pathbreaking work in ancient Greek political thought as well as her influential treatments of works of literature and film in conversation with political theory Part I Conversations Concerning Love and Friendship features essays about the philosophical meaning of human connection and affection Part II Conversations Between Politics and Poetry looks at the political significance of art and the ways in which political rule can be understood to be artistic or poetic Part III Conversations from Tragedy to Comedy considers whether the human need for community is something to be lamented or celebrated Broad in scope and interdisciplinary in approach the essays in this volume address authors such as Plato Aristotle Shakespeare Machiavelli Mary Wollstonecraft G W F Hegel Jane Austen Henry James William Faulkner Albert Camus J R R Tolkien and Aleksander Solzhenitsyn as well as the films of Woody Allen and Whit Stillman

Political Philosophy Comes To Ricks Casablanca And American Civic Culture Introduction

In the digital age, access to information has become easier than ever before. The ability to download Political Philosophy Comes To Ricks Casablanca And American Civic Culture has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Political Philosophy Comes To Ricks Casablanca And American Civic Culture has opened up a world of possibilities. Downloading Political Philosophy Comes To Ricks Casablanca And American Civic Culture provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Political Philosophy Comes To Ricks Casablanca And American Civic Culture has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Political Philosophy Comes To Ricks Casablanca And American Civic Culture. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Political Philosophy Comes To Ricks Casablanca And American Civic Culture. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal

distribution of content. When downloading Political Philosophy Comes To Ricks Casablanca And American Civic Culture, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Political Philosophy Comes To Ricks Casablanca And American Civic Culture has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Political Philosophy Comes To Ricks Casablanca And American Civic Culture Books

1. Where can I buy Political Philosophy Comes To Ricks Casablanca And American Civic Culture books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores.
