## **Political Thought Of Lord Durham:**

**The Political Thought of Lord Durham** Janet Ajzenstat, 1968 *Political Thought of Lord Durham* Janet Ajzenstat, 1988-01-01 While the standard interpretation has portrayed Durham as prejudiced and ignorant about French Canada Ajzenstat shows that on the contrary the assimilation proposal follows from Durham's consideration of ways of opening the widest political and economic opportunities for French Canadians She argues that far from being racist as so many historians have suggested Durham's proposals reflect the tolerance at the heart of liberalism which prohibits discrimination on the basis of race origin or creed To illuminate the Report's argument Ajzenstat draws on Durham's speeches letters and dispatches as well as material on Canada which he consulted before arriving at his final proposals One of his sources she argues was Tocqueville's *Democracy in America* She compares Durham's position on political reform in Britain and in the colonies and concludes that his ideas on reform empire and revolution political constitutions nationality and political culture form a single forceful theory Ajzenstat suggests that Durham's argument clarifies what she sees as a present dilemma for Canada that legislation intended to protect cherished minority traditions necessarily erodes liberal rights that those minorities hold equally dear *Canadian Conservative Political Thought* Lee Trepanier, Richard Avramenko, 2023-03-24 This book corrects an imbalance in Canadian political literature through offering a conservative account of Canadian political thought Across 15 chronologically organized chapters and with a mixture of established and rising scholars the book offers an investigation of the defining features and characteristics of Canadian conservative political thought asking what have Canadian conservative political thinkers and practitioners learned from other traditions and in turn what have they contributed to our understanding of conservative political thought today Rather than its culmination Canadian Conservative Political Thought will be the beginning of conservative political thought's recovery and will spark debates and future research The book will be a great resource for courses on Canadian politics history political philosophy and conservatism Canadian Studies and political theory **Canadian History: Beginnings to Confederation** Martin Brook Taylor, Doug Owsen, 1994-01-01 In these two volumes which replace the Reader's Guide to Canadian History experts provide a select and critical guide to historical writing about pre and post Confederation Canada with an emphasis on the most recent scholarship Cover **Empire of Political Thought** Bruce Buchan, 2015-10-06 A book about how European colonists in Australia represented the Indigenous peoples they found there and the tasks of governing them within the terms of Western political thought It emphasises how the framework of ideas drawn from the traditions of Western political thought was employed in the imperial government of Indigenous peoples Liberalism and Hegemony Jean-Francois Constant, Michel Ducharme, 2009-04-07 In 2000 Ian McKay a highly respected historian at Queen's University published an article in the *Canadian Historical Review* entitled *The Liberal Order Framework A Prospectus for a Reconnaissance of Canadian History* Written to address a crisis in Canadian history this detailed programmatic and well argued article had an

immediate impact on the field Proposing that Canadian history should be mapped through a process of reconnaissance and that the Canadian state should be understood as a project of liberal rule in North America the essay prompted debate immediately upon publication Liberalism and Hegemony assembles some of Canada's finest historians to continue the debate sparked by McKay's essay The essays collected here explore the possibilities and limits presented by The Liberal Order Framework for various segments of Canadian history and within them the paramount influence of liberalism throughout the nineteenth and twentieth centuries is debated in the context of aboriginal history environmental history the history of the family the development of political thought and ideas and municipal governance Like McKay's The Liberal Order Framework which is included in this volume with a response to recent criticism Liberalism and Hegemony is a fascinating foray into current historical thought and provides the historical community with a book that will act both as a reference and a guide for future research Le Concept de liberté au Canada à l'époque des Révolutions atlantiques (1776-1838) Michel

Ducharme, 2009-12-01 Cet ouvrage revisite l'histoire intellectuelle et politique canadienne entre la révolution américaine et les rébellions de 1837-1838 au Haut et au Bas Canada en la rattachant dans le cadre des Révolutions atlantiques qui ont secoué l'Europe et l'Amérique entre 1776 et 1838 Reposant sur un cadre théorique inspiré des travaux des historiens intellectuels du monde atlantique il traite plus particulièrement de l'importance du concept de liberté dans le développement de l'état dans les deux colonies Il démontre que ces dernières se sont développées à partir de 1791 en suivant un idéal de liberté qui tout en étant différent de la liberté libérale au sein des mouvements révolutionnaires de la fin du XVIII<sup>e</sup> siècle n'en était pas moins issu des Lumières Il présente également les rébellions de 1837-1838 comme tant en partie le résultat d'un affrontement entre deux concepts très différents de liberté The Loyal Atlantic Jerry Bannister, Liam Riordan, 2012-01-01 Adding to a dynamic new wave of scholarship in Atlantic history The Loyal Atlantic offers fresh interpretations of the key role played by Loyalism in shaping the early modern British Empire This cohesive collection investigates how Loyalism and the empire were mutually constituted and reconstituted from the eighteenth century onward Featuring contributions by authors from across Canada the United States and the United Kingdom The Loyal Atlantic brings Loyalism into a genuinely international focus Through cutting edge archival research The Loyal Atlantic contextualizes Loyalism within the larger history of the British Empire It also details how far from being a passive allegiance Loyalism changed in unexpected and fascinating ways especially in times of crisis Most importantly The Loyal Atlantic demonstrates that neither the conquest of Canada nor the American Revolution can be properly understood without assessing the meanings of Loyalism in the wider Atlantic world **Canadian Federalist Experiment** Frederick Vaughan, 2003 Frederick Vaughan looks at changes that have taken place in Canada since 1867 arguing that Pierre Trudeau's 1982 Constitution Act quietly undermined the monarchic character of the constitution by introducing republican principles of government leaving Canada clinging to the wreckage of the old aristocratic order while attempting to provide a new order founded on republican equality **BOOK JACKET** *Reimagining Canada* Jeremy

Webber,1994-02-21 Webber begins by showing how different conceptions of culture language and nation shaped Canada's constitutional negotiations from 1960 until the referendum of 1992 He then calls for a reconception of the terms of the debate claiming that the terms now used often borrowed from quite different societies have made resolution of the constitutional issues more difficult He rejects the language of nation and nationalism and the tendency towards exclusiveness implicit in that language arguing for a Canadian community founded not on a rigid set of shared values but on shared debates and shared engagements through time Recognizing that Canadians belong simultaneously to the larger community and to other more local communities each generating its own sense of allegiance Webber describes how their relationships are shaped by institutional linguistic and cultural factors and notes that these multiple influences produce an asymmetrical structure He maintains that this structure should be reflected in an asymmetrical constitution and can be accommodated without undermining individual rights Webber offers both an overview of the constitutional negotiations and a set of reflections on the appropriate relationship between culture language and political community in Canada These reflections while rooted in the Canadian context hold lessons for other pluralistic federations or for nations confronting similar issues of cultural accommodation

**Republicanism and Responsible Government** Benjamin T. Jones,2014-06-01 Despite remarkable similarities little attempt has been made to compare the political development of colonial era Australia and Canada Both nations were born as British colonies and used violent and non violent means to agitate for democratic freedoms Republicanism and Responsible Government explores how these sister colonies transformed the very nature of the British Empire by insisting on democratic self rule Focusing on the middle of the nineteenth century Benjamin Jones explores key points in colonial Australian and Canadian history Canada's Rebellions of 1837-38 and the Durham Report and Australia's anti transportation movement and the Eureka Stockade Previously historians have looked to liberalism when explaining radicalism and democratization Jones however contends that Canadian and Australian radicals and reformers were influenced by the ancient political philosophy of civic republicanism with its focus on collectivism civic duty and virtue William Lyon Mackenzie and John Dunmore Lang he argues did not champion republicanism to achieve individual rights but to create a virtuous society free from the corruption they saw in the status quo Republicanism and Responsible Government challenges traditional interpretations of key events in Australian and Canadian history and shows that even though both nations remain constitutional monarchies republican ideas have shaped their foundations since the earliest days of settlement

*Churches and Social Order in Nineteenth- and Twentieth-Century Canada* Michael Gauvreau,Olivier Hubert,2006-08-07 Changing social and cultural strategies pursued by Protestant and Catholic religious institutions have shaped the social order in Quebec and English Canada Through a sustained comparison of Protestantism and Catholicism this volume explores the transition from pre industrial to industrial society and challenges conventional chronologies of religious change

**Divergent Paths** Marc Egnal,1996 Why are some countries without an apparent abundance of natural

resources such as Japan economic success stories while other languish in the doldrums of slow growth In this comprehensive look at North American economic history Marc Egnal argues that culture and institutions play an integral role in determining economic outcome He focuses his examination on the eight colonies of the North five colonies of the South which together made up the original thirteen states and French Canada Using census data diaries travelers accounts and current scholarship Egnal systematically explores how institutions such as slavery in the South and the seigneurial system in French Canada and cultural arenas such as religion literacy entrepreneurial spirit and intellectual activity influenced development He seeks to answer why three societies with similar standards of living in 1750 became so dissimilar in development By the mid nineteenth century the northern states had surged ahead in growth and this gap continued to widen into the twentieth century Egnal argues that culture and institutions allowed this growth in the North not resources or government policies Both the South and French Canada stressed hierarchy and social order more than the drive for wealth Rarely have such parallels been drawn between these two societies Complete numerous helpful appendices figures tables and maps *Divergent Paths* is a rich source of unique perspectives on economic development with strong implications for emerging societies

*Divergent Paths : How Culture and Institutions Have Shaped North American Growth* Marc Egnal Professor of History York University,1996-06-11 Why are some countries without an apparent abundance of natural resources such as Japan economic success stories while other languish in the doldrums of slow growth In this comprehensive look at North American economic history Marc Egnal argues that culture and institutions play an integral role in determining economic outcome He focuses his examination on the eight colonies of the North five colonies of the South which together made up the original thirteen states and French Canada Using census data diaries travelers accounts and current scholarship Egnal systematically explores how institutions such as slavery in the South and the seigneurial system in French Canada and cultural arenas such as religion literacy entrepreneurial spirit and intellectual activity influenced development He seeks to answer why three societies with similar standards of living in 1750 became so dissimilar in development By the mid nineteenth century the northern states had surged ahead in growth and this gap continued to widen into the twentieth century Egnal argues that culture and institutions allowed this growth in the North not resources or government policies Both the South and French Canada stressed hierarchy and social order more than the drive for wealth Rarely have such parallels been drawn between these two societies Complete numerous helpful appendices figures tables and maps *Divergent Paths* is a rich source of unique perspectives on economic development with strong implications for emerging societies **Ruling by Schooling**

**Quebec** Bruce Curtis,2012-01-01 *Ruling by Schooling* Quebec provides a rich and detailed account of colonial politics from 1760 to 1841 by following repeated attempts to school the people This first book since the 1950s to investigate an unusually complex period in Quebec s educational history extends the sophisticated method used in author Bruce Curtis s double award winning *Politics of Population* Drawing on a mass of archival material the study shows that although attempts to govern

Quebec by educating its population consumed huge amounts of public money they had little impact on rural ignorance while near universal literacy reigned in New England by the 1820s at best one in three French speaking peasant men in Quebec could sign his name in the insurrectionary decade of the 1830s Curtis documents educational conditions on the ground but also shows how imperial attempts to govern a tumultuous colony propelled the early development of Canadian social science He provides a revisionist account of the pioneering investigations of Lord Gosford and Lord Durham

**Discovering Confederation** Janet Ajzenstat, 2014-04-01 Janet Ajzenstat is one of Canada's most respected thinkers on the moral and philosophical foundations of responsible government and Confederation Discovering Confederation is a study of political science over the last forty years through the intellectual lens of her career Ajzenstat details her academic journey from her early years as a hopeful radical activist in the 1960s through her graduate studies at McMaster University and the University of Toronto her commitment to the importance of primary source documents and to her decades long teaching career Learning from prominent political thinker Allan Bloom and philosopher and political commentator George Grant Ajzenstat began to form her own opinions about parliamentary democracy and constitutional debate She presents her discovery of the argument for parliamentary democracy explaining how and why parliamentary democracy is sufficient security for individual rights Though sometimes referred to as a conservative Ajzenstat shows that her work is a defence of the political constitution which ensures unconstrained and continuing deliberation amongst parties interests and philosophies of all political stripes A candid and engaging showcase of a great mind at work Discovering Confederation is a revealing account of Canada's political history and recent academic life

**Faith in Democracy? Religion and Politics in Canada** Boris DeWiel, John Young, 2009-01-14 This collection of essays questions the capacity of Canadian democracy to promote religious pluralism and recognize disparate faith groups as legitimate players on the political stage These are more than rhetorical questions as issues and public policies in contemporary Canada reflect an increasing concern that religion and religious belief ought not to intrude in political debate and matters of governance Despite playing an active role in Canadian politics in the past religious faith now risks relegation to the private sector Efforts to push religious belief outside the public square set a dangerous precedent provide rationale for further exclusion rather than inclusion and logically culminate in monism rather than pluralism Faith in Democracy focuses on contemporary challenges to religious pluralism in Canada with attention to the changing religious landscape throughout the country These challenges are both old and new They include such tasks as reconciling universal and particular perspectives of liberalism in law and recognizing the limits of secularism as an emergent dominant faith How Canada responds to these challenges will not only influence public policy but also test its commitment to democracy

The British Empire, Pomp, Power and Postcolonialism Robert Johnson, 2007-01-01 This brief study of Imperialism offers a concise overview of Britain's role in Colonialism the slavery issue the British Raj and the scramble for Africa and probes the motives for empire and continuing issues of post colonialism

**Canada's Origins** Janet

Ajzenstat, Peter J. Smith, 1995 Ajzenstat and Smith challenge the idea of Canada as a country whose liberal individualism unlike that of the United States is redeemed by a tradition of government intervention in economic and social life the so called tory touch This ground breaking book begins with the now classic article in which the red tory view was formulated It then presents a new and illuminating picture of Canadian political life in which liberal individualism confronts not toryism but the participatory tradition of civic republicanism In the final section the two editors one a liberal the other a civic republican debate the crucial questions dominating Canadian politics today including Quebec s search for recognition from the perspective of their shared understanding of Canada s founding

Hegel and Canada Susan M. Dodd, Neil G. Robertson, 2018-01-01 Hegel and Canada is a collection of essays that analyses the real but under recognized role Hegel has played in the intellectual and political development of Canada The volume focuses on the generation of Canadian scholars who emerged after World War Two James Doull Emil Fackenheim George Grant Henry S Harris and Charles Taylor

## Political Thought Of Lord Durham Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Political Thought Of Lord Durham free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Political Thought Of Lord Durham free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Political Thought Of Lord Durham free PDF files is convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but its essential to be cautious and verify the authenticity of the source before downloading Political Thought Of Lord Durham. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether its classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users

should always be cautious and verify the legality of the source before downloading Political Thought Of Lord Durham any PDF files. With these platforms, the world of PDF downloads is just a click away.

### FAQs About Political Thought Of Lord Durham Books

1. Where can I buy Political Thought Of Lord Durham books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
