

The background of the slide is a reproduction of the painting 'Rain, Steam, and Great Bridge' by the English Romantic painter J.M.W. Turner. The painting depicts the Maidenhead Railway Bridge over the Maidenhead Railway Cutting, with the River Thames in the foreground. The scene is characterized by a hazy, rainy atmosphere with soft, diffused light. In the foreground, there are several red flowers, possibly tulips, in a garden. The overall color palette is dominated by muted blues, greys, and greens, with the red flowers providing a focal point of color.
