Douglas L. Oliver, 2019-09-30 Tahiti is far famed yet too little known Thus wrote J M Orsmond in 1848 and the same assertion can be made in 1972 Thousands of pages had been published about Tahiti and its neighboring islands when Orsmond uttered his judgment and tens of thousands have been published since that time but a unified comprehensive and detailed

description of the pre European ways of life of the inhabitants of those Islands is yet to appear in print The present work lengthy as it is makes no such claim to comprehensiveness rather it is concerned mainly with the social relations of those inhabitants and it serves up only enough about their technology their religion their aesthetic expressions and so forth to place descriptions of their social relations in context and render them more comprehensible Volumes 1 and 2 of this work are a reconstruction of the Islanders way of life as it was believed to have been just before it began to be transformed by European influence a period labeled the Late Indigenous Era Volume 3 covers events in Tahiti and Moorea from about 1767 to 1815 a period labeled the Early European Era **Para raros, nosotros** Paul Bohannon,1996-08-16 El libro se organiza en cinco grandes partes que tratan las dimensiones biológicas y sociales de la cultura el parentesco el matrimonio y la familia la economía el poder y la organización social las dimensiones significativas de las sociedades humanas lenguaje arte religión e ideología y una última parte sobre la evolución de las sociedades desde los descubrimientos hasta la actualidad así como sobre el papel de la antropología en esta sociedad global Todo esto va acompañado de una serie de ejemplos recogidos en recuadros dentro del texto que permiten al lector comprobar de forma clara los contenidos teóricos que expone el autor Primera parte de las Postrimerías del hombre Pedro de Oña,1608 Recreaciones del hombre sensible ó Colección de sucesos verdaderos y ejemplos sublimes de virtud, conformes a las máximas de la sana moral Antoine Arnauld,1831
