Problems And Opportunities In U.S. - Quebec Relations Marcel Daneau, 2019-09-11 The failure of the May 1980 Quebec referendum on sovereignty and the ratification in 1982 of a Canadian constitution over Quebec's vehement objection but with the acquiescence of all other provinces would appear to indicate that the likelihood of Quebec's independence has been sharply reduced if not eliminated Not so is the considered judgment Ethnic Relations in Canada Raymond Breton, 2005-10-13 The introduction by Jeffrey Reitz focuses on the evolution of Breton's distinctive institutional framework which both extends and in some ways alters John Porter's classic analysis in *The Vertical Mosaic* Reitz shows how Breton's original concept of institutional completeness has been extended to provide a comprehensive framework for the institutional analysis of inter ethnic relations creating a unified theoretical structure that has reshaped the study of inter ethnic relations in Canada and points toward a future research agenda **Profiles of Canada** Kenneth G. Pryke, Walter C. Soderlund, 2003 This third edition of *Profiles of Canada* combines depth breadth sophistication and readability to offer the student a comprehensive introduction to Canadian society The editors have brought together contributions from a wide range of disciplines to create a fascinating overview of the various facets of Canadian life and culture The text includes aspects of the Canadian experience not usually found in introductory texts The inclusion of a short story by Alistair MacLeod for example is an innovative departure from the academic writing of the other chapters and provides the student of Canadian society with a sample of the finest in contemporary Canadian writing Editors Dr Kenneth Pryke and Dr Walter Soderlund have carried out a successful update of the earlier editions of this well respected text Aspects of Canada explored in this new edition include regionalism the North demography ethnicity culture and sport *Language, Schooling, and Cultural Conflict* Chad Gaffield, 1987-07-01 HISTORY REPEATS ITSELF Bilingualism was at the heart of controversy in Ontario politics one hundred years ago when Anglophones burned effigies of Louis Riel and Francophones hanged flaming images of John A Macdonald Strong public reaction to Bill 8 made bilingualism one of the most pressing issues in the 1987 provincial election campaign Now available in paperback *Language Schooling and Cultural Conflict* recasts this central debate of Canadian history and calls into question both the theory and method of established studies in cultural conflict and ethnic identity The book thus provides a very dramatic example of how recent research strategies can benefit our understanding of Canadian history and

cultural affairs *Plunging into the Lord's Prairie Vineyard* Henry L. Wostenberg, 2024-09-09 Follow the Tinchebray Congregation of intrepid priest professors initiating with their formation in nineteenth century France to their arrival to Central Alberta in 1904 where they evangelized organized parishes constructed churches founded Roman Catholic convents and schools over a period of twenty years Witness the challenges they faced adjusting their ministry from one primarily serving a French speaking laity to one serving a growing multilingual church using English as the language of communication Feel their disappointment when they were squeezed out of their Central Alberta missions in 1924 only four years after the appointment of Henry J O Leary as Archbishop of Edmonton their new diocesan superior Could there have been a different ending to their saga

Revisiting the Use of Self Deena Mandell, 2007 In recent years several developments have stimulated new ways of thinking about the social worker s self or selves in all aspects of practice The focus on practice with diverse populations and the emphasis on anti oppressive practice have highlighted elements of the relationship between social worker and client The objective of this book is threefold 1 Offer the reader a historical developmental overview of the concept of use of self and critically explore its adequacy for contemporary ethical practice 2 Provide the reader with first person practitioners accounts of their own use of self in examples of reflective practice approaches 3 Broaden the scope of the concept of critical use of self to fields of service where it is under theorized in for example community work and corrections

Manitoba's French-Language Crisis Raymond Hébert, 2004 Raymond Hebert analyses Manitoba s French language crisis in detail and considers its local and national implications For nine months in 1983 and early 1984 beginning with a protest by French speaking Manitobans who had received parking tickets written only in English and ending with a legal compromise that made Manitoba all but officially bilingual Manitoba endured charged demonstrations grimly fought plebiscites and legislative filibustering Towards the end of the crisis legislative paralysis set in and the government itself ground to a halt Hebert argues that far from being a spontaneous populist movement the crisis was largely manufactured by a few individuals some of whom were in the

Legislative Assembly itself Hebert considers various theoretical models to explain aspects of the crisis and concludes that the authoritarian personality model is the most relevant Right wing authoritarianism exists everywhere and he argues under proper conditions especially demagogic leadership can provoke populist explosions of racist and prejudiced sentiment and hence the cautionary nature of this Canadian tale **French Today** Carol Sanders,1993-04-08 French Today is a profile of the French language in its social context British and French linguists examine trends in French throughout the French speaking world and address issues around prescriptivism gender and language and regional languages and dialects The collection includes overviews of work done in particular areas and deeper analyses of sociolinguistic questions One theme is how to represent and interpret data relating to language varieties that have been marginalised Another concerns the ways in which French is adapting to the future whether as a language of new technology or as a vehicular language on the continent All chapters of this book are in English with examples and quotations in French and a mixture of references given in both languages At the end of each chapter there are also texts in French serving as illustration and as pointers to further reading

Kerouac Hassan Melehy,2017-09-21 Given Jack Kerouac s enduring reputation for heaving words onto paper it might surprise some readers to see his name coupled with the word poetics But as a native speaker of French he embarked on his famous spontaneous prose only after years of seeking techniques to overcome the restrictions he encountered in writing in a single language English The result was an elaborate poetics that cannot be fully understood without accounting for his bilingual thinking and practice Of the more than twenty five biographies of Kerouac few have seriously examined his relationship to the French language and the reason for his bilingualism the Qu bec Diaspora Although this background has long been recognized in French language treatments it is a new dimension in Anglophone studies of his writing In a theoretically informed discussion Hassan Melehy explores how Kerouac s poetics of exile involves meditations on moving between territories and languages Far from being a na ve pursuit Kerouac s writing practice not only responded but contributed to some of the major aesthetic and philosophical currents of the twentieth century in which notions such as otherness and nomadism took shape Kerouac Language Poetics and Territory offers a major reassessment of a writer who despite a readership that extends over much of the globe remains poorly appreciated at home **Canadian Geography** Thomas A. Rumney,2009-12-10 Canadian Geography A Scholarly Bibliography is a compendium of published works on geographical studies of Canada and its various provinces It includes works on geographical studies of Canada as a whole on multiple provinces and on individual provinces Works covered include books monographs atlases book chapters scholarly articles dissertations and theses The contents are organized first by region into main chapters and then each chapter is divided into sections General Studies Cultural and Social Geography Economic Geography Historical Geography Physical Geography Political Geography and Urban Geography Each section is further sub divided into specific topics within each main subject All known publications on the geographical studies of Canada in English French and other languages covering

all types of geography are included in this bibliography It is an essential resource for all researchers students teachers and government officials needing information and references on the varied aspects of the environments and human geographies of Canada

National Survival in Dependent Societies R. Breton,1990-11-15 Both Quebec and Poland have undergone considerable change in the past few decades change that can be described as a quiet revolution This collection of essays by Polish and Canadian sociologists provides comparative analyses of the two societies and highlights institutional political cultural and socio economic changes

Bilingual Today, United Tomorrow Matthew Hayday,2005-12-20 Hayday shows how the language programs and policies initiated by the Trudeau government supported French Canadian and Acadian minority communities enabling them to develop minority language education systems and laying the groundwork for the minority language education rights contained in section 23 of the Canadian Charter of Rights and Freedoms He examines how the dynamics of Canadian federalism shaped the implementation and development of language policy in six Canadian provinces and shows how advocates of these programs politicians bureaucrats parents lobbyists and teachers worked to ensure their success These dynamic programs not only guaranteed minority language education rights but dramatically increased access to French second language instruction particularly through the innovative new sector of French immersion

The Franco-Americans of New England Yves Roby, 2004 Between 1840 and 1930 approximately 900 000 people left Quebec for the United States and settled in French Canadian colonies in New England's industrial cities Yves Roby draws from first person accounts to explore the conversion of these immigrants and their descendants from French Canadian to Franco American The first generation of immigrants saw themselves as French Canadians who had relocated to the United States They were not involved with American society and instead sought to recreate their lost homeland The Franco Americans of New England reveals that their children however did not see a need to create a distinct society Although they maintained aspects of their language religion and customs they felt no loyalty to Canada and identified themselves as Franco American Roby's analysis raises insightful questions about not only Franco Americans but also the integration of ethno cultural groups into Canadian society and the future of North American Francophonies
