Quebec Before Duplessis The Political Career Of Louis Alexandre Taschereau:

Quebec Before Duplessis Bernard L. Vigod, 1986 Catholic Origins of Quebec's Quiet Revolution, 1931-1970 Michael Gauvreau, 2005 The Catholic Origins of Quebec's Quiet Revolution challenges a version of history central to modern Quebec's understanding of itself that the Quiet Revolution began in the 1960s as a secular vision of state and society which rapidly displaced an obsolete clericalized Catholicism Michael Gauvreau argues that organizations such as Catholic youth movements played a central role in formulating the Personalist Catholic ideology that underlay the Quiet Revolution and that ordinary Quebecers experienced the Quiet Revolution primarily through a series of transformations in the expression of their Catholic identity In so doing Gauvreau offers a new understanding of Catholicism's place in twentieth century Quebec

Element of Hope Charles Hayter, 2005-05-12 Charles Hayter chronicles the work of Canadian provinces in establishing the cancer programs that remain the framework for modern systems Focusing on the compromises these programs required which anticipated later conflicts over Medicare Hayter concludes by revealing the historical roots of current problems in cancer care

A Town Called Asbestos Jessica van Horssen, 2016-01-15 For decades manufacturers from around the world relied on asbestos to produce a multitude of fire retardant products As use of the mineral became more widespread medical professionals discovered it had harmful effects on human health Mining and manufacturing companies downplayed the risks to workers and the general public but eventually as the devastating nature of asbestos related deaths became common knowledge the industry suffered terminal decline A Town Called Asbestos looks at how the people of Asbestos Quebec worked and lived alongside the largest chrysotile asbestos mine in the world Dependent on this deadly industry for their community's survival they developed a unique place based understanding of their local environment the risks they faced living next to the giant open cast mine and their place within the global resource trade This book unearths the local global tensions that defined Asbestos's proud history and reveals the challenges similar resource communities have faced and continue to face today

Amassing Power David Massell, 2000-07-13 The damming of the Saguenay brought industrialisation on a grand scale to rural Quebec in the form of newsprint and aluminum manufacture Tapping into rich and diverse sources in Canada the United States and Europe Massell provides an interdisciplinary cross border study of American capital and Canadian resources He shows us how ever larger amounts of capital yielded increasingly massive and sophisticated applications of hydroelectric technology Grand industrial plans in turn encroached upon provincial water rights and farmers lands which drew the attention of the state He examines the protracted power struggle between public and private interests between American capitalists and the nascent bureaucracy of the province of Quebec and describes the origins and evolution of the events that led to state control over hydraulic resources in the province In doing so he provides vivid portraits of Duke and of Quebec politicians of the period and gives a dramatic account of the protracted battle of wits between Duke's chief engineer William States Lee and Quebec's chief of Hydraulic Service Arthur Amos Amassing Power

speaks to the integration of North American economies vividly illustrating the process by which American capital drew Canada's resource rich North into the economic orbit of the United States

Minorities and Reconstructive Coalitions Willie Gin, 2017-07-06 As with Muslims today Catholics were once suspected of being antidemocratic oppressive of women and supportive of extremist political violence By the end of the twentieth century Catholics were considered normal and sometimes valorized as exemplary citizens Can other ethnic racial and religious minorities follow the same path Minorities and Reconstructive Coalitions provides an answer by comparing the stories of ethnic Catholics political incorporation in Australia Canada and the United States Through comparative and historical analysis the book shows that reconstructive coalitions such as labor and pan Christian moral movements can bring Catholics and Protestants together under new identities significantly improving Catholic standing Not all coalitions are reconstructive or successful and institutional structures such as regional autonomy can enhance or inhibit the formation of these coalitions The book provides overviews of the history of Catholics in the three countries reorients the historiography of Catholic incorporation in the United States uncovers the phenomenon of minority overrepresentation in politics and advances unique arguments about the impact of coalitions on minority politics

Divergent Paths : How Culture and Institutions Have Shaped North American Growth Marc Egnal Professor of History York University, 1996-06-11 Why are some countries without an apparent abundance of natural resources such as Japan economic success stories while other languish in the doldrums of slow growth In this comprehensive look at North American economic history Marc Egnal argues that culture and institutions play an integral role in determining economic outcome He focuses his examination on the eight colonies of the North five colonies of the South which together made up the original thirteen states and French Canada Using census data diaries travelers accounts and current scholarship Egnal systematically explores how institutions such as slavery in the South and the seigneurial system in French Canada and cultural arenas such as religion literacy entrepreneurial spirit and intellectual activity influenced development He seeks to answer why three societies with similar standards of living in 1750 became so dissimilar in development By the mid nineteenth century the northern states had surged ahead in growth and this gap continued to widen into the twentieth century Egnal argues that culture and institutions allowed this growth in the North not resources or government policies Both the South and French Canada stressed hierarchy and social order more than the drive for wealth Rarely have such parallels been drawn between these two societies Complete numerous helpful appendices figures tables and maps Divergent Paths is a rich source of unique perspectives on economic development with strong implications for emerging societies

Paddling With the Current Claude Couture, 1998-07 Claude Couture describes our inheritance from the Trudeau era as fractured between notions of

collectivity and individual rights Couture dissects this seeming paradox by examining the very nature of Trudeau's liberalism

BOOK JACKET **Bilingual Today, United Tomorrow** Matthew Hayday, 2005-12-20 Forty years after the creation of the Royal Commission on Bilingualism and Biculturalism *Bilingual Today United Tomorrow* examines the responses of Canada's federal and provincial governments to the Commission's recommendations on education In contrast to the many critics of official bilingualism Matthew Hayday argues that the educational programs funded by the government's Official Languages in Education Program launched in 1970 had a significant impact on how Canadians view their national identity encouraging increasing acceptance of official bilingualism and linguistic duality *History of Canadian Catholics* Terence J. Fay, 2002-05-09 In *A History of Canadian Catholics* Terence Fay relates the long story of the Catholic Church and its followers beginning with how the church and its adherents came to Canada how the church established itself and how Catholic spirituality played a part in shaping Canadian society He also describes how recent social forces have influenced the church Using an abundance of sources Fay discusses Gallicanism French spirituality Romanism Roman spirituality and Canadianism the indigenisation of Catholic spirituality in the Canadian lifestyle Fay begins with a detailed look at the struggle of French Catholics to settle a new land including their encounters with the Amerindians He analyses the conflict caused by the arrival of the Scottish and Irish Catholics which threatened Gallican church control Under Bishops Bourget and Lynch the church promoted a romantic vision of Catholic unity in Canada By the end of the century however German Ukrainian Polish and Hungarian immigrants had begun to challenge the French and Irish dominance of Catholic life and provide the foundation of a multicultural church With the creation of the Canadian Catholic Conference in the postwar period these disparate groups were finally drawn into a more unified Canadian church *A History of Canadian Catholics* is especially timely for students of religion and history and will also be of interest to the general reader who would like an understanding the development of Catholic roots in Canadian soil ***Negotiating a River*** Daniel Macfarlane, 2014-03-01 It was a megaproject half a century in the making a technological and engineering marvel that stands as one of the most ambitious borderlands undertakings ever embarked upon by two countries The planning and building of the St Lawrence Seaway and Power Project is one of the defining episodes in North American history The project began with transnational negotiations that spanned two world wars and the formative years of the Cold War and included a failed attempt to construct an all Canadian seaway which was scuttled by US national security fears Once an agreement was reached the massive engineering and construction operation began as did the efforts to move people and infrastructure away from the thousands of acres of land that would soon be flooded *Negotiating a River* looks at the profound impacts of this megaproject from the complex diplomatic negotiations political manoeuvring and environmental diplomacy to the implications on national identities and transnational relations *Booze* Craig Heron, 2003 *Booze* runs through Canadian social history like rivers through the land And like rivers with their currents and rapids backwaters and shoals *booze* mixes elements of danger and pleasure Craig

Heron explores Canadians varied experiences with and shifting attitudes towards alcohol in this revealing richly illustrated book Book jacket

Corporate Cataclysm Barry E.C. Boothman,2020-10-01 In this absorbing narrative Barry E C Boothman traces the history of Abitibi Power Paper Limited alongside the rise and fall of the newsprint industry and the advent of Canadian corporate capitalism In the first half of the twentieth century Abitibi was Canada s biggest manufacturer an apparent success story after the Wall Street crash of 1929 and a company deemed too big to fail but the company eventually ended up at the centre of the longest and most controversial bankruptcy in Canadian history Moving from the frontier areas of northern Ontario to the heart of the continental economy Corporate Cataclysm shows how competitive strategies industrial organization corporate finance and law combined with the empire building dreams of entrepreneurs and the concerns of politicians to generate an economic disaster It then chronicles the disputes and intense strife that plagued Abitibi s fourteen year receivership

rard Bouchard Charles Taylor Commission on Accommodation and Cultural Differences in 2008 The Golden Dream
 Ronald Stagg,2010-04-05 In the early twentieth century a movement flourished in the Midwestern states bordering the Great Lakes to champion the St Lawrence route as the answer to easily transporting goods in and out of the centre of the continent Internal rivalries in the United States and Canada held back the project for fifty years until Canada suddenly decided to build a seaway alone pressuring the American Congress to co operate The building of the Seaway and its completion in 1959 involved engineering on an unprecedented scale and significant human dislocation During construction communities along the Great Lakes planned for increased prosperity but changes in transportation aging infrastructure and environmental problems have mean that the Golden Dream has not been fully realized even today This popular history chronicles the rise of one of the great engineering projects in Canadian history and its controversial impact on the people living along the St Lawrence River **Honoré Beaugrand: a Traditional “Rouge”?** Frank M. Guttman,2018-02-24 Honor Beaugrand was a soldier in the French Army volunteering at seventeen years of age to help in the conquest of Mexico a colonial war He was a world traveler journalist novelist author of folk tales editor and publisher of several newspapers He was mayor of Montreal from 1885 to 1887 As mayor he faced two major problems floods in spring and a smallpox epidemic in the summer In both he was widely praised for his strong leadership He was subjected to a litany of calumny about his membership in the Freemasons his anti clericalism his republicanism advocating the American form of government his francophilia However the truth is that Beaugrand was not a radical in politics in spite of his protestations otherwise There is some controversy about his religious beliefs but probably on balance he was not a believer in the church He wanted to be buried as Papineau and Dautre without final rites and ceremony Beaugrand was a great traveler visiting the world over He reported his travels in his newspaper that demonstrated his wide interest in the history the cultural and the economic development of the countries visited Early on he began a literary career recounting his experience in Mexico and in Fall River His novel Jeanne la fileuse was the first social novel of French America He wrote about native as well as French Canadian folklore Indian written sign languages industry sociology pottery and anthropology of the numerous places he visited **A History of Antisemitism in Canada** Ira Robinson,2015-10-16 This state of the art account gives readers the tools to understand why antisemitism is such a controversial subject It acquaints readers with the ambiguities inherent in the historical relationship between Jews and Christians and shows these ambiguities in play in the unfolding relationship between Jews and Canadians of other religions and ethnicities It examines present relationships in light of history and considers particularly the influence of antisemitism on the social religious and political history of the Canadian Jewish community A History of Antisemitism in Canada builds on the foundation of numerous studies on antisemitism in general and on antisemitism in Canada in particular as well as on the growing body of scholarship in Canadian Jewish studies It attempts to understand the impact of antisemitism on Canada as a whole and is the first comprehensive account of antisemitism and its effect on the Jewish community of Canada The book will

be valuable to students and scholars not only of Canadian Jewish studies and Canadian ethnic studies but of Canadian history
