Queen And Country The Fifty Year Reign Of Elizabeth II:

Queen and Country William Shawcross, 2002 This magnificently illustrated volume produced in cooperation with BBC Books in London combines an insightful text by noted historian Shawcross with personal recollections and over 100 remarkable images chronicling the half century reign of Queen Elizabeth II Full color and b w *Queen Elizabeth II and the Africans* Raphael Chijioke Njoku, 2024-09-05 The road to Queen Elizabeth II s implementation of African reforms was rough especially in the first two decades following her ascension to the throne In this book Raphael Chijioke Njoku examines Queen Elizabeth II s role in the African decolonization trajectories and the postcolonial state s quest for genuine political and economic liberation since 1947 By locating Elizabeth at the center of Anglophone Africa s independence agitations the account harnesses the African interests to tease out the monarch s dilemma of complying with Whitehall s decolonization schemes while building an inclusive and unified Commonwealth in which Africans could play a vital role Njoku argues that to gratify British lawmakers in her complex and marginal place within the British parliamentary system of conservative versus reformist Elizabeth s contribution fell short of African nationalists expectations on account of her silence and inaction during the African decolonization raptures Yet ultimately the author concludes she helped build an inclusive and unified organization in which Africans could assert and appropriate political and economic autarky **Historical Dictionary of the British Monarchy** Kenneth J. Diplomatic Identity in Postwar Britain James Southern,2021-05-09 This book seeks to understand the complex ways in which the Foreign Office adapted to the rise of identity politics in Britain as it administered British foreign policy during the Cold War and the end of the British Empire After the Second World War cultural changes in British society forced a reconsideration of erstwhile diplomatic archetypes as restricting recruitment to white heterosexual upper or middle class men gradually became less socially acceptable and less politically expedient After the advent of the tripartite school system and then mass university education the Foreign Office had to consider recruiting candidates who were qualified but had not been socialized in the public schools and Oxbridge Similarly the passage of the 1948 Nationality Act technically meant nonwhites were eligible to join The rise of the gay rights movement and postwar women s liberation both generated further unique dilemmas for Foreign Office recruiters Diplomatic Identity in Postwar Britain seeks to destabilize concepts like talent merit equality and representation arguing that these were contested ideas that were subject to political and cultural renegotiation and revision throughout the period in question

Last Great Queen? Unity Elias YANG, 2014-04-23 Elizabeth II is a model of feminine excellence and an example for young people who may not be born to royal families but who should consider themselves as princesses and princes of the family to which they have been born Like Elizabeth who even as a child knew the significance of the role into which she had been born and started training for the future task young people should prepare for their future by acquiring training early in their life Like Elizabeth who married the first man she fell in love with young women should insist on marrying the first man they fall in love with to preserve and protect their womanhood and honour Finally Elizabeth trained as a car mechanic and driver despite her wealthy royal background How many women have the courage today to train in skills which society considers a mans domain The Queen of England recommends training to young people with this remark Its all to do with the training you can do a lot if you are properly trained In this era when the monarchy is considered to be an outdated institution the British Royal Family has made it known that they will step aside when the British people will ask them to do so What makes the British monarchy different from other royals in the world What in the 1870s might have motivated the pre colonial Kings of Douala on the coast of todays Cameroon to apply to Queen Victoria the great grandmother of Queen Elizabeth II to colonise them Unity Elias Yang is also the author of The Third World where is it A Global State through Democratic Federal World Government Your Babys long journey to school Little Anita visits the Bank Children and Citizenship levels 1 6 Women and Childrens Chamber of Parliament democratising representation
