

# Queen Of Paris

**Christopher Nicole**

## Queen Of Paris:

**The Queen of Paris** Pamela Binnings Ewen, 2020-04-07 Called top notch historical fiction by Publishers Weekly this meticulously researched bestselling novel of Coco Chanel is as elegant as the woman who inspired it. Legendary fashion designer Coco Chanel is revered for her sophisticated style, the iconic little black dress, and famed for her intoxicating perfume Chanel No 5. Yet behind the public persona is a complicated woman of intrigue shadowed by mysterious rumors. The Queen of Paris, the new novel from award-winning author Pamela Binnings Ewen, is fiction based on facts some uncovered only within the past few years and vividly imagines the hidden life of Chanel during the four years of Nazi occupation in Paris in the midst of WWII. Coco Chanel could be cheerful, lighthearted, and generous; she also could be ruthless, manipulative, even cruel. Against the winds of war with the Wehrmacht marching down the Champs-Élysées, Chanel finds herself residing alongside the Reich's High Command in the Hotel Ritz. Surrounded by the enemy, Chanel wages a private war of her own to wrestle full control of her perfume company from the hands of her Jewish business partner Pierre Wertheimer. With anti-Semitism on the rise, he has escaped to the United States with the confidential formula for Chanel No 5. Distrustful of his intentions to set up production on the outskirts of New York City, Chanel fights to seize ownership. The House of Chanel shall not fall. While Chanel struggles to keep her livelihood intact, Paris sinks under the iron fist of German rule. Chanel, a woman made of sparkling granite, will do anything to survive. She will even agree to collaborate with the Nazis in order to protect her darkest secrets. When she is covertly recruited by Germany to spy for the Reich, she becomes Agent F 7124, code name Westminster. But why? And to what lengths will she go to keep her stormy past from haunting her future? Don't miss Pamela Binnings Ewen's dazzling new historical fiction novel *milienne* about the young woman who was once considered not only the most beautiful sought-after woman in Paris but all of Europe.

**Zelda, The Queen of Paris** Paul Chutkow, 2011-10-04 One day a scraggly little street dog came begging at the back door of a young American couple living in New Delhi, India. She was painfully thin with blotches on her coat from malnutrition and she looked as though she hadn't slept in weeks. But when the door opened, this strange little dog wagged her tail, put an endearing smile on her face, and charmed her way straight inside. In India, shopkeepers usually shoo away wild street dogs or worse, but this little creature was impossible to resist. She had humor, she had joie de vivre, and she had a devilish side that quickly earned her the name Zelda. And so it began a magical odyssey that would carry this sassy urchin from the slums of India to the elegant gardens and parlors of Paris, to the sun-dappled beaches of Italy, and finally to the fabled hills and vineyards of California Wine Country. Zelda truly was the luckiest dog in the world. But this is a story about far more than luck. It's a story about dignity and courage, about how a generous heart and an indomitable spirit can lift you up, change your life, and lead you to happiness and even triumph. Zelda begins life as a homeless beggar girl, but thanks to her character and panache, she becomes a star known far and wide as the Queen of Paris and a real-life heroine you will never forget.
