Extraordinary Animals Ross Piper, 2007-08-30 Animals have existed on Earth for many hundreds of millions of years In that time they have evolved into a great variety of forms exploiting nearly every habitat the planet has to offer In the dark depths of the oceans in the seemingly

inhospitable Polar Regions in the driest deserts even within the bodies of other animals there are animal species that have developed unique and extraordinary means of surviving and thriving Extraordinary Animals An Encyclopedia of Curious and Unusual Animals is an exploration of those members of the animal kingdom who possess strange and bizarre adaptations that allow them to survive in the most extreme environments or whose complex lives can only be said to be bewildering From the tar baby termite to the blue whale from the harpy eagle to the naked mole rat these species reflect the exceptionally broad spectrum of life showing just how diverse the animal kingdom is Extraordinary Animals has been thoroughly researched for scientific accuracy but is accessibly written in everyday language Each entry includes a description of the animal an explanation of its odd behavior other interesting scientific and trivial facts and black and white illustrations In addition a fun and interactive Go Look section encourages readers to go look for the animals in the outside world

As the Wolf Howls at My Door Chandler Brossard, 1992 In *As the Wolf Howls at My Door* Brossard takes on the 70s a time of despair as the dreams and ideals of the 60s were cashed in for political opportunism and crass materialism America's inglorious exit from Vietnam the increasingly desperate actions of counterculture protest groups the rise of repressive CIA operations the commodification of the American way all this and more is captured here in Brossard's inimitable style That style discards realism in favor of a free form fiction that mixes French surrealism and theatrical absurdity with Beat improvisation and performance art confrontation Brossard's avalanche of language is outrageous A kind of verbal delirium possesses the text which on one level may be the collective fantasy lives of a countercultural group in Paris on another the psychotic outpourings of a woman named Decca Aldridge on yet another a script by impresario Socks Peelmunder for a guerrilla theater performance and on the final level the gamy underside of America's subconscious a terrifying lava flow of provincial prejudices racial fears political paranoia and sexist attitudes all speaking in tongues in a desperate attempt to bolt the door against the return of the repressed Not since *Naked Lunch* has the American dream been assaulted with such ferocious verbal energy
