Blackwell, 2019-02-21 Frederic Dannay 1905 1982 was with his partner Manfred Lee the creator of the Ellery Queen detective novels and short stories Dannay was also a literary historian and critic and the editor of the renowned Ellery Queen Mystery Magazine Queen both a pen name and the fictional protagonist of the stories was also a vital force behind the continuing popularity of crime fiction in the early to mid 20th century after the deaths of Arthur Conan Doyle G K Chesterton Melville Davisson Post and other Old Masters of the genre This book presents the first critical study of Ellery Queen's role in the preservation of the detective short story Many of the writers characters and stories EQMM championed are covered including such celebrated authors as Allingham Ambler Ellin Innes Vickers and even William Butler Yeats *Demonizing the Queen of Sheba* Jacob Lassner, 1993-12-08 Over the centuries Jewish and Muslim writers transformed the biblical Queen of Sheba from a clever politically astute sovereign to a demonic force threatening the boundaries of gender In this book Jacob Lassner shows how successive retellings of the biblical story reveal anxieties about gender and illuminate the processes of cultural transmission The Bible presents the Queen of Sheba's encounter with King Solomon as a diplomatic mission the queen comes to test him with hard questions all of which he answers to her satisfaction she then praises him and after an exchange of gifts returns to her own land By the Middle Ages Lassner demonstrates the focus of the queen's visit had shifted from international to sexual politics The queen was now portrayed as acting in open defiance of nature's equilibrium and God's design In these retellings the authors humbled the queen and thereby restored the world to its proper condition Lassner also examines the Islamization of Jewish themes using the dramatic accounts of Solomon and his female antagonist as a test case of how Jewish lore penetrated the literary imagination of Muslims *Demonizing the Queen of Sheba* thus addresses not only specialists in Jewish and Islamic studies but also those concerned with issues of cultural transmission and the role of gender in history **Queen Victoria's Stalker** Jan Bondeson, 2010-09-15 This book tells the full story of the Boy Jones one of the first celebrity stalkers in history Lesbian Love Story Amelia Possanza, 2023-05-30 Winner of the Lambda Literary Award for Lesbian Memoir Biography For readers of Saidiya Hartman and Jeanette Winterson *Lesbian Love Story* is an intimate journey into the archives uncovering the romances and role models

written out of history and what their stories can teach us all about how to love When Amelia Possanza moved to Brooklyn to build a life of her own she found herself surrounded by queer stories she read them on landmark placards overheard them on the pool deck when she joined the world's largest LGBTQ swim team and even watched them on TV in her cockroach infested apartment These stories inspired her to seek out lesbians throughout history who could become her role models in romance and in life Centered around seven love stories for the ages this is Possanza's journey into the archives to recover the personal histories of lesbians in the twentieth century who they were how they loved why their stories were destroyed and where their memories echo and live on Possanza's hunt takes readers from a drag king show in Bushwick to the home of activists in Harlem and then across the ocean to Hadrian's Library where she searches for traces of Sappho in the ruins Along the way she discovers her own love for swimming for community for New York City and adds her record to the archive At the heart of this riveting inventive history Possanza asks How could lesbian love help us reimagine care and community What would our world look like if we replaced its foundation of misogyny with something new with something distinctly lesbian

Bashier, 2012-07-11 In this innovative work Salman H Bashier challenges traditional views of Islamic philosophy While Islamic thought from the crucial medieval period is often depicted as a rationalistic elaboration on Aristotelian philosophy and an attempt to reconcile it with the Muslim religion Bashier puts equal emphasis on the influence of Plato's philosophical mysticism This shift encourages a new reading of Islamic intellectual tradition one in which boundaries between philosophy religion mysticism and myth are relaxed Bashier shows the manner in which medieval Islamic philosophers reflected on the relation between philosophy and religion as a problem that is intrinsic to philosophy and shows how their deliberations had the effect of redefining the very limits of their philosophical thought The problems of the origin of human beings human language and the world in Islamic philosophy are discussed Bashier highlights the importance of Ibn ufa'yl's *ayy ibn Yaq'n* a landmark work often overlooked by scholars and the thought of the great Sufi mystic Ibn al Arab to the mainstream of Islamic philosophy
