Charles Moore Smith,1923 A Very New York Christmas Michael Storrings,2008-10-14 A collection of New York City Christmas watercolor paintings depicts such traditions as the Macy s Thanksgiving Day Parade the lighting of the tree at Rockefeller Center and the Holiday Train show at the Botanical Garden The Queen of England and the Unknown Schoolboy - Part 1 Bob Crew,2022-12-22 This year 2022 has seen the sad death of the late Queen of England and this Christmas will be the first Christmas without her and her globally famous Queen s Speech at Christmas This very timely book is a true story and work of fiction that is written retrospectively remembering the Queen of England and what she meant to a great many of her fans and also school children in the UK when she first came to her throne in 1952 England and its new Queen were on a very different planet as they were likewise in 1953 when she became the first British monarch to let the television cameras into her life and become Britain s Television Queen thereby on a second parallel planet These were 1950s planets that have now disappeared or are fast disappearing into the mists of time as has the unforgettable Queen Elizabeth II The story told in these pages is a very surprising interesting and historically significant fictional narrative It s not only for the fans of the late Queen who is still fresh in their minds and with a place in their hearts during this first Christmas without her but also for history buffs students and lecturers of history and or literature lay readers and bookworms and perhaps even republicans who monitor these affairs The narrative is for all who like to touch social and royal history and get the feel of its handshake written by one of the few authors remaining today who saw the Queen of England in at her televised coronation in 1953 He has now seen her out again this year in his twilight years at her massively televised lying in state and state funeral It s a most extraordinary tale of social history and also of an unknown family s history and education revealing how Queen Elizabeth related to and influenced her people when she first came to her throne There were very different values and

attitudes of mind and characters back then when her fans were very different people indeed Bob Crew is an author of several factual books who is also a former correspondent of The Times and Financial Times newspapers in London as well as a graduate of the University of London of which today's patron is Princess Anne There really are few books of fact or fiction like this one the story of which is chiefly about an unknown schoolboy and his family during the new reign of Queen Elizabeth II as she and the 1950s history in question here cast its shadow over them all **Christmas Crackers** Maureen

Reil,2015-10-28 How do you survive Christmas when your life is literally on the line never mind your heart Maybe Piper should not have gotten involved with an unsuitable man in the weeks running up to Christmas To say it caused confusion and conflict that could lead to chaos when pretending to be something else did not cover the half of it Only the dude went and kissed Piper under the mistletoe whilst she made the mistake of falling for him even if he was dressed like a woman at the time Did Piper get more than she bargained for when trying to win some much needed money As this Christmas was supposed to be better than last year after that one turned into a sad event that Piper will never forget However the start of this season was looking up for the lonely single mother since landing a job at HOBBITS as an in store demonstrator Could this Christmas turn out to be a cracker Hell it might go with a bang if she is not careful at the Christmas party As a misunderstanding has every chance of bringing her world down to make it two Christmases on the trot to go from good to bad Will Piper gain a better life for herself and her baby if she takes a leap of faith On the other hand would it be better all round for Piper to leave it before things get even more complicated than they are already So rest up for a while and settle down to enjoy this sentimental but very British humorous and heart warming novel since a feel good festive read is bound to leave its reader in a merry mood Victims of Political Violence and Terrorism William McGowan,2022-02-22 This book

examines the survivors of political violence and terrorism considering both how they have responded and how they have been responded to following critical incidents As this work demonstrates survivors of comparatively rare and spectacular violence hold a mirror up to society's normative assumptions around trauma recovery and resilience Drawing on two years of observational field research with a British NGO who work with victims and former perpetrators of PVT this book explores contested notions of resilience and what it might mean for those negotiating the aftermaths of violence Examining knowledge about resilience from a multitude of sources including security policy media academic literature and the survivors themselves this book contends that in order to make empirical sense of resilience we must reckon with both its discursive and practical manifestations An accessible and compelling read this book will appeal to students and scholars of criminology sociology victimology criminal justice and all those interested in the stories of survivors Urban Ornithology P.
