**The Mirror of Life -The Prying Mirror Reveals All** Richard K. Singh, 2013-03-26 As humans we live our entire lives as performers on the world's stage exhibiting behavior which portray us in a variety of characters and emotions The different emotions which we reflect are the outcome of our interaction with the people we encounter in this lifetime and the environment we share We direct and stage manage our performances which can be box office hits or colossal flops We personally determine the success or failure of our performances In some instances we perform so well that the spectators and audience are unanimous in demanding an encore presentation which can be accompanied by a standing ovation These are the candid unrehearsed and spontaneous images we freely and unhesitatingly allow the Mirror of Life to store in its memory bank As humans we possess the capacity to enhance and refine our images as we live out our human existence Yet the converse can equally apply The images of the latter blend and merge to reflect a diabolical distorted and unidentifiable picture a blur of what started as a well defined face of humanity The Mirror of Life provided a blank canvas allowing each one of us an equal opportunity to produce a master piece Some exploited this opportunity while others forfeited it Thus we determined the success or failure of our performances earning applause or boos The Mirror of Life will be the constant faithful companion recording and reflecting both the serious and humorous performances of man in natural universal settings

The author will attempt to steady the mirror in an effort to avoid distorting the images and capturing actions in real time both past and present The Mirror of Life will endeavor to present these authentic and real life performances in a light hearted satirical way Being able to laugh at ourselves and allowing others to enjoy our antics while attempting to correct or rectify our images defines our humanness and our resilience to life s challenges *Tear of a Sphinx* Kate

MacLeod,2018-09-12 One day a sphinx came to the city at the center of the world ate half of the guests at the prince s wedding and settled to roost atop the palace The cost to free the city of this beast A single tear from her eye The cost of failure She eats you Sacmis watches as her mother dances for the sphinx The beast crushes her under one lion s paw and leaves her broken in the sand Her mother the finest dancer in the known world failed The sphinx remains her stony heart still unmoved waiting for the next artist to try A tale of finding your place in the world even under the most difficult circumstances Tear of a Sphinx brings to life an Egyptian like city on a river that ties into the Goddess Bereft World series

A revision of the ant genus *Mystrium* in the Malagasy region with description of six new species and remarks on *Amblyopone* and *Stigmatomma* (Hymenoptera, Formicidae, Amblyoponinae) Masashi Yoshimura, Brian L. Fisher, 2014-03-31 The ant genus *Mystrium* in the Malagasy region is revised and six new species are described from Madagascar and its surrounding islands. The discovery of the division of females into major and minor forms was the key to solving this complicated taxonomic puzzle. We found that in some species of *Mystrium* major or minor workers develop as reproductives. In *Mystrium* morphological comparison among individuals from the same phenotype not from their reproductive or functional role is important. Here we propose a new taxonomic framework for interesting and mysterious genus. All species are reclassified into three subgroups based on the reproductive function and innovative pictorial keys to the species for all castes and sexes are developed. The associations between existing names and males are reexamined and males of eight of the ten Malagasy species are described or redescribed.

*Legendary Children* Tom Fitzgerald, Lorenzo Marquez, 2020-03-03 A definitive deep dive into queer history and culture with hit reality show RuPaul's Drag Race as a touchstone by the creators of the pop culture blog Tom and Lorenzo. NPR's Best Books of the Year 2020 pick. A New York Times New Noteworthy book. One of Logo NewNowNext's 11 Queer Books We Can't Wait to Read This Spring. From the singular voices behind Tom and Lorenzo comes the ultimate guide to all things RuPaul's Drag Race and its influence on modern LGBTQ culture. *Legendary Children* centers itself around the idea that not only is RuPaul's Drag Race the queerest show in the history of television but that RuPaul and company devised a show that serves as an actual museum of queer cultural and social history drawing on queer traditions and the work of legendary figures going back nearly a century. In doing so Drag Race became not only a repository of queer history and culture but also an examination and illustration of queer life in the modern age. It is a snapshot of how LGBTQ folks live, struggle, work, and reach out to one another and how they always have, and every bit of it is tied directly to Drag Race. Each chapter is an examination of a specific aspect of the show: the Werk Room, the Library, the Pit Crew, the runway, the Untucked lounge, the Snatch Game that ties to a specific aspect of queer cultural history and the work of certain legendary figures in queer cultural history.
