The Queen's Tiara, Or, Azouras Lazuli Tintomara Carl Jonas Love Almqvist, 2001 One of Sweden's greatest classics this moving novel weaves the tale of the beautiful but sexless androgyne Tintomara with whom both sexes fall in love around the assassination of the Theatre King Gustav III on the stage of his own opera house at a masked ball in 1792 Tintomara too comes to a tragic end in what was to have been merely a melodramatic entertainment for the court But not before s/he causes all sorts of disastrous complications and confusion Page 4 of cover

Empresses and Queens in the Courtly Public Sphere from the 17th to the 20th Century Marion Romberg, 2022-02-22 This book analyzes the evolving interaction between court and media from an understudied perspective Eight case studies focus on different European Empress consorts and Queen regnants from the seventeenth to the twentieth centuries using a comparative cross media and cross period approach The volume addresses a multitude of questions ranging from how dynastic women achieved public prominence through their portraits how their faces and bodies were moulded and rearticulated to fit varying expectations in the courtly public sphere and the degree to which they as female actors engaged with or had agency within the processes of production and reception In particular two types of female rulership and their relationship to diverse media are contrasted and lesser known and under researched dynastic women are spotlighted
