Queer Studies An Interdisciplinary Reader

Charlotte Baker

Queer Studies An Interdisciplinary Reader:

Queer Studies Robert J. Corber, Stephen Valocchi, 2003-01-10 *Queer Studies An Interdisciplinary Reader* is a collection of essays that over the past two decades have helped to establish sexuality as one of the most vital and important areas of study in both the humanities and social sciences Brings together important essays that have helped to establish sexuality as one of the most vital areas of study in the humanities and social sciences Includes an introductory essay by the editors that provides a context for this pivotal scholarship and promotes dialogue across disciplines Discusses key issues in the field including sexual politics cultural construction of sexuality transnationalism race community sexual citizenship and the nation state Functions as a primary text for introductory as well as advanced courses as a general introduction to the field and as a scholarly resource

Criminology and Queer Theory Matthew Ball, 2016-07-13 This book offers critical reflections on the intersections between criminology and queer scholarship and charts future directions for this field Since their development over twenty five years ago queer scholarship and politics have been hotly contested fields equally embraced and dismissed Amid calls for criminology and criminal justice institutions to respond more effectively to the injustices faced by LGBTIQ people criminologists have recently developed a Queer Criminology and turned to queer scholarship in the process Through a sweeping analysis of critical criminologies as well as issues as varied as shame and utopian thought Matthew Ball points to the many opportunities for criminology to engage further with the more politically disruptive strands of queer scholarship His analysis highlights that criminology and queer theory are dangerous bedfellows and that navigating the tension between them is central to confronting the social and criminal injustices experienced by LGBTIQ communities This book will be of particular interest for scholars of criminology criminal justice LGBTIQ studies gender studies and critical theory

Capitalisms and Gay Identities Stephen Valocchi, 2019-09-04 In this important text Stephen Valocchi brings capitalism back into the study of the gay and lesbian movement He argues that to understand the collective identity structure strategies and goals of the movement we need to understand the role that capitalism and the state have played While capitalism and the state have figured centrally in earlier analyses of social movements these important institutions and their social processes are no longer central concerns of the theory and research of social movements in the United States *Capitalisms and Gay Identities* examines how the class based inequalities and changing class structures of capitalism interact with and indeed help shape the dynamics of other types of inequalities such as gender sexuality race and ethnicity These inequalities and structures in turn shape the specific grievances of and affect the nature of stigma levied against individuals with sexual and gender nonconformity Valocchi shows that capitalism is a dynamic system and as it changes the nature of the movement and the collective identity created by the movement also changes A vital text for undergraduate and postgraduate students of sociology social movements LGBTQ politics and American studies *Capitalisms and Gay Identities* challenges our understanding of many aspects of the gay and lesbian movement when viewed through the lens of capitalism particularly its

ability to advance the cause of sexual freedom and gender justice

Introducing a Hermeneutics of Cispicion Jo

Henderson-Merrygold,2024-06-13 A hermeneutics of cispicion challenges cisnormative presuppositions that shape and at times occlude the variations in gender and sex exhibited by key characters in the ancestral narrative of Genesis 12 50 It charts the progression from Paul Ricoeur s hermeneutics of suspicion through liberation feminist and queer approaches Focusing on Deryn Guest s queer and trans hermeneutics Henderson Merrygold then offers a new strategy for reading against fixed binary gender assumptions where a character s sex always matches that assigned at birth The initial case study addresses Sarah who is the proto matriarch of the ancestral narratives in Genesis Masculinities contrast with femininities and Sarah s own agency makes the picture of a consistent gender hard to identify By closely reading the text different facets of Sarah s story emerge to emphasise how much the narrative directs the reader towards a cisnormative reading However Henderson Merrygold shows it is not only the images of Sarah as feminine woman and mother that remain visible The subject of the second case study Esau is regularly judged to be a hypermasculine character due to his bodily appearance but repeatedly fails to fulfil the expectations related to that appearance Though often condemned as a poor example of hyper masculinity a cispicious reading identifies a richer and more nuanced figure Attending to Esau s actions his rejection of the gendered expectations appears intentional allowing him to settle more comfortably into his own identity This project advocates for and demonstrates the value of creative interpretations of biblical texts that challenge both malestream and feminist gender assumptions

Queering the Underworld

Scott Herring,2009-05-15 At the start of the twentieth century tales of how the other half lives experienced a surge in popularity People looking to go slumming without leaving home turned to these narratives for spectacular revelations of the underworld and sordid details about the deviants who populated it In this major rethinking of American literature and culture Scott Herring explores how a key group of authors manipulated this genre to paradoxically evade the confines of sexual identification Queering the Underworld examines a range of writers from Jane Addams and Willa Cather to Carl Van Vechten and Djuna Barnes revealing how they fulfilled the conventions of slumming literature but undermined its goals and in the process queered the genre itself Their work frustrated the reader s desire for sexual knowledge restored the inscrutability of sexual identity and cast doubt on the value of a homosexual subculture made visible and therefore subject to official control Herring is persuasive and polemical in connecting these writers to ongoing debates about lesbian and gay history and politics and Queering the Underworld will be widely read by students and scholars of literature history and sexuality

Sexuality Jeffrey Weeks,2016-09-26

The new edition of Sexuality displays the qualities which have made this book a key text for understanding human sexuality Jeffrey Weeks blends deep empirical knowledge with theoretical sophistication and a sensitivity to the politics of sexuality Framing and shaping the analysis is an acute understanding of the world wide changes that are remaking sexuality and gender dramatized by the globalization of sex and the rise and rise of cybersex These changes have opened unprecedented opportunities for sexual

interaction and sexual choice but also posed new sexual dangers and anxiety Debates about the regulation and control of sexuality and the intersection of various dimensions of power and domination are contextualised by a sustained argument about the importance of agency in remaking sexual and intimate life above all for women and for LGBTQ people Particular attention is given to the debates about same sex marriage which symbolize the transformations that have taken place These controversies in turn feed into debates about intimate citizenship and human sexual rights in a rapidly changing world

True Sex Emily Skidmore, 2021-02-09 A fascinating humanizing look into the lives of trans men at the turn of the 20th century Library Journal In 1883 Frank Dubois gained national attention for his life in Waupun Wisconsin There he was known as a hard working man married to a young woman named Gertrude Fuller What drew national attention to his seemingly unremarkable life was that he was revealed to be anatomically female Dubois fit so well within the small community that the townspeople only discovered his true sex when his former husband and their two children arrived in the town searching in desperation for their departed wife and mother In **True Sex** Emily Skidmore uncovers the stories of eighteen trans men who lived in the United States between 1876 and 1936 Their stories are surprising and moving challenging much of what we think we know about queer history By tracing the narratives surrounding the moments of discovery in these communities this book challenges the assumption that the full story of modern American sexuality is told by cosmopolitan radicals Rather **True Sex** reveals complex narratives concerning rural geography and community persecution and tolerance and how these factors intersect with the history of race identity and sexuality in America Skidmore provides well drawn and sympathetic profiles of the compelling trans men considered offers a critical assessment of the press of the day and how it helped foster a new morality and engages in an ongoing critique of LGBT scholarship New York Journal of Books This brilliantly written and meticulously researched book should be part of all university gender curriculums The Washington Book Review

Gender and Sexuality Justice in Asia Joseph N. Goh, Sharon A. Bong, Thaatchayini Kananatu, 2020-12-15 This book brings together a group of innovative scholars examining the contemporary issue of effecting gender and sexuality justice in the context of Asia consonant with engendering a just equitable and sustainable development for all These grassroots initiatives are woven through three complementary sections of the book gender justice in Asia sexuality justice in Asia and finding resolutions through conflict The book foregrounds strategies that aim to call out and challenge existing gender and sexuality injustices with regard to women and the LGBTIQ community by assessing the efficacy of gender mainstreaming policies through micro credit schemes for women in East Java Indonesia proliferating the signifiers of the hijab veil by postmodern Malay Muslim women or Hijabistas within the consumerist culture of Malaysia making visible the injustices of the Syariah legal system for non Muslim women and ground breaking legislation that could potentially recognise same sex marriages in Thailand privileging the narratives of gay women diplomats within the highly masculinised field of diplomacy in the Asia Pacific region foregrounding the narratives of Filipino gay men intimate partner violence among young Indonesian Christian

young people masculine identifying lesbians in Singapore young LGBT people in rural Vietnam and a Chinese Muslim Malaysian female to male transgender person and proposing new ways of becoming an inclusive church through the radical act of befriending persons living with HIV and AIDS in Southeast Asia This book celebrates diverse and inclusive voices and strategies of gender and sexual agents of change in envisioning and bringing to fruition a just and transformative society for all It is of interest to students and scholars researching gender and sexuality in areas of development studies international relations socio legal studies and literary studies **Handbook of LGBT Communities, Crime, and Justice** Dana Peterson, Vanessa R. Panfil, 2013-12-04 Contemporary scholars have begun to explore non normative sexual orientation gender identity and gender expression in a growing victimization literature but very little research is focused on LGBTQ communities patterns of offending beyond sex work and their experiences with police the courts and correctional institutions This Handbook the first of its kind in Criminology and Criminal Justice will break new ground by presenting a thorough treatment of all of these under explored issues in one interdisciplinary volume that features current empirical work The Practice of U.S. Women's History S. J. Kleinberg, Eileen Boris, Vicki Ruiz, 2007 In the last several decades U S women s history has come of age Not only have historians challenged the national narrative on the basis of their rich explorations of the personal the social the economic and the political but they have also entered into dialogues with each other over the meaning of women s history itself In this collection of seventeen original essays on women s lives from the colonial period to the present contributors take the competing forces of race gender class sexuality religion and region into account Among many other examples they examine how conceptions of gender shaped government officials attitudes towards East Asian immigrants how race and gender inequality pervaded the welfare state and how color and class shaped Mexican American women s mobilization for civil and labor rights *Companion to Sexuality Studies* Nancy A. Naples, 2020-06-29 An inclusive and accessible resource on the interdisciplinary study of gender and sexuality Companion to Sexuality Studies explores the significant theories concepts themes events and debates of the interdisciplinary study of sexuality in a broad range of cultural social and political contexts Bringing together essays by an international team of experts from diverse academic backgrounds this comprehensive volume provides original insights and fresh perspectives on the history and institutional regulatory processes that socially construct sex and sexuality and examines the movements for social justice that advance sexual citizenship and reproductive rights Detailed yet accessible chapters explore the intersection of sexuality studies and fields such as science health psychology economics environmental studies and social movements over different periods of time and in different social and national contexts Divided into five parts the Companion first discusses the theoretical and methodological diversity of sexuality studies Subsequent chapters address the fields of health science and psychology religion education and the economy They also include attention to sexuality as constructed in popular culture as well as global activism sexual citizenship policy and law An essential overview and an important addition to scholarship in the field

this book Draws on international postcolonial intersectional and interdisciplinary insights from scholars working on sexuality studies around the world Provides a comprehensive overview of the field of sexuality studies Offers a diverse range of topics themes and perspectives from leading authorities Focuses on the study of sexuality from the late nineteenth century to the present Includes an overview of the history and academic institutionalization of sexuality studies The Companion to Sexuality Studies is an indispensable resource for scholars researchers instructors and students in gender sexuality and feminist studies interdisciplinary programs in cultural studies international studies and human rights as well as disciplines such as anthropology psychology history education human geography political science and sociology

Critical Perspectives on Student Development Theory Elisa S. Abes, 2016-06-14 The use of critical and post structural theories such as critical race theory intersectionality and queer theory to explore student development is relatively new Most current research looks beyond the individual to how systems of oppression such as racism ableism and heterosexism mediate student development and the nature of student development theory This volume offers some of the most contemporary thinking about student development by reviewing recent critical post structural scholarship offering new possibilities for using theoretical lenses and translating these theories into student affairs practice This is the 154th volume of this Jossey Bass higher education quarterly series An indispensable resource for vice presidents of student affairs deans of students student counselors and other student services professionals New Directions for Student Services offers guidelines and programs for aiding students in their total development emotional social physical and intellectual

The Ashgate Research Companion to Contemporary Religion and Sexuality Andrew K.T. Yip, 2016-04-01 The Ashgate Research Companion to Contemporary Religion and Sexuality provides academics and students with a comprehensive and authoritative state of the art review of current research in the area of sexuality and religion broadly defined This collection of expert essays offers an inter disciplinary study of the important aspects of sexuality and religion calling upon sociological cultural historical and theological contributions to an under researched subject The Companion focuses on the exploration of diverse religious faiths spiritualities and sexualities with contributions that embrace many contrasting approaches related to the contemporary context By adopting a truly inter disciplinary and multi dimensional perspective the Companion embraces the complexities of both sexuality and religion Aimed primarily at a readership with specialist interest in both The Ashgate Research Companion to Contemporary Religion and Sexuality offers an innovative and refreshing analysis of key theoretical and empirical issues in an increasingly relevant and expanding area of academic interest The Companion comprises five main thematic sections each with chapters ranging across a variety of crucial topics traversing various faith traditions The principal themes are epistemological and methodological issues the significance of religious text institutional religious settings stability transformation and change contesting hegemonic structures and discourses Each section includes four chapters contributed by leading international experts in their respective fields and who are at the cutting edge of current research Collectively they offer an inter

disciplinary and comprehensive survey of sexuality and religion *Black Men from behind the Veil* George Yancy, 2022-01-14 The Black male scholars within this important book are painfully aware that the brutal murder of George Floyd was not due to a few bad apples They understand that they are perceived as threats and criminals within a distorted white imaginary that is embedded with processes of mythopoetic construction racial capitalism and a deep anti Black male social ontology Edited by prominent philosopher George Yancy *Black Men from behind the Veil* Ontological Interrogations emphasizes the importance of Black male epistemic agency and the courage to speak the truth regarding an America that values Black male life on the cheap and that attempts to control the movement of Black men their capacity to breathe and their being through anti Black technologies of surveillance confinement policing and white nation building There is no single monolithic Black male voice that dominates this crucial and necessary text Each voice speaks of pain behind the Veil revealing narrative specificity and an important recursive truth Black men within the white American psyche are both necessary and yet disposable The existential and sociohistorical weight of this truth is made painfully clear through the voices of these Black men **The Heresy of Jacob Frank** Jay Michaelson, 2022 The Heresy of Jacob Frank is the first monograph length study on the religious philosophy of Jacob Frank 1726 1791 who in the wake of false messiah Sabbetai Zevi led the largest mass apostasy in Jewish history Based on close readings of Frank s late teachings recorded in 1784 and 1790 this book challenges scholarly presentations of Frank that depict him as a sex crazed degenerate and presents Frank as an original and prescient figure at the crossroads of tradition and modernity reason and magic Kabbalah and Western Esotericism Frank s worldview combines a skeptical rejection of religious law as ineffectual and repressive with a supernatural esoteric myth of immortal beings material magic and worldly power With close readings of the theological and narrative passages of Frank s teachings Michaelson shows how the Frankist sect evolved from its Sabbatean roots and the infamous 1757 59 disputations before the Catholic Church into a Western Esoteric society based on alchemy secrecy and sexual liberation Sexual ritual apparently tightly limited and controlled by the sect was not a libertine bacchanal but an enactment of the messianic reality a corporealization of what would later become known as spirituality While Frank was undoubtedly a manipulative even abusive leader whose sect mostly disappeared from history Michaelson suggests that his ideology anticipated themes that would become predominant in the Haskalah Early Hasidism and even contemporary New Age Judaism In an inversion of traditional religious values Frank s antinomian theology held personal flourishing to be a religious virtue affirmed only the material and transferred messianic eros into social sexual and political reality *LGBTQ Culture* Bruce E. Drushel, 2020-12-17 Recent decades have seen remarkable changes in the cultural visibility legal status and social acceptance of LGBTQ people from positive representations of queerness in television series like *The L Word* and *Will & Grace* to films about queer intersectionality like *Moonlight* to openly gay and lesbian elected officials and leaders in the business community to the end of anti sodomy laws and marriage discrimination With these advances have come assimilation

of the queer subculture into the mainstream and with it loss of both some of the stigmatization of non heteronormativity and the very cornerstones of the distinctiveness of LGBTQ communities including queer neighbourhoods bars and nightclubs bookstores publications and other queer businesses Queer couples and their children are migrating from LGBTQ enclaves to neighbourhoods with better schools queer singles meet in virtual spaces rather than in bars and LGBTQ bookstores and community centres once the hub of queer communities are closing replaced by Amazon com and social media These changes raise the question of how LGBTQ culture is changing and whether like many assimilated subcultures before it it may be in fact endangered This book examines these seismic changes their sociological and cultural implications reminisces about what has been lost and gained and hints at what the future may hold for LGBTQ people The chapters in this book were originally published in a special issue of the Journal of Homosexuality *Encyclopedia of Gender and Society* Jodi O'Brien, 2009

Provides timely comparative analysis from internationally known contributors *Handbook on the Family and Marriage in China* Xiaowei Zang, Lucy Xia Zhao, 2017-12-29 This Handbook advances research on the family and marriage in China by providing readers with a multidisciplinary and multifaceted coverage of major issues in one single volume It addresses the major conceptual theoretical and methodological issues of marriage and family in China and offers critical reflections on both the history and likely progression of the field *Expressions of the Body* Charlotte Baker, 2009 This book contributes to a growing corpus of writing on the body bringing new perspectives to this fascinating and topical subject Feminist psychoanalytic and queer readings among others have demonstrated the extent of the functions and roles fulfilled by the body as well as the number of critical perspectives it can serve However by and large African representations of the body have been overlooked This coherent volume brings together essays on the portrayal of the body in African art film literature photography and theatre The book includes thematically linked contributions which explore issues of power and representation and reflects current trends in the study of the body and more broadly within the field of African Studies

Museums, Moralities and Human Rights Richard Sandell, 2016-12-08 This book explores how museums galleries and heritage sites of all kinds through the narratives they construct and publicly present can shape the moral and political climate within which human rights are experienced Through a series of richly drawn cases which focus on gender diversity and same sex love and desire Richard Sandell examines the ways in which museums are implicated in the ongoing struggle for lesbian gay bisexual transgender and intersex human rights *Museums Moralities and Human Rights* brings together for the first time the perspectives not only of those who work in govern fund and visit museums but also those of rights activists and campaigners who at key moments in their struggle have turned their attention to museums to advance their cause Offering new insights into how human rights are continually fought for realised and refused this volume makes the case for museums of all kinds to take up an active mindful and purposive engagement with contemporary human rights concerns

Authors Website Occasionally, authors provide excerpts or short stories for free on their websites. While this might not be the Queer Studies An Interdisciplinary Reader full book , it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Queer Studies An Interdisciplinary Reader eBooks, including some popular titles.

FAQs About Queer Studies An Interdisciplinary Reader Books

What is a Queer Studies An Interdisciplinary Reader PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Queer Studies An Interdisciplinary Reader PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Queer Studies An Interdisciplinary Reader PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Queer Studies An Interdisciplinary Reader PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Queer Studies An Interdisciplinary Reader PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
