Webber, 2002-10-16 It has been said that zarzuela means to Spain what operetta means to Vienna Offenbach to Paris Gilbert
and Sullivan to London and the musical to Broadway Zarzuela is Spain s unique contribution to lyric theatre a mixture of
spoken and sung drama with a complex history extending over four centuries The Zarzuela Companion is a comprehensive
guide to zarzuela s most popular and romantic works written after 1850 with chapters devoted to the major Spanish zarzuela
composers writers and singers Complete synopses of all sixty works selected are delivered at the level of detail necessary for
non Spanish speakers to follow along with ease The book also features special sections on the history of the genre and on the

000 people have died in Mexico s so called drug war and the worst suffering has been in Ciudad Ju rez across the border
from El Paso Texas How did it get so bad After three decades studying that question Howard Campbell doesn t believe there
is any one answer Misguided policies corruption criminality and the borderland economy are all factors But none of these
reasons explain how violence in downtown Ju rez has become heartbreakingly normal A rigorous yet moving account
Downtown Ju rez is informed by the sex workers addicts hustlers bar owners human smugglers migrants and down and out
workers struggling to survive in an underworld where horrifying abuses have come to seem like the natural way of things
Even as Ju rez s elite northeast section thrives on the profits of multinational corporations and law abiding citizens across the
city mobilize against crime and official malfeasance downtown s cantinas barrios and brothels are tyrannized by misery

Campbell's is a chilling perspective suggesting that over time violent acts feed off each other losing their connection to any specific cause Downtown Juarez documents this banality of evil and confronts it with the stories of those most affected
