comparison of two Persian religions early Syriac Christianity as the foundation of the East Syrian Church of the East the Nestorian Church of Persia and the Baha i Faith a new world religion The author compares the hymns of the greatest poet of early Christianity Saint Ephrem the Syrian and the richly imagistic writings of the founder of the Baha i religion Baha u llah The book employs an original analytic technique in the creation of symbolic profiles constructed on Ninian Smart s dimensional model of religion As Buck skillfully demonstrates formal similarities between any two religions are best comprehended in terms of paradigmatic differences which nuance all parallels through a process of symbolic transformation Buck also shows the communal reflexivity of paradise imagery in representing the ideal faith community in both traditions

Saint John of the Cross Donald Haggerty,2022-03-14 Saint John of the Cross is the Church s premier teacher on contemplative prayer Catholic tradition even calls him the Mystical Doctor The sixteenth century Carmelite priest not only wrote four massive treatises on the spiritual life along with some of the finest poetry in the Spanish language but also worked alongside Teresa of vila in renewing the Carmelite order Th r se of Lisieux claimed she found no other spiritual reading that could satisfy her soul like John of the Cross Yet the volume and intensity of Saint John s work can make his teachings seem daunting even to trained theologians This book by Father Donald Haggerty author of *The Contemplative Hunger* and *Contemplative Enigmas* offers readers a unique step by step introduction to the way of contemplation as Saint John understood it and taught it a burning transformative intimacy with the God who made us Furnished abundantly with quotations from across the Mystical Doctor s writings this guidebook confronts the mysteries difficulties and joys of prayer showing how silent contemplation prepares our hearts for an unspeakable love For all his theological richness Saint John gave practical realistic advice on navigating the world of contemplation and Father Haggerty a spiritual director for decades applies these principles to our lives today Whether you are new to prayer or have been praying since childhood you will find

an illuminating and surprising companion in Saint John of the Cross Master of Contemplation **Sacred Spaces** Samina Quraeshi,2010-03-31 Quraeshi provides a vision of Islam in South Asia enriched by art and by a female perspective on the diversity of Islamic expressions of faith An account of a journey through the author s childhood homeland the book reveals the deeply spiritual nature of major centers of Sufism in the central and northwestern heartlands of South Asia Erotism Georges Bataille,1986-10 Reprint Originally published Death and sensuality New York Walker 1962 *Spirituality in John's Gospel* Gabriel-Mary Fiore,2023-11-30 The Fourth Gospel has been known as the spiritual gospel since the second century but only recently have biblical scholars attempted to express the unique spirituality found in that sacred text Surprisingly no consensus has emerged even after a century of research Thus while John s Gospel is widely admired as a vibrant source of Christian piety the distinct features of its spirituality remain unclear Fr Fiore addresses this problem from the fresh perspective of spiritual theology Capitalizing on a century of Johannine biblical scholarship he uses the interdisciplinary methods of spiritual theology to bring new data to the study of the Gospel and solutions to many lingering questions How did ancient readers understand what scholars now refer to as the Gospel s spirituality How does that ecclesial reading compare to the analysis of modern critical exegesis What makes Johannine spirituality special among other forms of Christian piety How does the question of the Gospel s authorship impact our understanding of its spirituality Does the Gospel contain what we now call mysticism In what ways is John s spirituality still relevant for Christians today Students of Christian spirituality and Johannine exegesis alike will find here stimulating historical and theological analysis of the Gospel s spirituality
