Quest Of Wholeness An Evaluation Of The:

The Philosopher's "I" J. Lenore Wright, 2012-02-01 This book examines philosophers autobiographies as a genre of philosophical writing Author J Lenore Wright focuses her attention on five philosophical autobiographies Augustine s Confessions Descartes Meditations Rousseau s The Confessions Nietzsche s Ecce Homo and Hazel Barnes s The Story I Tell Myself In the context of first person narration she shows how the philosophers in question turn their attention inward and unleash their analytical rigor on themselves Wright argues that philosophical autobiography makes philosophical analysis necessary and that one cannot unfold without the other Her distinction between the ontological and rhetorical dimensions of the self creates a rich middle ground in which questions of essence and identity bear upon existence **The Frontier of Education Reform and Development in China** Fang Wu, Feng Chen, 2025-09-30 This book is a collection of academic articles selected from papers published in the Chinese journal Education Research in 2023 Educational Research is an authoritative journal in the field of education in China It was first published in 1979 and is a national comprehensive and theoretical journal of education research This book presents 20 important educational research articles and covers various topics such as pedagogy educational policies teacher education vocational education and higher education It promotes the global dissemination of educational research in China enabling readers worldwide to gain a comprehensive understanding of China s education reform and development especially in recent years **Frantz Fanon for the 21st Century Volume 1 Frantz Fanon's Discourse of Racism and Culture, the Negro and the Arab Deconstructed** Daurius Figueira, 2018-11-19 Frantz Fanon 1925 1961 in the 1950s unleashed his discourse of the black white complex and the Negro thereby commencing his contribution to the international movement for liberation from colonial oppression and racism through a specific process of decolonisation In the 21st century the intensifying wave of racist assaults on non white peoples in the North Atlantic has once again raised the issue of racism white people and the North Atlantic State This book focuses on WE the non whites in our complicity with North Atlantic white supremacy through a deconstruction of Fanon s discourse which presents a 21st century analysis of the 21st century non white reality of our self hate self immolation and racism against non whites as ourselves and the beneficiary of this self hate white North Atlantic hegemony *Africa's Social and Religious Quest* Randee Ijatuyi-Morphé, 2014-01-30 This well crafted book probes the key dimensions of Africa s existential predicament It constitutes an intellectual response to a gnawing African situation the starting point for grasping Africa s social and religious quest Beyond split explanations of external versus internal factors e g colonization slavery vs leadership cultural values this study accounts more comprehensively for emergent issues shaping this situation The situation reflects a gamut of problems in traditional African religion and material culture which hitherto defines African communality politics and destinies vis vis the cosmos and nature Thus African religion and communities each with its own attendant values do not operate by critical engagement with larger issues of society and civilization especially those shaped by the advent of post

modernity Rather they operate via adaptation The communal drive for natural and social harmony inevitably produces a preservationist view of culture leaving things as they are This study takes an integrative approach to religion society and civilization eschews dichotomies and broadly defines and re signifies life and wholeness as a true end of Africans quest today

The Routledge Handbook of African Theology Elias Kifon Bongmba, 2020-05-25 Theology has a rich tradition across the African continent and has taken myriad directions since Christianity first arrived on its shores This handbook charts both historical developments and contemporary issues in the formation and application of theologies across the member countries of the African Union Written by a panel of expert international contributors chapters firstly cover the various methodologies needed to carry out such a survey Various theological movements and themes are then discussed as well as biblical and doctrinal issues pertinent to African theology Subjects addressed include Orality and theology Indigenous religions and theology Patristics Pentecostalism Liberation theology Black theology Social justice Sexuality and theology Environmental theology Christology Eschatology The Hebrew Bible and the New Testament The Routledge Handbook of African Theology is an authoritative and comprehensive survey of the theological landscape of Africa As such it will be a hugely useful volume to any scholar interested in African religious dynamics as well as academics of Theology or Biblical Studies in an African context

Samādhi Mike Sayama, 1985-10-01 The key to self development says Mike Sayama is the experience of Samadhi a state of relaxed concentration in which the individual neither freezes out of fear nor clings due to desire Simply stated samadhi is the free flow of vital energy within the body and between the body and the universe Moving effortlessly across traditions and techniques Sayama discovers that sages throughout history Greek philosophers German mystics Indian seers and our own Albert Einstein among others have taught that this experience of transcendental oneness lies at the heart of full self realization The first part of the book studies self realization in Zen Buddhism The author pinpoints its essence in Buddha s enlightenment The development of Zen is then traced continuing down to living masters who in very recent times have transplanted their lineages from Japan to the United States Sayama notes that we must choose as masters those to whom the authentic teaching has been transmitted through generations and he examines in loving detail the sometimes strange and astonishing behaviors of those whose very presence communicates the state of samadhi The second part of the book presents Zen therapy a way of self development emphasizing the cultivation of samadhi through psychophysical training Sayama compares the effects of Roling Feldenkrais and Zen therapy on the human body and mind He includes easy to follow directions for creating the inner state he describes He tells vivid stories of extraordinary cases treated from the point of view that the best therapy is nothing less than the removal of all dualism Four main practices are presented zazen meditation hara development circulation of the vital energy and communication

A Study on 'The Language' of Resistance and Rebellion S.A.Thameemul Ansari, 2013-10-03 This book entitled A study on the language of Resistance in the Writings of Toni Morrison A Sociolinguistic Perspective is an academic attempt to re introduce to the readers Morrisons language of anger aspiration

and hope which has been silenced for long due to factors which are not too far to seek The language variation which is demonstrated in phonological phonetic morphological syntactical and semantic levels highlights a fact that every variation has features which deserve to be respected Here the term variation is used to refer to differences existing within the same dialect Language a person uses is a reflection of the background he is from In other words it is an identity It defines the being of an individual in social and political sense The language of the oppressed has certain features which are normally ignored First of all such people are not encouraged to respect and represent themselves in their original language They develop a sense of self inadequacy That feeling gives an individual a feeling of guilt This unreasonable guilt that a marginalized is subjected to disturbs his communicative competence As a result he will try to develop sense of negativism related towards his own language This feeling is the initial reaction to the process which is going to over bulldoze the victim in due course of time The reader will find such instances of victimization and also example of doing violence with words in the following chapters

The Politics of the Dreamscape Seth Rogoff, 2021-08-25 This book traces the intersection of dreams and power in order to analyze the complex ways representations of dreams and paradigms of dream interpretation reinforce and challenge authoritarian hierarchical structures The book puts forward the concept of the dreamscape as a pre representational space that contains anarchistic attributes including its instability or chaotic nature and the lack of a stable or core selfhood and identity in its subjects The book situates this concept of the dreamscape through an analysis of the Daoist notions of the transformation of things and hundun chaos and the biblical concept of tehom the deep Using this conceptual framework this book analyzes paradigmatic moments of dream interpretation along a spectrum from radical anarchist assertions of the primal dreamscape to authoritarian dream texts that seek to reify identity define and establish hierarchy and support coercive relationships between unequal subjects The book's key figures include William Blake Robert Frost Jacob and Joseph from Genesis Sigmund Freud Carl Jung Jean Rhys Franz Kafka and the neurobiologist J Allan Hobson

Gender, Identity, And The Production Of Meaning Tamsin E. Lorraine, 2019-04-05 This book explains an open ended theory of self that delineates masculine and feminine self strategies on the basis of the Hegelian tradition of theorizing self other relations and contemporary feminist theory It proposes the possibility of combining the gender differentiated self strategies

The Quest George Robert Stow Mead, 1915

Nietzsche and Jung Lucy Huskinson, 2004-07-22 Was Jung's interpretation and assessment of Nietzsche accurate Nietzsche and Jung considers the thought and personalities of two icons of twentieth century philosophical and psychological thought and reveals the extraordinary connections between them Through a thorough examination of their work Nietzsche and Jung succeeds in illuminating complex areas of Nietzsche's thought and resolving ambiguities in Jung's reception of these theories The location and analysis of the role played by opposites in the whole self according to Jung is considered revealing the full extent of Nietzsche's influence This rigorous and original analysis of Jungian theory and its philosophical roots supported by Jung's seminars on Nietzsche's Zarathustra leads

to the development of a fresh interpretation of the theories of both The shared model of selfhood is put into practice as the personalities of Nietzsche and Jung are evaluated according to the other s criteria for mental health attempting to determine whether Nietzsche and Jung were themselves whole Nietzsche and Jung demonstrates how our understanding of analytical psychology can be enriched by investigating its philosophical roots and considers whether the whole self is a realistic possibility for each of us This book will prove fascinating reading for students in psychology philosophy and religion as well as practicing Jungian analysts Norman Mailer at 100 Robert J. Begiebing, 2022-11-23 Winner of the Robert F Lucid Award for Mailer Studies Norman Mailer at 100 celebrates the author s centenary in 2023 and the seventy fifth anniversary of the publication of his bestselling debut novel The Naked and the Dead by illustrating how Mailer remains a provocative presence in American letters Novelist and Mailer scholar Robert J Begiebing lays out how this polymath author s work makes vital contributions to the larger American literary landscape encompassing the debates of the nation s founders the traditions of Western Romanticism and the juggernaut of twentieth century modernism The book includes six critical essays two creative dialogues featuring Walt Whitman and Ernest Hemingway and Begiebing s own interview with Mailer from 1983 Each piece pairs Mailer with a critical interlocutor whose work offers telling revelations about his ideas and art among them Ralph Waldo Emerson Carl Jung Kate Millett and Joan Didion By encouraging a reconsideration of his career from its beginnings to his final books in the early twenty first century Norman Mailer at 100 forges a new path toward appreciating the author s achievements that underscores the extent to which his work can help us confront the challenges of today Caribbean Theology Howard Gregory, 1995 This timely collection explores critical issues facing theological education in the West Indies with special attention to the current status and content of Caribbean theology Contributors represent a number of mainstream Protestant traditions Anglican Moravian Baptist Methodist and Presbyterian and approach their topics from a variety of specializations Biblical Studies Church History Social Sciences Pastoral Care and Christian Education Howard Gregory who is the president of the United Theological College of the West Indies has done an exemplary job of representing the diversity of theological opinion at the conference as well as highlighting some common concerns of participants All participants Gregory points out acknowledged a pressing need to address practical aspects of pastoral care and to identify priorities specific to the Caribbean region In addition all participants underscored the need for renewed commitment to the task of developing and teaching an authentic Caribbean theology although there is considerable disagreement as to exactly what an authentic Caribbean theology should be Comprehensive Psychiatric Nursing Judith Haber, 1992 This outstanding text and reference emphasizes the seamless continuity of psychiatric care as well as the variety of settings in which it is now provided As always your students get current and comprehensive information that s presented in a clear accessible visually stimulating format and is now more clinically relevant than ever For example the psychobiological bases of mental disorders and psychopharmacological interventions are now featured in a new chapter depicted in two exciting full color inserts and

integrated throughout the book **Strange, Surprising, Sure** Robert Cummings Neville,2024-10-01 In Strange Surprising Sure Robert Cummings Neville presents a theory of being change and value and engages other philosophers who deal with these concepts The book s central thesis is that the entire created world includes everything determinate and thus the creator does not exist within creation Strangely this reverses nearly everything in the Western tradition Surprisingly this thesis is approached from a great many angles all of which are within the Western South Asian or East Asian traditions Surely put this thesis will win out in the long run Although Neville writes for an English reading audience he engages with thinkers from all these traditions **Making Sense of Women's Lives** , Lauri Umansky,Michele Plott,2000-08-01 Making Sense of Women s Lives presents a wide range of writings about women s lives in the United States Michele Plott and Lauri Umansky have drawn on their experiences as both students and professors to assemble the collection Seeking to provide as full a sampling from a diverse and intellectually vibrant field as one volume permits the editors have also chosen writing that makes an enjoyable read A few of the selections here represent the undisputed classics of the field More of them constitute simply the works drawn from academic and nonacademic sources alike that could make a difference in understanding what it means to be female in America Making Sense of Women s Lives is intended as the primary text in Women s Studies courses With that usage in mind Plott and Umansky have provided brief introductions to each article to help students understand the author s perspectives Thought and discussion questions follow each selection The book contains as well numerous Flash Exercises suggestions for class exercises and activities The editors have used these activities in their courses over the past decade in conjunction with readings in this volume and have found that the full complement of materials coalesces into an intellectually powerful introduction to Women s Studies A Collegiate Press book **The New Eon: Analysis of the Universal Field of Consciousness** Timothy G. Proceedings of the 2nd Biennial South African Conference on Spirituality and Healthcare Annemarie Oberholzer,André de la Porte,2018-06-11 Illness causes an existential crisis for people as it confronts them with the fragility vulnerability and finitude of the human condition Serious illness and hospitalisation can be challenging and life changing experiences especially in a context with poor resources and limited support Healthcare workers meet patients in this space of disarray Human qualities such as faith hope and compassion become crucial aspects of care Patients responses to these qualities highlight the importance of spirituality as part of holistic care not only for the patients and their families but also for the healthcare worker The 2nd Biennial South African Conference on Spirituality and Healthcare brought together leading experts from different disciplines and offered a variety of perspectives to explore the ways in which spirituality interacts with healing growth and wholeness in healthcare This volume addresses principles and practices for spirituality and healthcare

spiritual assessment the role of community psychology models of spiritual care volunteers and children s spirituality in healthcare Search Without Idols W. Horosz,2012-12-06 Search Without Idols is a study of human transcendence in the context of human striving projecting surpassing overcoming This power is central to man s search for wholeness Such transcendence makes reality tolerable It provides us with m impressive array of human responses which enable us to cope But it also provides the excesses that go beyond human striving Nothing seems to be off limits to this ubiquitous power Such a state of surpassing limits is what we find in the relation between the human search for wholeness and the quest for external totalities which lies beyond the human context Such soaring flights beyond the capacity of human striving are hard to control impossible to show responsibility for and beyond the reach of criteria The reach exceeds both our grasp and our control Transcendence then is a greatly used and much abuse human power Its activities have never ceased to amaze me its excesses have always troubled me even from the beginning of my studies This book is not an exercise in self clarification I have some thoughts on the matter which I wish to share with the reader Perhaps we can mutually appreciate the great gift without compromising our sanity Part I will provide a new look at the meaning of transcendence **The Hemingway Review** ,2007
