Anthony Powell s universally acclaimed epic *A Dance to the Music of Time* offers a matchless panorama of twentieth century London Now for the first time in decades readers in the United States can read the books of *Dance* as they were originally published as twelve individual novels but with a twenty first century twist they re available only as e books *A Question of Upbringing* 1951 introduces us to the young Nick Jenkins and his housemates at boarding school in the years just after World War I Boyhood pranks and visits from relatives bring to life the amusements and longueurs of schooldays even as they reveal characters and traits that will follow Jenkins and his friends through adolescence and beyond Peter Templer a rich passionate womanizer Charles Stringham aristocratic and louche and Kenneth Widmerpool awkward and unhappy yet strikingly ambitious By the end of the novel Jenkins has finished university and is setting out on a life in London old ties are fraying new ones are forming and the first steps of the dance are well underway Anthony Powell is the best living English novelist by far His admirers are addicts let us face it held in thrall by a magician Chicago Tribune A book which creates a world and explores it in depth which ponders changing relationships and values which creates brilliantly living and diverse characters and then watches them grow and change in their milieu Powell s world is as large and as complex as Proust s Elizabeth Janeway New York Times One of the most important works of fiction since the Second World War The novel looked as it began something like a comedy of manners then for a while like a tragedy of manners now like a vastly entertaining deeply melancholy yet somehow courageous statement about human experience Naomi Bliven New Yorker The most brilliant and penetrating novelist we have Kingsley Amis There is no other work in the annals of European fiction that attempts meticulously to recreate half a century of history decade by decade with anything like the emotional precision or details of Powell s twelve volumes Neither Balzac s panorama of the Restoration nor Zola s chronicles of the Second Empire nor Proust s reveries in the Belle Epoque can match a comparable span of time an attention to variations within it or a compositional intricacy capable of uniting them into a single narrative The elegance of this artifice was only compatible with comedy Perry Anderson **A Question of Upbringing** Anthony Powell,1995 *A Question of Upbringing* Anthony Dymoke Powell,1955

A Question of Upbringing ,1963 **A Dance to the Music of Time** Anthony Powell,1962 Powell s monumental 12 part series traces the life Nicholas Jenkins and a wide variety of characters as he reminisces about his life in 20th century England from World War I until the 1960s *A Question of Upbringing* covers its narrator s years at school and at the university Eton and Oxford in the early 1920 s The action shifts to the social life of London in the late 1920 s in *A Buyer s Market* and *The Acceptance World* concludes the movement with a school reunion in the early 1930 s *A Question of Upbringing* Anthony Powell,2019-07-04 **A Question of Upbringing, Vol 1 of A Dance to the Music of Time** Anthony Powell,1952
