**Questions Muslims Ask** Rockeybell Adatura,1998      **Muslims Ask, Christians Answer** Christian W. Troll,2012 This volume addresses 12 important questions that Muslims ask of Christians and explains their wider background in Muslim religious thought From the perspective of Christian faith and theology and from that of dialogue with Muslims the Christian positions are clarified and sensitive honest proposals are made for responding to the questions Both Christians and Muslims have found Trolls work a precious help for orientation and a solid basis for interreligious encounter and dialogue      A *Conversation between a Muslim and a Christian* Peter Barnes,Mohamad Younes,2023-07-13 There are many books which set out the case for Islam or for Christianity and point out what they regard as defects in the other religion This book does that but it seeks to do so in the form of a workbook which groups of Christians or Muslims might use and it is conducted in a spirit where truth is paramount but so too is kindness and civility The two authors have become friends and hope that this can be detected in the exchanges As the major doctrines of each religion are dealt with we are conscious that these doctrines are important and need to be examined rigorously and charitably We hope we have succeeded to some degree at least      **When Kids Ask Hard Questions Volume 2** Bromleigh McCleneghan, Karen Ware Jackson,2021-11-09 From the creators of When Kids Ask Hard Questions comes MORE questions and thank goodness responses on today s tough topics In an increasingly complex world children deserve thoughtful responses informed by our progressive faith values In this second volume for parents teachers and faith leaders respected experts pastors and parents address more than two dozen tough topics offering theological perspectives and suggestions for comforting and spiritually guiding children Topics include racism and white supremacy vaping and illegal drugs domestic abuse and family stigma pornography and sexuality mental illness and teen suicide social media and isolation and terminal illness and grief      Death, Resurrection, and Human Destiny David Marshall,Lucinda Mosher,2014-04-29 Death Resurrection and Human Destiny Christian and Muslim Perspectives is a record of the 2012 Building Bridges seminar for leading Christian and Muslim scholars convened by Rowan Williams then Archbishop of Canterbury The essays in this volume explore what the Bible and Qur n and the Christian and Islamic theological traditions have to say about death resurrection and human destiny Special attention is given to the writings of al Ghazali and Dante Other essays explore the notion of the good death Funeral practices of each tradition are explained Relevant texts are included with commentary as are personal reflections on death by several of the seminar participants An account of the informal conversations at the seminar conveys a vivid sense of the lively penetrating but respectful dialogue which took place Three short pieces by Rowan Williams provide his opening comments at the seminar and his reflections on its proceedings The volume also contains an analysis of the Building Bridges Seminar after a decade of his leadership      Socrates on Judaism, Christianity, and Islam Doug Van Scyoc,2007-09-01 A nuclear Israel waits for its Messiah a nuclear America eagerly anticipates the second coming of Christ and a nuclear Iran believes it can expedite the return of the hidden

or twelfth imam Are apocalyptic expectations like all other ideologies simply evolution's way of keeping the human population in check Is religion true Does God exist What happens to us when we die What should the afterlife mean for us while we are alive Are these the greatest of all questions and if so why After thousands of years and countless religious traditions why does the world continue to hunger for spiritual truth Why are religious lives so often filled with doubt worry and dark nights of the soul Do you believe in pregnant virgins Do you believe in the incarnation of an immutable God Do you believe that an eternal God died Do you believe Jesus redeemed an Israel that has totally rejected him Do you believe a loving Jesus will return to bring the world to a tragic end Do you believe that contradictions can't both be true Do you believe the human anatomy is designed for meditation or mobility If God had indeed chosen the prophet Muhammad to warn the people why didn't Muhammad warn Muslims not to split Islam into Sunni and Shiite It has been said that if we don't challenge our beliefs our beliefs will eventually challenge us Disillusionment with religion not to mention global crises is forcing believers to question the basis of their faith Socrates on Judaism Christianity and Islam addresses those who are unsatisfied with the belief systems they encountered in orthodox religions This book will assist searchers as they embark on their solitary quest for spiritual discovery Christian-Muslim Dialogue Heidi Hirvonen, 2012-11-09 This book examines how Christian-Muslim dialogue is envisioned by four present-day Lebanese thinkers Great Ayatollah Muhammad Husayn Fadlallah Doctor Mahmoud Ayoub Metropolitan Georges Khodr and Doctor Father Mouchir Basile Aoun *Jesus in Muslim-Christian Conversation* Mark Beaumont, 2018-03-01 Jesus is a revered messenger of God for Muslims and Lord and Savior for Christians How can Muslims and Christians relate to each other when this figure from the past attracts them yet drives them apart Jesus is the very center of the Christian faith but for Muslims he is a faithful witness to God who is central to Islam In the twenty-first century is it possible for Muslims and Christians to relate to each other around him This book is an attempt to bring together two representative voices from Muslim and Christian communities to talk about Jesus Ibrahim is a Sunni Sufi Muslim who has studied Christianity and has been active as an academic in the Western world Paul is an Evangelical Protestant who has lived in the Muslim world and has been engaged in teaching religious studies in the West The conversation begins with the conception of Jesus and ends with his return from heaven and deals with his earthly work in between His miraculous activity his teaching and the titles he has been given are considered in detail and differences over the ending of Jesus' life are debated

Islam: Global Christian Perspectives Wageeh Mikhail, 2024-07-30 There are hundreds of books on Islam after all it is the second largest religion on the planet Few however are the books written by Christian scholars of Islam who live and work in Muslim majority countries Here lies the value of this current volume It addresses Islam Islamic history Islamic theology and Christian-Muslim relations from global Christian perspectives where contributors describe experiences and narratives of conversations obstacles cohabitation understanding and cooperative efforts between Christians and Muslims in a variety of Middle Eastern African and Asian nations including Egypt Ghana India Jordan Lebanon and Nigeria This book treats Islam

academically and from a Christian standpoint Authors discuss historical interactions between Christians and Muslims and where relevant current avenues for work for the common good      **Jesus and the Cross** David Emmanuel Singh,2008-06-01 The paper in this volume are organized in three parts scriptural contextual and theological The central question being addressed is how do Christians living in contexts where Islam is a majority or minority religion experience express or think of the Cross This is therefore an exercise in listening As the contexts from where these engagements arise are varied the papers in drawing scriptural contextual and theological reflections offer a cross section of Christian thinking about Jesus and the Cross      **Perceptions of Christianity Among South Asian Muslims in America** Paul S. Biswas,2020-07-13 This book explores and articulates perceptions of Christianity among South Asian Muslims in America The South Asian Muslim population in America includes many immigrants and their families This book analyzes the perceptions of Christianity held by South Asian Muslims in three areas theological sociocultural and ethical moral This book addresses both positive and negative perceptions of Christianity although it mainly focuses on the misperceptions that give rise to conflicting views between Muslim and Christian The primary goal of this book is to consider how flawed perceptions hinder the effective communication of the Christian gospel in efforts to witness to Muslims in America This book further explores the sociocultural and ethnic differences among South Asian Muslims and the ways in which their perceptions of Christianity differ More specifically this book identifies the factors most likely to influence both positive and negative perceptions of Christianity among South Asian Muslims in America This book also briefly explores the multi faceted historical background of Islam in South Asia and the impact Islam has had on the assumptions and perceptions of Christianity of South Asian people in general and specifically on the thinking and perceptions of South Asian Muslims in America This book includes qualitative research using an ethnographic case study approach Data presented in this book are collected from two different sources scholarly literature related to the focal group and structured interviews with a representative sample of South Asian Muslims in America The anticipated result is to provide useful information and insights so Christian practitioners can develop useful tools for building harmonious relationships with South Asian Muslims in America and effectively communicating the gospel to them      **Sustainable Diplomacy** D. Wellman,2004-05-06 Drawing on a variety of disciplines Sustainable Diplomacy is a highly constructive work Set in the context of modern Moroccan Spanish relations this text is a direct critique of realism as it is practiced in modern diplomacy Proposing a new eco centric approach to relations between nation states and bioregions Wellman presents the case for Ecological Realism an undergirding philosophy for conducting a diplomacy which values the role of popular religions ecological histories and the consumption and waste patterns of national populations Sustainable Diplomacy is thus a means of building relations not only between elites but also between people on the ground as they together face the real possibility of global ecological destruction      From Seed to Fruit (Revised and Enlarged Second Edition) J. Dudley Woodberry,2008-06-01 The revised and enlarged second edition of J Dudley Woodberry s From Seed to

Fruit expands on the next stage of the ongoing collaborative research and reflections of many people from many organizations desiring to bless Muslims Seven additional chapters survey major trends in global Islam today and explore themes that prove to have considerable influence on fruitfulness including a new chapter on building Christlike relationships with Muslims The Global Trends Research Group has continued to update the demographic materials on Muslim people groups their access to Christian witness and when and how Christian groups covenant to provide meaningful access From Seed to Fruit presents the most recent worldwide research on witness to Christ among Muslim peoples using biblical images from nature to show the interaction between God's activity and human responsibility in blessing these peoples

**How to Do Comparative Theology** Francis X. Clooney, Klaus von Stosch, 2017-12-12 For a generation and more the contribution of Christian theology to interreligious understanding has been a subject of debate Some think of theological perspectives as of themselves inherently too narrow to support interreligious learning and argue for an approach that is neutral or on a more popular level grounded simply open minded direct experience In response comparative theology argues that theology as faith seeking understanding offers a vital perspective and a way of advancing interreligious dialogue aided rather than hindered by commitments theological perspectives can both complement and step beyond the study of religions by methods detached and merely neutral Thus comparative theology has been successful in persuading many that interreligious learning from one faith perspective to another is both possible and worthwhile and so the work of comparative theology has become more recognized and established globally With this success there has come to the fore new challenges regarding method How does one do comparative theological work in a way that is theologically grounded genuinely open to learning from the other sophisticated in pursuing comparisons and fruitful on both the academic and practical levels How To Do Comparative Theology therefore contributes to the maturation of method in the field of comparative theological studies learning across religious borders by bringing together essays drawing on different Christian traditions of learning Judaism and Islam Hinduism and Buddhism the wisdom of senior scholars and also insights from a younger generation of scholars who have studied theology and religion in new ways and are more attuned to the language of the spiritual but not religious The essays in this volume show great diversity in method and also over and over and from many angles coherence in intent a commitment to one learning from the other and a confidence that one's home tradition benefits from fair and unhampered learning from other and very different spiritual and religious traditions It therefore shows the diversity and coherence of comparative theology as an emerging discipline today
