On the Questions of Life Sam Lysen, 2024-09-23 Looking behind the curtain of our existence and grappling with the fundamental questions of life is a great desire of every human being What is the meaning of life Which path leads to prosperity and wealth What is happiness and where can I find it A look at the fundamental questions of life as presented by author Sam Lysen reveals that the unfolding of inner wealth which consists of universal values knowledge and wisdom paves the way to material wealth Exploring the depths of truth through knowledge and power teach that understanding these ideas unleashes our full potential and increases inner wealth The manifestation of inner wealth is revealed to be the source of true happiness and prosperity

Answers to Life's Foundational Questions, 2014-12-15 From page to page the attentive reader will not escape a stir of one s inner essence regarding the fundamental issues of life He opens the lid to life s essentials inviting thorough considerations to the origin of the universe the potential vested in each human life and the bubble of the evolution theory and so called science This discourse is for those searching for answers and inspiration It will call the frivolous soul to attention

and demand duty from its bearers It s a wakeup call to the slothful and a harsh reminder to the proud But it s more than that this book identifies with all who are poised to accomplish their dreams It unleashes a strong sense of purpose that would resurrect lost aspirations and ignite flames of achievement and eternal outcomes The issues raised demand your thorough attention if you will profit from the wisdom shared They are instructive to the thinking mind This book is a treasure field But it must be mined So while you read heed the urge to purposefully pause reflect and precipitate the cogitations of your mind It will do you eternal good *A Teacher, His Students, and the Great Questions of Life, Second Edition* John C.

Morgan,2017-01-13 Throughout history philosophers have attempted to unravel the mystery of life People from many diverse traditions have been invited to sit face to face at the table of philosophy to engage in analytical and critical reflection in what Dr John Morgan calls the great questions of life This book invites students to explore the meaning of life in an easy and understandable manner through the infamous character Professor Plotimus The antics of Professor Plotimus make philosophy interesting uncomplicated and easy to grasp while deeply compelling It allows our minds to wonder and listen to the wisdom of the ages that life has meaning and purpose if we only loosen the chains of dogma and venture out of our caves as we attempt to see life in a fresh way from the Preface by Linda Lewis Riccardi Adjunct Professor of Humanities and Philosophy Reading Area Community College Challenging Life: Existential Questions as a Resource for Education Jari Ristiniemi,Geir

Skeie,Karin Sporre,2018 There is an increasing recognition today that young people need to have knowledge about religions and world views in order to live and work in diverse societies What kind of maps are they provided with through religious values and ethics education Does education address the challenging existential questions that children and adolescents ask about life and the world This volume addresses different aspects of how existential questions have been dealt with in educational research It especially draws attention to the Swedish research tradition of focusing on life questions and the interpretation of life in education but with contemporary international research added It also addresses issues of ethics education and discusses possible options for the future of existential questions as a resource for education **The 1000**
