40 Questions About the Historical Jesus C. Marvin Pate,2015-04-27 Answers to critical questions regarding the study of the Jesus of history and the Christ of faith The conclusions of the quest for the historical Jesus which casts the majority of Christ s life as a myth are a stark contrast to the orthodox view of Christ as presented in the Bible Pate demonstrates that a critical analysis of the gospel text along with historical and cultural methods of investigation actually point toward an orthodox view of Christ This work argues that the canonical Gospels are the most trustworthy information we have about the gospel writers as well as the life and ministry of Jesus including his death visit to hades resurrection and ascension Readers will be encouraged by the reliability of the Gospel writers the reality of Jesus humanity and deity and the inferiority of the apocryphal gospels **101 Questions and Answers on the Bible** Raymond E. Brown,2003-09 A noted biblical scholar s

concise responses to a wide range of the questions most frequently posed to him about the Bible Questions About Jesus Christ S. Michael Houdmann,2013-06-14 For centuries the life of Jesus Christ has divided human history into two eras the before and the after Who He is what He said what He did and what was done to Him these are without a doubt among the most dissected discussed and debated subjects ever Jesus fielded many questions Some were from sincere seekers of truth others were from devious manipulators of truth Which is the great commandment in the Law What must I do to inherit eternal life Why do your disciples break the tradition Who gave you this authority Often Jesus answered a question with a question Jesus skill went beyond rhetoric to challenge ideas inflame faith and spur action Jesus asked the rich young ruler Why do you call me good When questioned about taxes Jesus held up a coin and asked Whose likeness and inscription is this Before revealing His divine identity to the disciples He asked them Who do you say I am The answer to that question makes all the difference This book is full of questions about Jesus The answers are based on what Jesus said about Himself and what the Holy Spirit inspired the biblical writers to record **40 Questions About Heaven and Hell** Alan W. Resurrection: A Guide for the Perplexed Lidija Novakovic, 2016-02-25 This volume examines what the followers of Jesus meant when they declared that he was raised from the dead This claim which lies at the core of Christian faith is one of the most controversial topics in Christianity Jesus resurrection has no analogy in human history Although many 1st century Jews expected the resurrection of the dead at the end of time the Christian claim that this had already happened to one individual within the realm of history was unprecedented Moreover an affirmation of Jesus bodily resurrection contradicts the known laws of nature Additional difficulty comes from the nature of the available evidence The New Testament sources not only mirror the worldview of ancient authors but also differ with regard to who saw him alive what was the nature of his risen body and whether the empty tomb was a widespread knowledge or an assumption based on prior beliefs Novakovic presents all these issues in a clear and methodical way She examines the literary sources and addresses various questions related to historical investigations of Jesus resurrection

Questions David Phillips, 2014-03 This book is about questions and about statements made in the Bible I found myself having many questions after reading from a King James Holy Bible that was revised by the Division of Christian Education of the National Council of the Churches of Christ in the United States of America The New Testament was also done by the same division of the churches of Christ

Questions About the End Times S. Michael Houdmann Houdmann, 2015-06-19 Wars and rumors of wars blood moons natural disasters the onslaught of terrorism spreading heresies the news is filled with reports of such things But which of them are truly signs of the times according to biblical prophecy God says I make known the end from the beginning from ancient times what is still to come Isaiah 46 10 The One who knows the future has revealed much about it in His Word the Bible This book contains one hundred questions concerning the end times answered from a biblical perspective How can I understand the book of Revelation What is Israels role What is the rapture Should I be worried about 666 Are we living in the end times We dont have all the details of what will happen but this book will point you consistently to the Bible for answers The student of Scripture should have an advantage when it comes to prophecy You brothers and sisters are not in darkness so that this day should surprise you like a thief 1 Thessalonians 5 4 Eschatology is a fascinating and beneficial study Following current events is sometimes like watching pieces of a puzzle fall into place We know Gods purposes will

stand and what He has decreed will come to pass

The Questions Put by Jesus John Milner Beazley,2022-10-31

Questions are revealing It is exciting therefore in this book to study not only how Jesus use of questions characterises his ministry and his style of teaching but also how those questions reveal his train of thought as events unfold and what they reveal about him as a person in relation to himself his neighbour his environment and God This book engages with the milieu and the different Gospel accounts of Jesus life It examines 108 of his questions in some detail together with their parallels amounting to 299 questions in all It explores Jesus use of questions to promote his teaching and ministry and sometimes more aggressively to defend his disciples or discomfort and discredit his critics and opponents Hopefully being alive to the questions put by Jesus and even wondering perhaps how we might answer some of them helps to sharpen our personal beliefs

The Interpretation of Kenosis from Origen to Cyril of Alexandria Michael C. Magree,2024 The self emptying of Christ proclaimed in the letter to the Philippians 2 7 remains a much debated topic in modern theology and exegesis This book brings the insights of Greek Christianity to the understanding of kenosis to illustrate that new dimensions of the topic open up when it is examined in the historical era of early Christianity

Questions and Rhetoric in the Greek New Testament Douglas Estes,2017-03-28 While there are almost 1000 questions in the Greek New Testament many commentators pastors and students skip over the questions for more theological verses or worse they convert questions into statements to mine them for what they are saying theologically However this is not the way questions in the Greek New Testament work and it overlooks the rhetorical importance of questions and how they were used in the ancient world Questions and Rhetoric in the Greek New Testament is a helpful and thorough examination of questions in the Greek New Testament seen from the standpoint of grammatical semantic and linguistic analysis with special emphasis on their rhetorical effects It includes charts tools and lists that explain and categorize the almost 1000 questions in the Greek New Testament Thus the user is able to go to the section in the book dealing with the type of question they are studying and find the exegetical parameters needed to understand that question Questions and Rhetoric in the Greek New Testament offers vibrant examples of all the major categories of questions to aid the reader in grasping how questions work in the Greek New Testament Special emphasis is given to the way questions persuade and influence readers of the Greek New Testament

Resurrection Patrick G. Stefan, 2019-12-16 How did the early Christian movement grow so quickly and did the idea of resurrection have anything to do with its growth? Patrick G. Stefan offers an answer to both of these questions by searching at the intersection of the investigation of Christian origins and Continental philosophy. He documents the rise of the disciplined subject with the emergence of Christianity and argues that the early success of the Christian movement was due in part to the activation and deployment of what Michel Foucault calls disciplinary mechanisms of power. This activation took place through the instantiation of the idea of resurrection in early Christian material and textual existence. The activation of these mechanisms created a sub-class of disciplined individuals with the ability to envision life outside of the sovereign power of Caesar. By building on Foucault's methodology of examining how material conditions shape and create individual subjects, this book takes as its point of departure Foucault's unexplored observation that Christianity proposed and spread new power relations throughout the ancient world. From this departure point, Stefan seeks to demonstrate that these new power relations were connected to an idea of resurrection and formed the early history of disciplinary power **Resurrection Realism**

Patrick J. Fletcher, 2014-07-21 In *Resurrection Realism*, Patrick Fletcher examines the key role played by Joseph Ratzinger, later Pope Benedict XVI, in the lively twentieth-century debates over the resurrection. Since Ratzinger has repeatedly claimed to be a follower of Augustine of Hippo, whose theology of resurrection has been so significant in Western Christianity, this book begins by identifying the key characteristics of that theology before studying Ratzinger's theology of resurrection in detail, examining the original sources of both Ratzinger and his German interlocutors in order to paint the clearest picture to date of Ratzinger's thought on the resurrection. Some issues dealt with include the development of Ratzinger's thought, the question of Augustinian duality and Thomistic hylomorphism, the salvation of matter and the nature and identity of the risen body **John 1-11** Gerald L. Borchert, 1996-08-22 One in an ongoing series of esteemed and popular Bible commentary volumes based on the New International Version text

Who is Christ? The question considered in 6 lectures Edward Francis Willis, 1881 *The Gospel Truth* Patrick T. Rhoads, 2020-07-31 The skepticism holding sway in our public society practically screams that one cannot be serious and also be Christian. This work exposes the lie to such skepticism. This book adopts the scientific method to demonstrate the underlying facts recorded in the Gospels. The arguments rely solely upon reason and objective criteria to substantiate their conclusions. This fast-paced work by a nuclear engineering executive with more than thirty-five years of experience will defy expectations. Rigorous and systematic, this apologetic work is curated with verve, energy, and wit. It will pique the interests of academics and lay audience alike by

answering these questions Why is the resurrection a necessary but not sufficient condition for the rise of Christianity Who founded Christianity Hint it was not Saint Paul as many suppose Why did the church retain all of the Hebrew Bible even though only a small fraction pertains directly to the New Testament How does the church rectify the necessity of justice with the virtue of mercy Why did his first followers call Jesus the Christ while fully aware that he did not satisfy the expectations of the Christ in the Hebrew Bible At the end of the book readers will ask the same question about Jesus that Jesus asked of the apostles Who do you say that I am Great Questions God Asks Kathy Call,2017-11-30 The Bible is full of questions asked by God of his people Each of these questions challenge us to struggle with some nagging issue or problem inside us that simply refuses to go away God s great questions probe the deepest issues of our lives questions of identity of adequacy of balance of assurance of mercy of renewal of perspective of ultimate hope of perception As the characters in the Bible of whom these questions were first asked wrestle with their answers we as readers of this book find ourselves wrestling with the same questions in our lives bringing us face to face with ourselves and with God himself
