Questions About Jesus Christ S. Michael Houdmann, 2013-06-14 For centuries the life of Jesus Christ has divided human history into two eras the before and the after Who He is what He said what He did and what was done to Him these are without a doubt among the most dissected discussed and debated subjects ever Jesus fielded many questions Some were from sincere seekers of truth others were from devious manipulators of truth Which is the great commandment in the Law What must I do to inherit eternal life Why do your disciples break the tradition Who gave you this authority Often Jesus answered a question with a question Jesus skill went beyond rhetoric to challenge ideas inflame faith and spur action Jesus asked the rich young ruler Why do you call me good When questioned about taxes Jesus held up a coin and asked Whose likeness and inscription is this Before revealing His divine identity to the disciples He asked them Who do you say I am The answer to that question makes all the difference This book is full of questions about Jesus The answers are based on what Jesus said about Himself and what the Holy Spirit inspired the biblical writers to record **Questions Jesus Asked** Magrey deVega, 2023-04-04 What does Jesus want to know about us Jesus was fond of asking questions many of which cut right to the heart of what it means to be human Why are you terrified What do you live for Who do you say that I am In Questions Jesus Asked author Magrey deVega explores six of the most provocative questions Jesus posed to others and guides us in answering them for ourselves Asking these questions takes courage Not only do they reveal what Jesus really cares about they open a window into our hearts We all have questions for God but growth happens when we turn things around and ask what Jesus wants to know about us When we dare to raise them these questions bring us a fuller appreciation for the wisdom power and presence of God in our lives Are you willing to step out in faith Are you ready to answer the questions Jesus asked The book can be read alone or used by small groups and can be used anytime throughout the year Additional components include video teaching sessions featuring Magrey deVega and a comprehensive leader guide making this perfect as a six week group study done throughout the year **Jesus Is the Question** Martin B. Copenhaver, 2014-09-02 Contrary to some common assumptions Jesus is not the ultimate Answer Man but more like the Great Questioner In the Gospels Jesus asks many more questions than he answers To be precise Jesus asks 307 questions He is asked 183 of which he only answers 3 Asking questions was central to Jesus life and teachings In fact for every question he answers directly he asks literally a hundred Jesus is the Question considers the questions Jesus asks what they tell us about Jesus and more important what our responses might say about what it means to follow Him Through Jesus questions he modeled the struggle the wondering the thinking it through that helps us draw closer to God and better understand not just the answer but ourselves our process and ultimately why questions are among Jesus most profound gifts for a life of faith A game changer of a book The Questions of Jesus John Dear, 2007-12-18 This illuminating examination of the Gospels reveals how the questions Jesus asks of his followers lead the way to a deeper understanding of the meaning of life and the mystery of God The Gospels are filled with

stories parables miracles commandments and dramatic incidents that trace Jesus life and recount his teachings A close reading of the Gospels reveals however that they are also filled with questions As John Dear points out in this remarkable book Jesus like any great teacher and rabbi has a question for everyone he meets for every occasion for every experience for every potential disciple Dear uses these questions as a starting point an invitation to readers to discover the lessons they contain by searching their own hearts and minds for answers Throughout The Questions of Jesus Dear interweaves insights from ethical and religious teachers ranging from Buddha to Gandhi to Martin Luther King Jr Using recent events as powerful and poignant examples he shows why a renewed commitment to Jesus message of nonviolence compassion justice and peace is essential to healing a world torn by violence and war

What Did Jesus Ask? Elizabeth Dias, 2015-10-27. In What Did Jesus Ask 65 of today's leading spiritual writers thinkers and artists offer modern meditations on the questions that Jesus posed in the Bible to teach his followers how to think like a Christian and consider their personal faith. As a teacher Jesus Christ put many of his lessons in the form of questions. The gospels record more than 300 of them. Some are rhetorical needing no answer but most were real questions posed to real people. Many of Jesus questions are familiar to readers today yet the context and the potential interpretations of such phrases will offer enlightenment to many. Organized by Biblical verse these 65 enigmatic questions include: You of little faith why did you doubt Matthew 14:31. Do you have eyes but fail to see and ears but fail to hear Mark 8:18. And now What Did Jesus Ask poses those questions to many of today's prominent religious figures scholars and thought leaders to contemplate and interpret. Contributors include bestselling singer songwriters Amy Grant and Michael W. Smith. Christian leaders Barbara Taylor and Cardinal Wuerl of Washington and bestselling authors James Martin and Sarah Young and many more. Including a foreword by Nancy Gibbs bestselling author and managing editor of TIME magazine. What Did Jesus Ask is a thought provoking volume for both readers interested in religious thought and understanding the teachings of Jesus better.
